

Introducing the Sussex County Special Needs Registry

The **Sussex County Special Needs Registry** is a voluntary service open to all citizens with special needs who reside, attend school, or are employed in Sussex County. The registry was created to help police officers and other emergency service personnel better assist residents with special needs in the event of an emergency by providing those first responders with vital information regarding a registrant's special needs, emergency contact information, physical description, and current photograph of the registrant.

Information about a SNR registrant shall be kept strictly confidential.

All registrants will be issued window decals to be placed prominently on the front entrance of their residence as well as on their personal vehicle. The presence of the SNR decal should signify that someone in the residence/vehicle has some degree of special need and first responders should respond accordingly.
