Project Notice: Bridge L-09 Mortar and Stone Masonry Repairs **Distributed: May 5, 2023**

Project:

Bridge L-09 Mortar and Stone Masonry Repairs
Van Sickle Road, Lafayette Township

Bridge L-09 will be receiving mortar and stone masonry repairs to the stone masonry arch. These repairs will enhance the safety of the bridge.

Construction Schedule:

Construction is anticipated to begin on or about **Tuesday, May 9th**, and is estimated to last 3-4 weeks, barring any adverse weather conditions or unforeseen circumstances.

Traffic Impacts:

Bridge L-09 will remain open during construction.

A daily self-yielding single lane closure will be implemented to allow for traffic through the work zone.

Contact Information:

For more information regarding this project, please contact Chris Lautz at Sussex County Division of Engineering:

973-579-0430 x 1308 or CLautz@sussex.nj.us
