Making a Difference

The Sussex County Social Services Food Pantry

Background: The Sussex County Food Pantry is one of many programs offered by the Division of Social Services. The food pantry offers immediate assistance to residents with no pre-qualification.

Q. Who does the food pantry serve?

A. The food pantry provides food to residents throughout Sussex County, as well as local food pantries whose shelves are often depleted due to the increasing demand for assistance.

Q. Do residents have to qualify for assistance from the food pantry?

A. There is no pre-qualification to receive assistance from the food pantry. Residents are only required to provide basic information such as the town in which they reside and the number of people in their family.

Q. What is the Backpack Snacks for Kids program?

A. The Backpack Snacks for Kids program provides Sussex County children with meals and snacks for the weekend. Items such as soup, oatmeal, granola bars, and applesauce are packaged in snack-size containers and distributed to children in participating school districts. The program helps ensure that children have a nutritious meal over the weekend or when they are on spring or summer break.

Q. Does the food pantry accept donations?

A. The food pantry operates through donations received from individuals, businesses, organizations, and community-wide events hosted by local radio stations, police departments, and schools throughout the year.

Q. Does the food pantry have volunteers?

A. The food pantry has approximately 20 consistent volunteers. The volunteers ensure that the “backend” of the food pantry operates smoothly and efficiently from unloading pallets, sorting and stacking food items, and the packing of bags. The volunteers donate their time and labor consistently at least twice a week and often times more.

Sussex County Social Services Food Pantry Fun Facts

- The pantry serves approximately 20,140 people annually.
- Approximately 25,200 backpack snack bags are distributed to children in local schools.

Property Alert

The screenshot shows the Sussex County Clerk's Office website. At the top, it says "Sussex County Clerk's Office" and "Jeffrey M. Parrott, County Clerk". Below this is a large image of a "Welcome to Sussex County" sign with the slogan "People & Nature Together". To the right of the image is a search bar with the text "Search" and a magnifying glass icon. Below the search bar is a navigation menu with three buttons: "Daniel's Law", "Property Alerts" (which is highlighted with a red arrow), and "Records Search".

Q. What is the purpose of the Property Alert Service?

A. The Property Alert Service is an ALERT (not preventative) service that will alert registered property owners via email if a document that affects a specific property is recorded by our office.

Q. Is there a fee for the Property Alert Service?

A. No. This is a free service provided by the Sussex County Clerk's Office.

Q. What do I need to register for Property Alert?

A. You will need an email address, your lot & block #, and property owner name(s).

Q. Why should I register for this service?

A. In some cases, fraud on real property is not discovered for years. This service helps to notify property owners in a more timely fashion.

Q. Why can't you stop the fraudulent document from being recorded?

A. As long as a document meets statutory recording guidelines, New Jersey law requires the Clerk's Office to record the document. Recordings cannot be refused unless guidelines are not met.

Q. What do I do if a fraudulent document was recorded with my property information?

A. If you find a document recorded against your name or property is fraudulent, you should contact your attorney or prosecutor's office.

To register for Property Alert, go to www.sussexcountyclerk.org.

Christopher Carney

(R) Frankford

DEPUTY DIRECTOR

Term: January 1, 2022 - December 31, 2024

Dedicated to the betterment of his community, Chris Carney embodies what it means to be a public servant.

Christopher Carney was appointed as a County Commissioner in 2021. Prior to his appointment, Chris was Mayor of Frankford Township where he fought to keep local government lean and efficient. He led efforts to protect local citizens' personal freedoms and combat overburdening mandates from Trenton - principles he deeply believes in.

Chris, a 20-year member of the American Legion, has been profoundly impacted by his father who served our nation as an Air Force member while in Vietnam and again in Operation Desert Storm as a member of the Army National Guard. The influence his father's service had on him as a young man led to then Mayor Carney to spearhead the fundraising, construction, and completion of the Frankford Veteran's Memorial to honor all those who served.

Raised in Vernon, Commissioner Carney spent his formative years in Wantage, attending High Point Regional and then completed course work in the Mesa Arizona Community College System before returning to Sussex County to start a family.

Prior to his elected service, Carney served as a member of the Park Commission and led efforts to protect local open space. He also served as the board's chairman. Active in the community, when he is not working his day job as a twenty-two year member of the International Union of Operating Engineers, Local 825, Chris can be found coaching local youth, helping them develop the important life skills that competitive team sports can provide.

Chris and his wife, an elementary school teacher, continue to raise their three boys and two dogs in Frankford and are parishioners of St. Thomas the Apostle in Sandyston.

William Hayden

(R) Frankford Township

MEMBER

Term: January 1, 2023 – December 31, 2025

Commissioner Hayden was elected to the Board on November 8, 2022. A long time County resident, Commissioner Hayden currently works for the New Jersey Department of Transportation (NJDOT) as a Region North Permit Supervisor that reviews plans, jurisdictional agreements, titles, and issues permits for utility companies. Commissioner Hayden also handles constituent issues for the NJDOT. Working as a State of New Jersey employee has provided Commissioner Hayden with extensive experience with public employment, civil service, and union collaboration.

Commissioner Hayden currently resides in Frankford Township and is the Commissioner liaison for 2023 to the following municipalities: Newton, Hampton, Fredon, and Stillwater. In addition to his municipal liaisons, Commissioner Hayden is also the liaison for the following Departments/Committees: Department of Finance and Library Services, SWAC, Sussex County Municipal Utilities Authority, Sussex County Farm and Horse Show, Sussex County Technical School, Sussex County Planning Board, and the Musconetcong River. Commissioner Hayden is a vocal advocate for the County employees and as a conservative Republican is an even stronger voice for the taxpayers of Sussex County.

In his free time, Commissioner Hayden races BMX and has earned numerous titles participating in the sport. Commissioner Hayden is also a horse enthusiast.

Jack DeGroot

(R) Wantage Township

MEMBER

Term: January 1, 2024 – December 31, 2026

Commissioner Jack DeGroot secured his seat on the Board of County Commissioners on November 7, 2023. Raised on his family's dairy farm in Wantage, Jack fostered a deep appreciation for agriculture and the rural heritage of Sussex County. His commitment to this appreciation is demonstrated through his decade-long involvement with Sussex County 4-H and hands-on work on his family's farm.

In 2017, Jack graduated from High Point Regional High School, leaving a mark as a 1,000-point scorer on the basketball court- the first in over a decade. Continuing his academic and athletic journey, he earned a Bachelor of Science degree in Mathematics and Finance from Marywood University in 2021. Furthering his commitment to education, Jack served as a full-time teaching assistant at the University of New Hampshire and also as an instructor during the 2022 Summer Semester. Jack graduated with a Master's Degree in Statistics in September 2023 from the University of New Hampshire.

Before stepping into an elected office, Jack gained valuable experience working for the Office of New Hampshire Governor Christopher T. Sununu. In this role, he conducted policy research, analyzed pending legislation, and performed statistical and data analysis for state program departments. Equipped with this experience and drawing insights into budget strategies from one of the nation's most financially responsible governors, Jack is ready to serve Sussex County.

County Government Information

~WHAT IS A COMMISSIONER? ~

A Commissioner is the elected county government representative in New Jersey who serves on the county's main governing body, the Board of County Commissioners.

The Sussex County Board of County Commissioners sets policy for five County departments and 13 divisions, plus a number of boards, commissions, authorities and committees. The Commissioners appoint a County Administrator to supervise the actual day-to-day operation of county government.

~COUNTY GOVERNMENT IN NEW JERSEY~

The basic law establishing the Commissioner (previously termed "Chosen Freeholder" in New Jersey until the year 2020) form of county government in New Jersey was enacted in 1798. In the beginning, each corporate municipality was represented by a Freeholder on the county governing board. But as the number of municipalities increased to the point where some Boards were bogged down by sheer weight of numbers, the law was changed. In 1912 the "Small Board" Act was adopted, permitting counties to elect Freeholders from the county at large. The exact number of Freeholders making up each county Board was to be determined by the respective county's population. The law was permissive, and subject to approval by the voters at a referendum.

In 2020, New Jersey Governor Phil Murphy signed legislation which requires the title of "Chosen Freeholder" to be changed to "County Commissioner" and all "Boards of Chosen Freeholders" to be known as "Boards of County Commissioners" within one year of the bill's effective date, January 1, 2021.

County Government Information

Sussex County has five Commissioners. A county may have between three and nine, depending on its population and classification.

The Commissioners are elected at-large to serve three-year staggered terms. The five Commissioners elect a Director and Deputy Director from among themselves to run their meetings and to serve as spokesperson for the Board

✧ SUSSEX COUNTY FLAG ✧

The flag, with its background of vibrant yellow, represents the sun or a harvest moon as it spreads its light over the mountains, hills and valleys.

The gentle blue is the reflection of the tonality of the sky upon our beautiful crystal lakes while the stars remind us of our high ideals.

The gently waving wheat gives living evidence of the fertility of thought, words and deeds. This is Sussex County.

✧ SUSSEX COUNTY SEAL ✧

The Sussex County Seal is a gold seal with a solid green circle encased within a dark blue circle. Within the green circle are five gold sheaves of wheat held in place by a burgundy ribbon decorated with three gold stars.

The date 1753 appears below the ribbon to remind us of our forefathers' perseverance to establish Sussex County as an independent entity to govern, protect, and enhance the lives of its residents.

✧ AN INVITATION TO SUSSEX COUNTY ✧

Sussex County, located in the northwest corner of New Jersey, is well-known as a four-season recreational community. With its mountains and more than 80 lakes and streams, thousands of visitors are attracted here each year to enjoy camping, hiking, picking apples in the fall, swimming, boating and fishing, as well as, skiing on our popular slopes for wintertime fun. State parks located within its boundaries also offer campers and other devotees of outdoor life, opportunities for year-round recreational fun.

Approximately 40 miles of the Appalachian Trail traverses through the northern section of Sussex County. The western section of the County is located in the Appalachian Zone, known here as the Kittatinny Valley and Mountains, where a great variety of mineral deposits have been discovered. Comprised mainly of granite and gneiss, the eastern third of the County is almost entirely in the Highlands, and forms part of the oldest geological strata in North America.

Rich in folklore and wealthy in history, Sussex County is one of the last of the 21 counties in New Jersey to retain its rural characteristics. Visitors to Sussex County can take a step back in time and view 100-year-old homes and one-room schoolhouses preserved to perfection, or spend a day browsing in the many antique shops located throughout the region.

Whether you enjoy science, history or the beautiful natural resources so plentiful to our region, spending a day or a week with us, Sussex County has something to offer to satisfy everyone's recreational and educational interests.

Come visit us soon, and see what you've been missing!
