

▶ affected by both mental health problems and drug and/or alcohol abuse.

Everyone... family members, friends, neighbors, health care professionals, law enforcement and employers are

**making the connection:**

- between mental health and substance abuse
- between what it costs and the impact on our lives
- between knowledge and action in our community

**Making the connection**  
**Michael Giantini, Ph.D.**  
**& Community Panel**

Join us for a discussion:  
Thursday, June 14, 2007  
6:30-9:00 pm  
Sussex County Community  
College Theatre

*Free.....Food*
