The Board of Chosen Freeholders of the County of Sussex has reviewed the Consent Agenda consisting of various proposed Resolutions and determined that adoption of the said Resolutions is in and will further the public interest.

MOTION made by Freeholder Zellman to adopt Resolutions 8. A. – 8. B., and 8. D. – 8. K., and to table Resolution 8. C., on the Financial Consent Agenda, seconded by Freeholder Crabb.

Resolution 8. C.

Freeholder Zellman said that she wanted to read an email that she received today from Cliff Sobel, Deputy Executive Director, North Jersey Transportation Planning Authority, regarding the JARC grant; she read the email into the record.

“The Sussex County JARC grant for SFY 2011 (referred to as round 10) consists of \$60,000.00 in FTA JARC funds that require a 50 percent match of \$60,000.00. The match can include any non-federal source including county or state funding. The use of state funding for the match can take the form of a portion of either (1) the county’s allocation of Temporary assistance for Needy Families (TANF) funding administered through NJ Department Human Services, or (2) through a portion of the county’s allocation of Casino Revenue for specialized transportation. The use of county matching funds can take the form of cash or in-kind services. Please let me know if you have any questions. Cliff.”

Freeholder Zellman said that she felt the next step was to see whether the TANF funding and the SCDRTAP funding could be used as a match, in which case the County would not have to expend any funding whatsoever; she said that at this point, she did not know how much could be anticipated from SCDRTAP because of the recent legislation which said that this was the Casino Revenue Funding that is basically for senior transportation; there was not a portion of SCDRTAP that was going to be dedicated, however, legislation was just passed that 8% of it would be dedicated; Freeholder Zellman noted that Casino Revenue was decreasing, so it was not known how much this would be at this point, and she was not sure how much TANF funding the County would receive, but the TANF funding may be sufficient to cover the match.

There was a brief discussion.

Additional Resolution for the Board’s consideration

Mr. Eskilson said that there was an additional Resolution for the Board’s consideration regarding moving forward with a purchase from CenturyLink for the Wheatsworth Road facility; he clarified that the amount is actually an annualized amount and about one half of that is for T-1 lines for the Wheatsworth facility to tie technology into that facility; Mr. Eskilson explained that the reason the Resolution was being brought up was because there is a 120 day lead time from the signing of the contract with CenturyLink to the system being activated, which is on or about the County’s occupancy schedule; the T-1’s are necessary for the phones and technology to be up and running.

County Clerk's Office

Freeholder Parrott said that he attended the recent New Jersey Association of Counties (NJAC) Meeting; he stated that he felt it was very productive to be at the meeting; Freeholder Parrott said that he brought back copies of the NJAC Bylaws and the Annual Review for everyone; he noted the following:

- Every County was represented at that meeting;
- The salary and the compensation for Celeste Carpiano, Executive Director, was granted by NJAC and not made by Ms. Carpiano; the contract was made in 2006 for a five year period, expiring in December, 2010, at which time Ms. Carpiano is retiring; there will be a review of the Bylaws so this type of thing does not happen again;
- The NJAC Executive Board will be working on reforms that will include the review of all sections of the Bylaws, especially regarding employee compensation, along with the following:
 - Organization finance policy;
 - more frequent communication between the Executive Board and NJAC staff;
 - mandating all changes in salary and benefits requests be Board approved;
 - completion of an already approved audit;

- pension reform will be undertaken;
- NJAC budget is approximately \$920,000.00, with \$200,000.00 being dues; the rest is lobbied money.

Freeholder Parrott said that he wanted to be sure that everything was done in writing; he said that between Mr. Eskilson, Freeholder Zellman, and himself, Sussex County should be able to have representation at all of the meetings.

Freeholder Parrott said that the question was previously raised as to whether it was worth the County spending \$500.00 a month to have a seat at the table; he said that he did believe there were changes that needed to be made, but that the changes were ongoing and were happening; Freeholder Parrott said that he felt NJAC was a vital organization providing Sussex County was at the table and it would be productive for Sussex County to remain with NJAC as long as the resignations and other changes happened.

Freeholder Zeoli stated that he absolutely felt that NJAC had to get out of the pension system; this is critical as we are doing pension reform; he said that he was pleased to hear Freeholder Parrott report that Freeholder Palmer said that they support pension reform.
