All law enforcement departments and agencies, under the jurisdiction of the Sussex County Prosecutor, and required to report to the County Prosecutor, are in compliance with Directives No. 2018-2 and 2018-3. Please note, however, that many Townships and Boroughs in Sussex County are patrolled by the New Jersey State Police. As you know, the New Jersey State Police reports directly to the Attorney General and, therefore are not included in this report.

Sincerely,

Sussex County Prosecutor's Office.
