NEEDS AND OBJECTIVES OF PROJECTS

Assessment of Need(s) - List the need(s) which illustrate the reason for the project.

Sussex County's low-income seniors' nutritional health is compromised due to the fact they cannot afford to purchase fresh fruits and vegetables on a regular basis. The rural nature of Sussex County makes outreach critical to identifying low-income seniors and the subsequent distribution of the Farmers' Market vouchers to those who are eligible. The mini-grant will be used to enhance our outreach and marketing in efforts to address the needs of all who qualify for the program.

NEEDS AND OBJECTIVES OF PROJECTS

Objective(s) of Project - List what will be done to alleviate need(s) described above.

1.) Market the program through media releases and presentations to seniors clubs, senior centers, nutrition sites, senior housing sites and various events sponsored by the Division of Senior Services. Place posters at soup kitchens and food banks. Request that information be included in Church bulletins and community newsletters. Distribute information at various community and town events where the Division of Senior Services will be present.

2.) Schedule hours for distribution at strategic locations including senior centers, nutrition sites, seniors clubs, libraries, churches, soup kitchens, etc.

3.) Target homebound frail seniors via the meals on wheels and care management programs.

4.) Coordinate farmers to be present at senior housing facilities at least once to increase the redemption rate for the vouchers.

5.) Provide nutritional information in conjunction with the distribution of the Farmers Market Vouchers.

Group represents and warrants that it shall comply with all applicable federal and state laws, rules and regulations, including, but not limited to, HIPAA.

B. Conditions of Participation: Group understands and agrees to be bound by all the conditions and requirements for participation in the Association and the benefits provided through it. Group agrees and understands:

1. 2. Group shall be eligible for coverage under the excess loss insurance policy described in this Agreement, subject to execution of this Agreement by both Benecard and Group.

3. Group has reviewed a copy of the benefits listed in the schedules attached to this Agreement and agrees to pay the Program Charges, which includes charges for excess loss insurance, required for the benefits it elects when they become due.

4. If appropriate, evidence of eligibility of Members must be provided by Group. Information required as evidence of eligibility of Members may include but shall not necessarily be limited to access to or written disclosure of Group's health benefits policy describing Members' eligibility requirements.

5. A Member's benefits are defined by the Plan Specifications as agreed to by the parties, a summary of which will be furnished to Cardholders and which, together with the Claim Processor's standard adjudication rules, will constitute the agreement under which Prescription Drug benefits become payable.

C. Plan Specifications: Group represents and warrants that the Plan Specifications annexed hereto and made a part hereof are true, accurate and complete descriptions of the Prescription Drug benefits in effect for Group's Members. Should a discrepancy arise between any plan information provided or omitted for the rating or development of the Program Charges of this Agreement and the required administration of Group's prescription plan, or should the Group require the addition of any benefits or administrative processes which differ from or are in addition to the written plan information, Benecard reserves the right to adjust the Program Charges accordingly. Group acknowledges that at all times during the rating or re-rating process it shall provide Benecard with all available information necessary for the development of Program Charges.

Group shall retain its discretionary authority to manage and control its Plan and may, at any time, alter or amend such Plan Specifications; provided, however, that Group notifies Benecard in writing of all such proposed changes not less than ninety (90) days prior to the anticipated effective date of such changes. In addition, Group authorizes Benecard to submit to the Insurance Carrier the amended Plan Specifications for approval and acknowledges that any such changes may affect Group's insurance coverage and the Program Charges paid by Group. If Group modifies such Plan Specifications in a manner that materially affects Benecard's duties, obligations or cost of performance, or the insurance coverage described under this Agreement, then at the request of Benecard, the parties will work toward mutually acceptable modification of this Agreement or any renewal hereof during said ninety (90) days.

D. Benefits: Except as set out in Section F.4. of this Article II, Group represents and warrants that the Prescription Drug benefits described in this Agreement are provided uniformly to all eligible Cardholders and Dependents on a non-voluntary, contributory basis within the requirements of the public employee benefit laws of New Jersey. Group further represents and warrants that the administration and coverage of the expense for all Prescription Drug benefits provided by the Group is provided exclusively through this Agreement. Group shall notify Benecard in writing if any Prescription Drug benefits become available contemporaneously through other benefit providers or if opt out, re-entry, waiver or other such provisions become available to Members.

described in this Agreement, payment for which is included in Program Charges. Group acknowledges that the Insurance Carrier requires certain claim, renewal and underwriting information for claim payments, renewal, and underwriting purposes. Group further acknowledges that such information includes, but is not limited to, Members' Protected Health Information (PHI). Group, on behalf of itself and its Plan, authorizes Benecard to submit such information from time-to-time to the Insurance Carrier. All distribution and use of PHI will be in compliance with laws and regulations protecting the privacy of PHI.

F. Eligibility Information:

1. Group will accept all qualifying enrollment and written elections for coverage under the Group's Plan using the same enrollment and entitlement rules as are in the Group's medical plan and will provide Benecard eligibility information in accordance with Exhibit B as set forth below:

(a) Each listing shall identify each individual eligible for Prescription Drug benefits under Group's Plan, and with respect to whom Group desires such benefits be administered in accordance with the provisions of this Agreement.

(b) Such information shall include, but not be limited to, the eligibility date, full name, date of birth, gender, social security number or other identification number in a format acceptable to Benecard, and address for each Cardholder, and identification of each Cardholder who is a Retiree, COBRA participant or Overage Dependent and the name, date of birth and dependent status for each Dependent.

(c) Group will provide Benecard regular updates of subsequent changes in enrollment, including but not limited to, changes in eligibility status, additions and deletions of Cardholders and Dependents, and termination of benefits, along with the effective date of any such changes, if such changes occur after the effective date of this Agreement, and such other information as may be agreed upon by the parties.

(d) Group may be permitted to enter the eligibility information set forth in this section directly into the Benecard eligibility system if Group meets Benecard's system requirements and obtains Benecard's approval. Group shall be responsible for the accuracy of eligibility information.

(e) Benecard shall have the right to audit Group's employment, payroll and other records to verify the total number of eligible Cardholders and Dependents, upon request.

2. To the extent and in the manner required by law, Group shall notify Cardholders of the right of individuals to continue coverage as Overage Dependents.

3. Group shall notify Benecard in writing and within two (2) business days of any Cardholder enrollment change such as adding a new enrollee, modification to existing coverage, termination or retirement. Termination will be effective on the date specified by the Group. Cardmember and dependent eligibility may be added, modified or terminated up to 60 days retroactively, however a retroactive added, modified or termination will not be made prior to the date of the last claim processed or prior to the beginning of the then-current contract term. Terminated Cardholders and/or Dependents electing coverage under COBRA may continue coverage under

the Plan. Benecard does not administer eligibility, directly or indirectly, from COBRA participants or third party administrators.

4. Coverage for a Dependent or Overage Dependent begins as set out on Exhibit A and ends when the Cardholder's coverage ends, or on the last day of the benefit month in which the individual fails to meet the definition of a Dependent or Overage Dependent. Benecard shall have the right to modify the Program Charges should retiree coverage be added.

5. Coverage for a Retiree begins on the eligibility date communicated to Benecard by Group, and ends on the date Group communicates the termination to Benecard. Eligibility is contingent on the Retiree also being covered under the Group's medical benefit plan. Group represents and warrants that the Prescription Drug benefits for Retirees is provided uniformly to all eligible Retirees and Dependents on a non-voluntary, non-contributory basis. Retiree and their Dependent benefits are fully funded by the Group. Once a Retiree opts out of coverage the Retiree and Dependents cannot be reinstated. Coverage for all Members ends on the last day of the month in which this Agreement terminates.

G. Protected Health Information:

1. Group represents and warrants that it is a Covered Entity bound by the Health Insurance Portability and Accountability Act of 1996 and the final rules and regulations related to the use and disclosure of Members' Protected Health Information under 45 CFR Parts 160 and 164 and the final rules and regulations establishing security standards for the protection of electronic protected health information under 45 CFR Parts 160, 162 and 164. The parties will be bound by the HIPAA Business Associate Agreement set out in Exhibit B hereof.

2. Group further represents and warrants that it has or shall obtain Members' consents and authorizations if required for the services provided in connection with this Agreement.

H. Cardholder Materials: Benecard will provide an Identification Card and a standard descriptive brochure or web based access to such information to each Cardholder. Benecard also will make available to Group a supply of Direct Reimbursement Claim forms to be used by Members who have not received or have lost their Identification Cards, or who elect to obtain a Prescription Drug from a Non- Participating Pharmacy if permitted by the Plan. All charges associated with Benecard's production and distribution of such items are included in the monthly Program Charges.

I. Purchase of Prescription Drugs: Members may purchase covered Prescription Drugs from Participating Pharmacies in the Benecard network used by the Group and the Benecard Mail Order Pharmacy and Benecard Specialty Pharmacy, in accordance with the provisions of this Agreement. Members also may purchase covered Prescription Drugs from Non-Participating Pharmacies in accordance with the provisions of this Agreement, including Article III.E.2.

J. Provider Directory: Benecard will provide Group access to a current list of Participating Pharmacies in the Benecard network available to the Group.

K. Other Services: Group agrees that consistent with the HIPAA Privacy Rule, Benecard may contact Members to provide refill reminders or information about treatment alternatives, including, but not limited to Generic Drugs, or other health-related benefits and services that may be of interest to such Members. In connection with these services, Benecard also may provide Participating Providers and physicians information messaging and communications about such alternatives and services.

Benecard may perform coordination of benefits type services on behalf of Group, using coordination of benefits information provided by Group. Group further agrees that Benecard may submit de-identified health information to pharmaceutical manufacturers in exchange for discounts, fees, rebates and reimbursements.

L. Reports: Benecard will provide Group with a standard performance report for clients on an annual basis, and ad hoc reports as mutually agreed to between Benecard and the Group. Except as explicitly noted in any performance report, the terms used in the standard performance report will have the meanings set forth in this Agreement.

M. Group's Representatives: Group represents and warrants that any contracted administrator, broker or other person identified by Group to Benecard is and shall be Group's agent and representative on any and all matters in connection with this Agreement, including, but not limited to: (1) additions, deletions and modifications of eligibility listings provided to Benecard; (2) payment to Benecard of Program Charges; (3) plan design and coverage decisions; and (4) the provision and receipt of contractually required or permitted notices. Group acknowledges and agrees that Benecard shall be entitled to rely upon any and all such acts and omissions by any such contracted administrator, broker or other person and, further, that any and all such acts and omissions shall be binding upon Group. Group acknowledges that any broker-of-record retained by Group may receive a fee, included in Program Charges, in connection with administrative and consultative services provided by broker to Group.

N. Clinical Management Services: Benecard's clinical management programs are a standard function of the prescription benefit administrative services provided and designed to positively impact quality of care, proper drug utilization, reduce unnecessary costs and waste. Our Claim Processor effectively communicates to Participating Providers transmitting Claims, both Clinical Review and advisory messages including but not limited to, identifying potentially harmful drug conflicts, duplicate therapy, excessive utilization, inappropriate or non-FDA approved usage and the frequency with which a Prescription Drug is dispensed. Benecard's standard clinical management programs include:

1. Drug Utilization Review: Benecard will review both concurrently and retrospectively Claims for potential fraud, waste, abuse, and clinical appropriateness. Claims are reviewed daily from the previous day to ensure such Claims are being prescribed based on clinically appropriate and FDA approved guidelines, including but not limited to, duplicate therapy, refill too soon, gender appropriate, age appropriate, cost and quantities. Fraud, waste and abuse Claims are also reviewed retrospectively each calendar quarter, reported and tracked until resolution of the case is completed and when applicable, notified to the Group.

2. Drug Quantity Management Program: Prescription Drugs may have a high risk of side effects when taken above the FDA recommended guidelines. To ensure safe and appropriate use of such Prescription Drugs, if a Member is prescribed quantities above the FDA recommended guidelines, a Clinical Review will be

communicated to the Participating Provider transmitting the Claim, requiring the prescribing physician to provide formal response explaining the medical justification(s) for quantities above the FDA recommended guidelines. The decision to prescribe and dispense any Prescription Drug shall be made solely by the prescribing physician or health care provider and the Participating Provider, respectively, and payment shall be subject to the Plan Specifications and the Clinical Review process set forth in this Agreement.

3. Clinical Review: Benecard will confirm with the prescribing physician and other health care providers whether certain Prescription Drugs are being prescribed for medical conditions consistent with FDA-approved indications and labeling. In providing any or all such services, Benecard may rely upon information provided by the Member or such person's representative, the prescribing physician or health care provider, the dispensing pharmacist and other sources deemed reliable by Benecard. Benecard shall not determine medical necessity or appropriateness of treatment. In determining if a prescription claim is payable, Benecard may rely upon protocols established and maintained by commonly recognized medical sources or compendia or an advisory Pharmacy and Therapeutics Committee based upon factors such as safety, availability, potential for misuse and cost in its review of claims submitted for payment of such Prescription Drugs. Group acknowledges that Benecard may suspend processing of claims for Prescription Drugs subject to Clinical Review procedures in the event the prescribing physician or health care provider fails to provide missing information necessary for the processing of such claims in compliance with such protocols. The decisions to prescribe and dispense any drug shall remain within the professional judgment of the physician or health care provider and the pharmacist, respectively.

4. Dose Optimization Program: Encourages safe and appropriate use of once-per-day medications. Prescriptions are reviewed for multiple daily drug doses of a lower strength medication where a higher strength, once daily dose is equally effective. Dose optimization limits are applied to the number of pills per day for certain medications, where the use of multiple pills to achieve a daily dose is not supported by medical necessity.

5. Member High Utilization Management Program: Pharmacy claims (along with supporting medical data) are evaluated on a periodic basis to identify, document and correct order cases of excessive or abusive utilization.

6. Specialty Drug Utilization Management Program: Due to high cost, drug perishability and varying degrees of patient tolerance and side effects associated with the metabolizing of such drugs the dispensing of such medications may be subject to special quantity limitations or limited to distribution by certain Specialty Drug providers or Benecard Specialty Pharmacy. These quantity dispensing limitations or network distribution limitations are not subject to general plan limitations.

7. Clinical Cost Management Patient Education Mailings: Members receive quarterly educational mailings based on their specific and historical drug utilization identifying their potential annual out of pocket costs savings should their physician determine it is appropriate to use one of the recommended therapeutically equivalent lower cost drug alternatives. These mailings are designed to be educational and a Member is not required to use any of the recommended drug alternatives.

ARTICLE III – COMPENSATION; CLAIM PROCESSING; AND PAYMENT

A. Compensation: Group acknowledges that it has had an opportunity to review Benecard's qualifications and services in relation to the marketplace and Group's drug expenditures and has determined the reasonableness of Benecard's compensation in connection with the services provided under this Agreement. Group further acknowledges and agrees that Benecard and third parties contracted to Benecard may retain interest earnings not in excess of market rates pending clearance of electronic transfers and checks, as well as available manufacturer discounts, fees, rebates and reimbursements, in connection with the payment and processing of Prescription Drug claims under this Agreement.

B. Program Charges:

1. Group shall have the sole and exclusive right of ownership in its excess loss insurance coverage and agrees that neither the Plan nor the Members shall have any right or claim against, or beneficial interest in, such insurance coverage or the Program Charges received by Benecard. The Trustee of the Benecard Association Trust will be the policyholder of all such insurance policies associated with this Agreement. Group agrees to pay Benecard for services rendered hereunder, the following Program Charges:

For the period May 1, 2018 to April 30, 2019

	Single	Parent/Child	Parent/Children	Member/Spouse	Family
All subgroups	\$388.59	\$640.62	\$640.62	\$854.42	\$931.80

These charges will not be changed during the contract period except as provided in this Agreement. Notwithstanding the foregoing, if permitted by state or federal law, Benecard may accept from each Overage Dependent or COBRA recipient the maximum amount allowed by state or federal law. Group agrees that not less than fifty-one (51) Cardholders will participate under this Agreement at all times.

2. Benecard shall have the right to modify the Program Charges upon not less than thirty (30) days written notice in the event that any of the following occurs: (1) Group's eligible cardholder population fluctuates by more than 5% from the date the initial or renewal proposal was provided to Group or by more than 10% for any identified subgroup of covered employees; (2) As of the date an affiliated entity ceases to be part of the Group; or (3) Upon the occurrence of any of the following: (a) an amendment to this Agreement; (b) any tax or assessment not included in the underwriting of Program Charges is levied upon Benecard or the Insurance Carrier, the Plan, Program Charges and Claim Payments, or any other

criteria by any federal, state or other taxing authority; (c) any provision of law or any government program or regulation including but not limited to the Patient Protection and Affordable Care Act, regulations or government authority directives; (d) a change in another of the Group's health benefit policies or plans to the extent that the change supplements or coordinates with this program and that such change modifies Group's excess loss insurance coverage or Benecard's cost of performance or obligations in connection with this program; or (e) a change in section N of Article II. In the event that the portion of monthly Program Charges attributable to Claim Payments, plus the cost of excess loss insurance, administrative and professional fees, credits, costs and expenses, is below the insurance attachment point for any contract year, then this unrealized value shall be credited to Group within one hundred twenty (120) days of the close of such year, provided that Group renews this Agreement for an additional year at rates to be set pursuant to Article IV, paragraph B.

C. Group Payment: Monthly Program Charges will be based upon the total number of Cardholders in each Census Category under this Agreement during any given month or for any portion of a month. The number of Cardholders in each stated Census Category will be multiplied by the corresponding Program Charge to compute monthly Program Charges billed. Group will promptly notify Benecard in accordance with Article II.F. hereof of all deletions from and additions to eligibility. Benecard does not collect Program Charges, directly or indirectly, from COBRA participants, Retirees or third party administrators. Each monthly invoice shall be based on census data available at the time of the request and shall be adjusted in subsequent months to agree with actual eligible enrolled cardholders totals for that month. On or about the twenty-fifth (25th) day of each month, Benecard shall submit to Group a request for payment of the Program Charges for the upcoming month. Payment by ACH debit/via wire transfer is due from Group on the first day of the month to provide for prompt payment of Participating Providers and Cardholders. Payments unpaid after the end of the grace period, which is the 30-day period after the payment due date, are subject to late payment interest charge. The percentage interest charge will be one and one-half percent per month, but not more than allowed by law. For as long as Benecard continues to provide services under this Agreement, Group shall be responsible for paying all Program Charges through the end of such period and the remainder of the Agreement. If Group fails to make full and complete payment within the grace period, Benecard may in its discretion, upon written notice to Group, suspend performance under this Agreement, including, but not limited to the processing and payment of claims as of the end of the period for which Program Charges were paid. Benecard shall have the right to continue the suspension of such performance until all outstanding Program Charges and late charges have been paid, or this Agreement is terminated according to the terms herein.

D. Disputed Billings: Group shall notify Benecard and identify disputed billings in writing within thirty (30) days of the billing date. Failure to dispute a billing within that period shall be deemed as the Group's acceptance of the billing. Non-disputed portions of any invoice must be paid as noted herein. Disputed amounts will not be considered delinquent until after such time that Benecard concludes an investigation of the disputed amount and communicates the results in writing to the Group.

E. Claim Processing: Benecard will process all Claims and Direct Reimbursement Claims according to the Plan Specifications and will reimburse Participating Pharmacies, the Benecard Mail Order Pharmacy, Benecard Specialty Pharmacy, and Cardholders for

May 1, 2018

County of Sussex Retirees

valid Claims and Direct Reimbursement Claims from, as applicable, Program Charges and excess loss insurance. Group authorizes Benecard, as applicable, to submit claims to the excess loss Insurance Carrier and to settle claims on behalf of the Group.

1. Where applicable, Benecard will report the status of all pending or denied Claims and appeals of Direct Reimbursement Claims within the time and in the manner required by law, rule or regulation and will refer to Group all non-routine inquiries and disputes related to the processing of such claims. Group authorizes Benecard to notify the Insurance Carrier in writing of any objection, notice of legal action or complaint regarding a Claim or Direct Reimbursement Claim subject to excess loss insurance coverage.

2. Direct Reimbursement Claims will be accepted for processing if submitted no later than twelve (12) months following the date the Prescription Drug is dispensed. Upon receipt of a Direct Reimbursement Claim form properly completed by the Cardholder, Benecard shall inspect such claim and based on eligibility and Plan Specifications at the time the prescription was filled, determine whether such claim is approved for payment. Benecard or the Claim Processor shall compute the amount payable, if any, and shall make payment to the Cardholder in an amount no more than the amount that would have been paid for the prescription had it been a claim for a prescription processed through a Participating Pharmacy pursuant to the Group's Plan Specifications.

F. Collection Costs: Group shall be responsible for all out-of-pocket expenses of collection and enforcement of judgments, including, but not limited to, attorneys' fees and costs, incurred by Benecard in connection with amounts due and owing under this Agreement. The rights and remedies set forth in this paragraph are in addition to other rights and remedies available to Benecard under law or in equity.

ARTICLE IV – TERM; RENEWAL; NON-RENEWAL; TERMINATION; AND REMEDIES

A. Term: This Agreement is for twelve (12) months, which shall become effective May 1, 2018 and shall continue in full force and effect through April 30, 2019. The anniversary date for this Agreement is May 1, 2019. Group agrees that Benecard shall be the exclusive manager of its prescription drug benefits plan during the term of this Agreement and that it will not contract with any other vendor for similar services to begin before the expiration of this Agreement.

B. Renewal: Benecard shall submit to Group renewal terms to this Agreement at least sixty days (60) prior to the anniversary date. Group shall provide Benecard written notice as to whether or not Group accepts such renewal terms at least thirty days (30) prior to the end of the term. Should Group fail to provide the notice at least thirty (30) days prior to the end of the term, this Agreement will automatically renew under the proposed renewal terms. Provided that Group provides proper notice of non-renewal, Group will not be responsible for Program Charges incurred after the anniversary date. Non-renewal of this Agreement shall not affect the continuing obligation of either party with respect to claims incurred for Prescription Drugs dispensed to Members while this Agreement is in force.

Notwithstanding the foregoing, Benecard may change the previously provided and/or accepted renewal Program Charges at any point prior to the Group's actual anniversary policy start date if Benecard becomes aware of a previously unknown factor (including but

not limited to a newly approved drug) that would have a significant, material impact on the risk-expected experience or expenses associated with a renewal.

C. Termination: In no event will this Agreement be terminable “without cause” prior to the expiration of the agreed upon term.

In the event of breach (e.g., non-payment of Program Charges) or default, the non-breaching party shall give the other party written notice of a material, substantial and continuing breach of this Agreement. If the breaching party does not cure the said breach within thirty days from the date such notice is sent, this Agreement may be terminated at the option of the non-breaching party. If the amount of time commercially reasonable for the breach to be cured is longer than thirty (30) days, this Agreement may not be terminated by the non-breaching party pursuant to this provision until such commercially reasonable period of time has elapsed, provided however, that in no event shall such period exceed sixty (60) days.

D. Effect of Termination; Survival: Termination of this Agreement shall not affect the continuing obligation of either party incurred while this Agreement is in effect. Group’s excess loss insurance coverage with the Insurance Carrier shall terminate automatically upon termination of this Agreement. Article II.B.1; III.B.2(3)(b); Article V; Article VI; Article VIII; and Sections A., G., H., J. of Article IX and Exhibit B shall survive the termination of this Agreement.

E. Other Remedies: A party’s right to terminate this Agreement shall not be exclusive of any other remedies available to the terminating party under this Agreement, at law or in equity.

F. Remedies for Early Termination: The parties agree that should Group terminate this Agreement in violation of this Article IV, because of the difficulty in determining the amount of harm to Benecard in the event of such a breach, Benecard shall be entitled to recover an amount equal to the most recent one month of Program Charges billed by Benecard under this Agreement as liquidated damages and not as a penalty. All amounts payable under this provision shall become immediately due and payable by Group upon notice from Benecard. Failure by the Group to pay all amounts due immediately under this provision may result in immediate suspension of all benefits and services until full payment is received. The parties further agree that the existence of this remedy will not preclude Benecard from seeking or receiving injunctive or other legal relief and that this Section does not give Group termination rights beyond those specified in this Agreement.

ARTICLE V - NON-LIABILITY

Benecard shall under no circumstances be liable for any negligence, wrongful act, error or omission of any health care provider, other person, practitioner, pharmacist, pharmacy, physician, manufacturer or distributor of pharmaceuticals, including but not limited to the Benecard Mail Order Pharmacy or any specialty pharmacies, or their employees providing goods or services pursuant thereto, nor shall Benecard assume any responsibility in any manner for any claim, loss or damage sustained by any person as a result of the providing or the failure to provide pharmaceutical services or goods pursuant to the terms of this Agreement. EACH PARTY’S LIABILITY TO THE OTHER HEREUNDER SHALL IN NO EVENT EXCEED THE ACTUAL PROXIMATE LOSSES OR DAMAGES CAUSED BY

May 1, 2018

County of Sussex Retirees

BREACH OF THIS AGREEMENT. IN NO EVENT SHALL EITHER PARTY OR ANY OF THEIR RESPECTIVE AFFILIATES, DIRECTORS, EMPLOYEES OR AGENTS, BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES, OR ANY DAMAGES FOR LOST PROFITS RELATING TO A RELATIONSHIP WITH A THIRD PARTY, HOWEVER CAUSED OR ARISING, WHETHER OR NOT THEY HAVE BEEN INFORMED OF THE POSSIBILITY OF THEIR OCCURRENCE.

ARTICLE VI – INDEMNIFICATION

Subject to Article V above and in consideration of Group's covenants, representations and warranties in this Agreement, Benecard agrees to indemnify, defend and hold Group harmless from any and all actions, claims and expenses (including attorneys' fees and costs) arising from a material breach by Benecard of its covenants, representations and warranties in this Agreement. In consideration of Benecard's covenants, representations and warranties in this Agreement, Group agrees to indemnify, save, defend and hold Benecard harmless from any and all actions, claims and expenses (including attorneys' fees and costs) arising from (1) a material breach by Group of its covenants, representations and warranties in this Agreement; (2) Group's Plan design; or (3) coverage decisions by Group or its Plan.

ARTICLE VII - RECORDS AND OWNERSHIP

Benecard agrees to maintain and keep true and correct books and records of Group's Program Charges on a format acceptable to Benecard and for a period of not less than seven (7) years from the date payment is made, or such longer period as required by Law, whichever is greater. All other books, records, claim forms, programs and other such information pertaining to the services provided by Benecard remain the property of Benecard.

ARTICLE VIII – USE OF RECORDS; CONFIDENTIALITY

A. Protected Health Information: Group acknowledges that Protected Health Information will be obtained by Benecard and third parties contracted to Benecard in providing services under this Agreement (e.g., through processing of Prescription Drug claims, through drug management programs and in connection with the excess loss insurance coverage provided by the Insurance Carrier) and such PHI will be obtained from and/or distributed to Group, Participating Pharmacies, the Benecard Mail Order Pharmacy, Benecard Specialty Pharmacy, Members' physicians and the Insurance Carrier for drug utilization review and other purposes related to the Prescription Drug program services provided in connection with this Agreement. Subject to Exhibit B, Group hereby permits Benecard or the Claim Processor to use and disclose such data in performance of its duties and obligations in connection with this Agreement.

B. Other Information: Group grants Benecard permission to use, both during and after the term of this Agreement, and/or transfer to third parties de-identified health information (i.e., information that is not individually identifiable) collected by Benecard or third parties contracted to Benecard or provided by Group for research, profiling and other business purposes. Benecard and such third parties shall retain full ownership rights over all resultant data.

C. Confidential Information: Group and Benecard agree not to disclose the other's proprietary and confidential information, or the confidential information of the Association, Insurance Carrier, or any of Benecard's subcontractors ("Confidential Information") to any third party, during or after the termination of this Agreement, except (1) as specifically contemplated by this Agreement, (2) with the other's prior written consent, (3) as required by local, state or federal law, rule or regulation, including any judicial or administrative interpretation thereof, or (4) to the extent such information becomes generally available to the public, through no action or fault of the receiving party. Such Confidential Information shall include, but not be limited to: with respect to Benecard: the terms and conditions of this Agreement and Group's excess loss insurance coverage, the business operations and strategies of Benecard, its reporting packages, and its clinical services; and with respect to Group: its business operations and strategies. Group and Benecard shall cease using the other's Confidential Information upon termination of this Agreement or a subsequent agreement between the parties and shall return or destroy such information at the disclosing party's written direction. Notwithstanding the foregoing, any computer records containing Confidential Information that cannot be reasonably deleted (including but not necessarily limited to computer records that have been created pursuant to any automatic archiving or back-up procedures) need not be returned or destroyed provided that the recipient shall not disclose, access, or use any such records or files following the date on which the recipient would have otherwise destroyed or returned the Confidential Information. Further, the recipient may retain one (1) copy of the Confidential Information for its files, but only to the extent required to ensure compliance with law and its bona fide corporate governance, insurance, or audit obligations.

ARTICLE IX – MISCELLANEOUS

A. Should a discrepancy arise between any plan information provided or omitted for the rating or development of the Program Charges of this Agreement and the required administration of Group's prescription plan, or should the Group require the addition of any benefits or administrative processes which differ from or are in addition to the written plan information, Benecard reserves the right to adjust the Program Charges accordingly. Group acknowledges that at all times during the rating or re-rating process it shall provide Benecard with all available information necessary for the development of Program Charges.

Group shall retain its discretionary authority to manage and control its Plan and may, at any time, alter or amend such Plan Specifications; provided, however, that Group notifies Benecard in writing of all such proposed changes not less than ninety (90) days prior to the anticipated effective date of such changes. (d) Group may be permitted to enter the eligibility information set forth in this section directly into the Benecard eligibility system if Group meets Benecard's system requirements and obtains Benecard's approval. Group shall be responsible for the accuracy of eligibility

information.

(e) Benecard shall have the right to audit Group's employment, payroll and other records to verify the total number of eligible Cardholders and Dependents, upon request.

2. Group further represents and warrants that it has or shall obtain Members' consents and authorizations if required for the services provided in connection with this Agreement.

H. Cardholder Materials: Benecard will provide an Identification Card and a standard descriptive brochure or web based access to such information to each Cardholder. Benecard also will make available to Group a supply of Direct Reimbursement Claim forms to be used by Members who have not received or have lost their Identification Cards, or who elect to obtain a Prescription Drug from a Non- Participating Pharmacy if permitted by the Plan. All charges associated with Benecard's production and distribution of such items are included in the monthly Program Charges.

I. Purchase of Prescription Drugs: Members may purchase covered Prescription Drugs from Participating Pharmacies in the Benecard network used by the Group and the Benecard Mail Order Pharmacy and Benecard Specialty Pharmacy, in accordance with the provisions of this Agreement. Members also may purchase covered Prescription Drugs from Non-Participating Pharmacies in accordance with the provisions of this Agreement, including Article III.E.2.

J. Provider Directory: Benecard will provide Group access to a current list of Participating Pharmacies in the Benecard network available to the Group.

K. Other Services: Group agrees that consistent with the HIPAA Privacy Rule, Benecard may contact Members to provide refill reminders or information about treatment alternatives, including, but not limited to Generic Drugs, or other health-related benefits and services that may be of interest to such Members. In connection with these services, Benecard also may provide Participating Providers and physicians information messaging and communications about such alternatives and services.

Benecard may perform coordination of benefits type services on behalf of Group, using coordination of benefits information provided by Group. Group further agrees that Benecard may submit de-identified health information to pharmaceutical manufacturers in exchange for discounts, fees, rebates and reimbursements.

L. Reports: Benecard will provide Group with a standard performance report for clients on an annual basis, and ad hoc reports as mutually agreed to between Benecard and the Group. Except as explicitly noted in any performance report, the terms used in the standard performance report will have the meanings set forth in this Agreement.

M. Group's Representatives: Group represents and warrants that any contracted administrator, broker or other person identified by Group to Benecard is and shall be Group's agent and representative on any and all matters in connection with this Agreement, including, but not limited to: (1) additions, deletions and modifications of eligibility listings provided to Benecard; (2) payment to Benecard of Program Charges; (3) plan design and coverage decisions; and (4) the provision and receipt of contractually required or permitted notices. Group acknowledges and agrees that Benecard shall be entitled to rely upon any and all such acts and omissions by any such contracted administrator, broker or other person and, further, that any and all such acts and omissions shall be binding upon Group. Group acknowledges that any broker-of-record retained by Group may receive a fee, included in Program Charges, in connection with administrative and consultative services provided by broker to Group.

N. Clinical Management Services: Benecard's clinical management programs are a standard function of the prescription benefit administrative services provided and designed to positively impact quality of care, proper drug utilization, reduce unnecessary costs and waste. Our Claim Processor effectively communicates to Participating Providers transmitting Claims, both Clinical Review and advisory messages including but not limited to, identifying potentially harmful drug conflicts, duplicate therapy, excessive utilization, inappropriate or non-FDA approved usage and the frequency with which a Prescription Drug is dispensed. Benecard's standard clinical management programs include:

1. Drug Utilization Review: Benecard will review both concurrently and retrospectively Claims for potential fraud, waste, abuse, and clinical appropriateness. Claims are reviewed daily from the previous day to ensure such Claims are being prescribed based on clinically appropriate and FDA approved guidelines, including but not limited to, duplicate therapy, refill too soon, gender appropriate, age appropriate, cost and quantities. Fraud, waste and abuse Claims are also reviewed retrospectively each calendar quarter, reported and tracked until resolution of the case is completed and when applicable, notified to the Group.
2. Drug Quantity Management Program: Prescription Drugs may have a high risk of side effects when taken above the FDA recommended guidelines. To ensure safe and appropriate use of such Prescription Drugs, if a Member is prescribed quantities above the FDA recommended guidelines, a Clinical Review will be communicated to the Participating Provider transmitting the Claim, requiring the prescribing physician to provide formal response explaining the medical justification(s) for quantities above the FDA recommended guidelines. The decision to prescribe and dispense any Prescription Drug shall be made solely by the prescribing

physician or health care provider and the Participating Provider, respectively, and payment shall be subject to the Plan Specifications and the Clinical Review process set forth in this Agreement.

3. Clinical Review: Benecard will confirm with the prescribing physician and other health care providers whether certain Prescription Drugs are being prescribed for medical conditions consistent with FDA-approved indications and labeling. In providing any or all such services, Benecard may rely upon information provided by the Member or such person's representative, the prescribing physician or health care provider, the dispensing pharmacist and other sources deemed reliable by Benecard. Benecard shall not determine medical necessity or appropriateness of treatment. In determining if a prescription claim is payable, Benecard may rely upon protocols established and maintained by commonly recognized medical sources or compendia or an advisory Pharmacy and Therapeutics Committee based upon factors such as safety, availability, potential for misuse and cost in its review of claims submitted for payment of such Prescription Drugs. Group acknowledges that Benecard may suspend processing of claims for Prescription Drugs subject to Clinical Review procedures in the event the prescribing physician or health care provider fails to provide missing information necessary for the processing of such claims in compliance with such protocols. The decisions to prescribe and dispense any drug shall remain within the professional judgment of the physician or health care provider and the pharmacist, respectively.
4. Dose Optimization Program: Encourages safe and appropriate use of once-per-day medications. Prescriptions are reviewed for multiple daily drug doses of a lower strength medication where a higher strength, once daily dose is equally effective. Dose optimization limits are applied to the number of pills per day for certain medications, where the use of multiple pills to achieve a daily dose is not supported by medical necessity.
5. Member High Utilization Management Program: Pharmacy claims (along with supporting medical data) are evaluated on a periodic basis to identify, document and correct or deter cases of excessive or abusive utilization.
6. Specialty Drug Utilization Management Program: Due to high cost, drug perishability and varying degrees of patient tolerance and side effects associated with the metabolizing of such drugs the dispensing of such medications may be subject to special quantity limitations or limited to distribution by certain Specialty Drug providers or Benecard Specialty Pharmacy. These quantity dispensing limitations or network distribution limitations are not subject to general plan limitations.
7. Clinical Cost Management Patient Education Mailings: Members receive quarterly educational mailings based on their specific and historical drug utilization identifying their potential annual out of pocket costs savings should their physician determine it is appropriate to use one of the recommended therapeutically equivalent lower cost drug alternatives. These mailings are designed to be educational and a Member is not required to use any of the recommended drug alternatives.

ARTICLE III – COMPENSATION; CLAIM PROCESSING; AND PAYMENT

A. Compensation: Group acknowledges that it has had an opportunity to review Benecard's qualifications and services in relation to the marketplace and Group's drug expenditures and has determined the reasonableness of Benecard's compensation in connection with the services provided under this Agreement. Group further acknowledges and agrees that Benecard and third parties

contracted to Benecard may retain interest earnings not in excess of market rates pending clearance of electronic transfers and checks, as well as available manufacturer discounts, fees, rebates and reimbursements, in connection with the payment and processing of Prescription Drug claims under this Agreement.

B. Program Charges:

1. Group shall have the sole and exclusive right of ownership in its excess loss insurance coverage and agrees that neither the Plan nor the Members shall have any right or claim against, or beneficial interest in, such insurance coverage or the Program Charges received by Benecard. The Trustee of the Benecard Association Trust will be the policyholder of all such insurance policies associated with this Agreement. Group agrees to pay Benecard for services rendered hereunder, the following Program Charges:

Group agrees that not less than fifty-one (51) Cardholders will participate under this Agreement at all times.

2. Benecard shall have the right to modify the Program Charges upon not less than thirty (30) days written notice in the event that any of the following occurs: (1) Group's eligible cardholder population fluctuates by more than 5% from the date the initial or renewal proposal was provided to Group or by more than 10% for any identified subgroup of covered employees; (2) As of the date an affiliated entity ceases to be part of the Group; or (3) Upon the occurrence of any of the following: (a) an amendment to this Agreement; (b) any tax or assessment not included in the underwriting of Program Charges is levied upon Benecard or the Insurance Carrier, the Plan, Program Charges and Claim Payments, or any other criteria by any federal, state or other taxing authority; (c) any provision of law or any government program or regulation including but not limited to the Patient Protection and Affordable Care Act, regulations or government authority directives; (d) a change in another of the Group's health benefit policies or plans to the extent that the change supplements or coordinates with this program and that such change modifies Group's excess loss insurance coverage or Benecard's cost of performance or obligations in connection with this program; or (e) a change in section N of Article II. In the event that the portion of monthly Program Charges attributable to Claim Payments, plus the cost of excess loss insurance, administrative and professional fees, credits, costs and expenses, is below the insurance attachment point for any contract year, then this unrealized value shall be credited to Group within one hundred twenty (120) days of the close of such year, provided that Group renews this Agreement for an additional year at rates to be set pursuant to Article IV, paragraph B.

C. Group Payment: Monthly Program Charges will be based upon the total number of Cardholders in each Census Category under this Agreement during any given month or for any portion of a month. The number of Cardholders in each stated Census Category will be multiplied by the corresponding

Program Charge to compute monthly Program Charges billed. Group will promptly notify Benecard in accordance with Article II.F. hereof of all deletions from and additions to eligibility. Benecard does not collect Program Charges, directly or indirectly, from COBRA participants or third party administrators.

Each monthly invoice shall be based on census data available at the time of the request and shall be adjusted in subsequent months to agree with actual eligible enrolled cardholders totals for that month. On or about the twenty-fifth (25th) day of each month, Benecard shall submit to Group a request for payment of the Program Charges for the upcoming month. Payment by ACH debit/via wire transfer is due from Group on the first day of the month to provide for prompt payment of Participating Providers and Cardholders. Payments unpaid after the end of the grace period, which is the 30-day period after the payment due date, are subject to late payment interest charge. The percentage interest charge will be one and one-half percent per month, but not more than allowed by law. For as long as Benecard continues to provide services under this Agreement, Group shall be responsible for paying all Program Charges through the end of such period and the remainder of the Agreement. If Group fails to make full and complete payment within the grace period, Benecard may in its discretion, upon written notice to Group, suspend performance under this Agreement, including, but not limited to the processing and payment of claims as of the end of the period for which Program Charges were paid. Benecard shall have the right to continue the suspension of such performance until all outstanding Program Charges and late charges have been paid, or this Agreement is terminated according to the terms herein.

D. Disputed Billings: Group shall notify Benecard and identify disputed billings in writing within thirty (30) Days of the billing date. Failure to dispute a billing within that period shall be deemed as the Group's acceptance of the billing. Non-disputed portions of any invoice must be paid as noted herein. Disputed amounts will not be considered delinquent until after such time that Benecard concludes an investigation of the disputed amount and communicates the results in writing to the Group.

E. Claim Processing: Benecard will process all Claims and Direct Reimbursement Claims according to the Plan Specifications and will reimburse Participating Pharmacies, the Benecard Mail Order Pharmacy, Benecard Specialty Pharmacy, and Cardholders for valid Claims and Direct Reimbursement Claims from, as applicable, Program Charges and excess loss insurance. Group authorizes Benecard, as applicable, to submit claims to the excess loss Insurance Carrier and to settle claims on behalf of the Group.

1. Where applicable, Benecard will report the status of all pending or denied Claims and appeals of Direct Reimbursement Claims within the time and in the manner required by law, rule or regulation and will refer to Group all non-routine inquiries and disputes related to the processing of such claims. Group authorizes Benecard to notify the Insurance Carrier in writing of any objection, notice of legal action or complaint regarding a Claim or Direct Reimbursement Claim subject to excess loss insurance coverage.

2. Direct Reimbursement Claims will be accepted for processing if submitted no later than twelve (12) Months following the date the Prescription Drug is dispensed. Upon receipt of a Direct Reimbursement Claim form properly completed by the Cardholder, Benecard shall inspect such claim and based on eligibility and Plan Specifications at the time the prescription was filled determine whether such claim is approved for payment. Benecard or the Claim Processor shall compute the amount payable, if any, and shall make payment to the Cardholder in an amount no more than the amount that would have been paid for the prescription had it been a claim for a prescription processed through a Participating Pharmacy pursuant to the Group's Plan Specifications.

F. Collection Costs: Group shall be responsible for all out-of-pocket expenses of collection and enforcement of judgments, including, but not limited to, attorneys' fees and costs, incurred by Benecard

in connection with amounts due and owing under this Agreement. The rights and remedies set forth in this paragraph are in addition to other rights and remedies available to Benecard under law or in equity.

ARTICLE IV – TERM; RENEWAL; NON-RENEWAL; TERMINATION; AND REMEDIES

A. Term: This Agreement is for twelve (12) months, which shall become effective May 1, 2018 and shall continue in full force and effect through April 30, 2019. The anniversary date for this Agreement is May 1, 2019. Group agrees that Benecard shall be the exclusive manager of its prescription drug benefits plan during the term of this Agreement and that it will not contract with any other vendor for similar services to begin before the expiration of this Agreement.

B. Renewal: Benecard shall submit to Group renewal terms to this Agreement at least sixty days (60) Prior to the anniversary date. Group shall provide Benecard written notice as to whether or not Group accepts such renewal terms at least thirty days (30) prior to the end of the term. Should Group fail to provide the notice at least thirty (30) days prior to the end of the term, this Agreement will automatically renew under the proposed renewal terms. Provided that Group provides proper notice of non-renewal, Group will not be responsible for Program Charges incurred after the anniversary date. Non-renewal of this Agreement shall not affect the continuing obligation of either party with respect to claims incurred for Prescription Drugs dispensed to Members while this Agreement is in force.

Notwithstanding the foregoing, Benecard may change the previously provided and/or accepted renewal Program Charges at any point prior to the Group's actual anniversary policy start date if Benecard becomes aware of a previously unknown factor (including but not limited to a newly approved drug) that would have a significant, material impact on the risk-expected experience or expenses associated with a renewal.

C. Termination: In no event will this Agreement be terminable "without cause" prior to the expiration of the agreed upon term.

In the event of breach (e.g., non-payment of Program Charges) or default, the non-breaching party shall give the other party written notice of a material, substantial and continuing breach of this Agreement. If the breaching party does not cure the said breach within thirty days from the date such notice is sent, this Agreement may be terminated at the option of the non-breaching party. If the amount of time commercially reasonable for the breach to be cured is longer than thirty (30) days, this Agreement may not be terminated by the non-breaching party pursuant to this provision until such commercially reasonable period of time has elapsed, provided however, that in no event shall such period exceed sixty (60) Days.

D. Effect of Termination; Survival: Termination of this Agreement shall not affect the continuing obligation of either party incurred while this Agreement is in effect. Group's excess loss insurance coverage with the Insurance Carrier shall terminate automatically upon termination of this Agreement. Article II.B.1; III.B.2(3)(b); Article V; Article VI; Article VIII; and Sections A., G., H., J. of Article IX and Exhibit B shall survive the termination of this Agreement.

E. Other Remedies: A party's right to terminate this Agreement shall not be exclusive of any other remedies available to the terminating party under this Agreement, at law or in equity.

F. Remedies for Early Termination: The parties agree that should Group terminate this Agreement in violation of this Article IV, because of the difficulty in determining the amount of harm to Benecard in the event of such a breach, Benecard shall be entitled to recover an amount equal to the most recent one month of Program Charges billed by Benecard under this Agreement as liquidated damages and not as

a penalty. All amounts payable under this provision shall become immediately due and payable by Group upon notice from Benecard. Failure by the Group to pay all amounts due immediately under this provision may result in immediate suspension of all benefits and services until full payment is received. The parties further agree that the existence of this remedy will not preclude Benecard from seeking or receiving injunctive or other legal relief and that this Section does not give Group termination rights beyond those specified in this Agreement.

ARTICLE V - NON-LIABILITY

Benecard shall under no circumstances be liable for any negligence, wrongful act, error or omission of any health care provider, other person, practitioner, pharmacist, pharmacy, physician, manufacturer or distributor of pharmaceuticals, including but not limited to the Benecard Mail Order Pharmacy or any specialty pharmacies, or their employees providing goods or services pursuant thereto, nor shall Benecard assume any responsibility in any manner for any claim, loss or damage sustained by any person as a result of the providing or the failure to provide pharmaceutical services or goods pursuant to the terms of this Agreement. EACH PARTY'S LIABILITY TO THE OTHER HEREUNDER SHALL IN NO EVENT EXCEED THE ACTUAL PROXIMATE LOSSES OR DAMAGES CAUSED BY BREACH OF THIS AGREEMENT. IN NO EVENT SHALL EITHER PARTY OR ANY OF THEIR RESPECTIVE AFFILIATES, DIRECTORS, EMPLOYEES OR AGENTS, BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES, OR ANY DAMAGES FOR LOST PROFITS RELATING TO A RELATIONSHIP WITH A THIRD PARTY, HOWEVER CAUSED OR ARISING, WHETHER OR NOT THEY HAVE BEEN INFORMED OF THE POSSIBILITY OF THEIR OCCURRENCE.

In consideration of Benecard's covenants, representations and warranties in this Agreement, Group agrees to indemnify, save, defend and hold Benecard harmless from any and all actions, claims and expenses (including attorneys' fees and costs) arising from (1) a material breach by Group of its covenants, representations and warranties in this Agreement; (2) Group's Plan design; or (3) coverage decisions by Group or its Plan.

ARTICLE VII - RECORDS AND OWNERSHIP

The annual MOOP limits will be set at the amounts established by the U.S. Department of Health and Human Services (HHS) pursuant to the Affordable Care Act (ACA) but are subject to change if the ACA MOOP limits are modified.

PROGRAM INFORMATION SECTION

AGENCY NAME: County of Sussex /Department of Health and Human Services

PROGRAM NAME: Personal Assistance Services Program (PASP)

CONTRACT TERM: 1-1-18 to 12-31-18

CONTRACT #: 18AVWN

I. SERVICE TO BE PROVIDED:

The Sussex County Department of Health and Human Services Personal Assistance Services Program (PASP) continues to provide personal assistance services to five (5) permanently, physically disabled adults, ages 18 to 70 who are either working, going to school or volunteering in the community.

PASP is a self-directing program which allows consumers to oversee all aspects of their personal care services. A personal assistant can perform such tasks as light housekeeping, personal care, meal preparation, transportation, assisting with correspondence and chore services.

The consumer must complete the following documents as part of the initial application package:

1. Application for Service and Statement of Understanding
2. Income Declaration Form
3. Physician's Certification
4. Consumer Plan of Service

The Consumer Plan of Service indicates the consumer's needs and how they will be met by the personal assistant. Within 90 days from the date of inquiry, the County Consultant contacts the consumer regarding their eligibility for the program. All determinations are made in writing.

Consumers are reassessed on an annual basis and can receive anywhere between 5 to 40 hours of personal care per week. PASP is a supplemental program, whereby applicants should exhaust other resources before applying for PASP services.

The County Consultant carries out all program consultant duties and responsibilities, such as:

- Recruiting consumers for the program through press releases sent out to local newspapers, advertising in brochures, providing outreach activities, attending support group meetings, resource fairs, transition and vocational fairs, and featuring the program's activities on the County website
- Assisting consumers enrolling in the program and being the first level of support for consumer issues,
- Monitoring and maintaining consumer eligibility, program activity and financial records
- Initiating suspension and termination actions as necessary in accordance with regulation

- Assuring each consumer complies with program policy based on the information provided by the consumer
- Transitioning consumers to other programs/services
- Monitoring the Monthly Case Report and Cost Share Report provided by the Fiscal Intermediary
- Working with the Fiscal Intermediary to improve and maximize communication between all parties to ensure services run efficiently and all program obligations are fulfilled.

Non-compliance with consultant duties will result in suspension of monthly payment.

II. PROGRAM GOAL:

The goal of the Sussex County Department of Health and Human Services Personal Assistance Services Program is to enable consumers who have a permanent physical disability to remain active in the community by providing them with personal care services. PASP allows a consumer to be self-directing, therefore in charge of supervising & coordinating all aspects of their personal care services on a daily basis.

III. TARGET POPULATION:

The target population is consumers of Sussex County, between the ages of 18 to 70, who have a permanent physical disability, are capable of self-directing and demonstrate proof of program activity (either working, volunteering or going to school). Personal care services allow a consumer to maintain their independence in the community. It is the only program of its kind, available in Sussex County and throughout the state of New Jersey.

IV. PROGRAM DESCRIPTION:

The Sussex County Department of Health and Human Services located at the Sussex County Administrative Center, One Spring Street, Newton, New Jersey coordinates and administers the program for eligible consumers in the County. This program provides personal assistance to qualifying disabled residents of Sussex County between the ages of 18 and 70.

The County Consultant has the responsibility of acting as a liaison for the consumer and the assistant. The PASP Consultant can refer consumers to other programs and services outside the scope of PASP, when deemed necessary.

Services to PASP consumers maintain the following job responsibilities (but are not limited to) personal care assistance, chore services, assistance to students on campus, transportation and light housekeeping.

The program allows consumers to receive routine non-medical task assistance from the assistant if they are assessed as capable of directing the specific service. These services cannot be provided without the approval of a licensed registered nurse and the consent of the personal assistant.

Consumers are responsible for reporting problems with service provision to the County Consultant so the necessary action to improve service delivery can be taken. The need for regular telephone contact may be required in a situation where changes occur which impact on the consumer's ability to manage and function, or when services are not working to meet the consumer's needs. Occasionally home visits are conducted on an as needed basis. Each PASP participant has a minimum of one face to face contact with the County Consultant yearly. At this time the PASP program has five (5) active PASP participants and currently no waiting list candidates. There are four (4) potential consumers who are in the process of submitting applications.

V. ACCESS TO PROGRAM SERVICE:

The Sussex County Department of Health and Human Services is the administrator and consultant for the PASP program in Sussex County. The program is often included in press releases sent out to local newspapers, highlighting consumer satisfaction and the County web-page.

Word of mouth spreads quickly between consumers, making it an excellent way to help advertise the program.

This program is also publicized during community events such as town days and the Sussex County Farm and Horse Show.

**SHARED SERVICES AGREEMENT
BETWEEN THE COUNTY OF SUSSEX
AND THE TOWNSHIP OF BYRAM
FOR ROAD SIGN MANUFACTURING SERVICES**

The Agreement entered into on this ___ day of May, 2018 by and between the COUNTY OF SUSSEX, One Spring Street, Newton, NJ 07860 (hereinafter referred to as the "County" and the Township of Byram, 10 Mansfield Drive, Stanhope NJ, 07874, hereinafter referred to as the "Township").

WHEREAS, the Shared Services Agreement between the County and the Township provides for the manufacturing of street and road signs and achieves economies and efficiencies.

WHEREAS, the County is prepared to accept the responsibility for the manufacturing of the Township's street and road signs as per the agreed upon terms and conditions hereafter set forth.

WHEREAS, the State of New Jersey has defined the procedures for the execution of any Agreement, and the Agreement between the County and the Township shall be governed by the Shared Services Act, N.J.S.A. 40A:65-1, et seq. and the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties agree as follows:

1. Services Provided by the County. During the term of this Agreement, the County will provide to the Township with street and road sign manufacturing. The service to be provided by the County shall include all items listed on Section 6, Method of Charges and Manner of Payment.
2. Scheduling and Execution of Service. The County agrees to perform all services in a workmanlike manner. All services will be scheduled by the County Office of Bridge and Traffic Safety Supervisor, or his designee, in a manner which will provide efficiency and economy consistent with timelines. The Township recognizes that the County has finite personnel and resources to provide the agreed upon services and the County is entitled to provide the services according to the Traffic Safety and Sign Shop work load demands. The County makes no representation that it will provide the service within a given time frame, but will in all cases (and consistent with the foregoing) make its best effort to provide all services in a timely manner.) Notwithstanding the foregoing, when the County receives an order from the Township for street signs, it shall provide the Township with an estimated delivery date. In the event the estimated delivery date exceeds the delivery date required by the Township, the Township shall

have the right to withdraw the order and seek an alternate source for the sign(s) in that order.

3. Liaison and Reporting. The Township agrees to appoint an official liaison and designated alternate to maintain contact with the County Office of Bridge and Traffic Safety Supervisor or his designee and to provide input concerning street and road sign manufacturing needs of the Township as determined by the Township's Council.
4. Term Renewal or Amendment. This Agreement shall be effective from the date of this agreement through May 31, 2023, unless terminated by either party for any reason, in writing, at least sixty (60) days in advance of the proposed termination date. Either party may request of the other an amendment of this Agreement subject to approval by the governing bodies of each party and execution of a written amendment to this Agreement. Upon expiration of the term, the parties may extend the term or enter into a new Agreement upon such terms and conditions as they agree and incorporate into a written Agreement.
5. Interpretation. Any questions regarding the proper interpretation of the terms of this Agreement shall be submitted to the Township Attorney and County Counsel respectfully. Absent a unanimous opinion on the matter, it shall be referred to a single arbitrator for binding arbitration. The parties will each pay one-half of the cost of the arbitration. The arbitrator will be chosen by the County and Borough.
6. Method of Charges and Manner of Payment. The County shall charge the Township of the rates of:

Sign Fabrication Costs:

<u>Size</u>	<u>Type of Sign</u>	<u>High Intensity</u>
6 x 24	Street	\$22.48
9 x 24	Street	\$26.12
30 x 30	Warning	\$40.06
36 x 36	Warning	\$53.13
30 x 30	Stop	\$40.06
36 x 36	Stop	\$53.13
24 x 30	Speed	\$34.12
36 x 48	Speed	\$67.39

(The above reflects a representative sample of signs, actual costs will be determined based upon sign size ordered.)

Rates will be subject to modification to reflect actual changes in material, labor, and equipment costs for fabrication.

The County will charge the Township for "other" materials at the actual County purchase price, plus an administrative fee of five percent (5%). Fabrication

material cost adjustment may be made throughout the course of the calendar year as materials are restocked.

Payment for services provided for the Township shall be made the month after service has been rendered to the Township, as per invoices submitted by the County.

At the time of receipt of an order from the Township, the County will provide a written estimate for the services and materials to be provided for approval by the Township prior to commencing with fabrication. The written estimate will include any changes in the sign fabrication rates listed above as well as costs for any "other" materials required to be purchased for completion of the order. Prior to approval of the estimate by the Township, the Township shall have the right to withdraw the order and seek an alternate source for the sign(s) in that order.

In the event of any dispute as to the amount to be paid under the terms of the Agreement, the full amount to be paid in accordance with the schedule noted in this paragraph shall be paid. If through subsequent negotiation, litigation, or settlement, the amount due shall be determined, agreed to or adjudicated to be less than what was actually so paid, the County shall promptly refund the excess.

The fabrication schedule has been developed based upon actual material costs, labor rates with fringe benefits, fabrication times, and five (5) percent shop equipment overhead. Costs for signs not contained within the table above shall be billed using the same base elements as developed by the County.

7. Applicable Standards. The County shall manufacture signs to the standards defined within the most recent release along with any revisions thereto of both "The Manual on Uniform Traffic Control Devices" and "Standard Highway Signs" both published by the Federal Highway Administration. All installations will be completed in consideration of the Sussex County Traffic Sign & Pavement Marking Field Guide, New Jersey Standard Details, and current Manual on Uniform Traffic Control Devices.
8. Status of Township. The County is performing its services under this Agreement as a public entity pursuant to the Shared Services Act, and not as a private independent contractor. The County and its employees, with respect to its services and other activities pursuant to this Agreement, retain all privileges and immunities accorded to a public entity under the law, including all those afforded a public entity under the New Jersey Tort Claims Act, N.J.S.A. 59:1-1, et seq.
9. Contracting with Private Parties. In the event that the County utilizes the services of a private contractor to act as a contractor who completes Township projects, the County shall be required to award the contract in accordance with the Local Public Contracts Law (N.J.S.A. 40A:11 et seq.).

10. Entire Agreement. This Agreement constitutes the entire Agreement between the parties and shall not be modified, except in writing and signed by both parties.

IN WITNESS WHEREOF, the undersigned, being duly authorized to do so in accordance with the Statutes hereunto set their hands and causes their seals to be affixed hereto.

RESOLUTION RE: AUTHORIZING THE ACQUISITION OF SIGHT EASEMENTS AT THE INTERSECTION OF COUNTY ROUTE 517 AND SCENIC DRIVE IN GREEN TOWNSHIP AT A TOTAL COST OF \$11,400.00

Summary:

On May 24, 2017 the County and the Township of Green entered into an agreement to advance a joint project to enhance the substandard sight distance at the intersection of County Route 517 and Scenic Drive in the Township of Green.

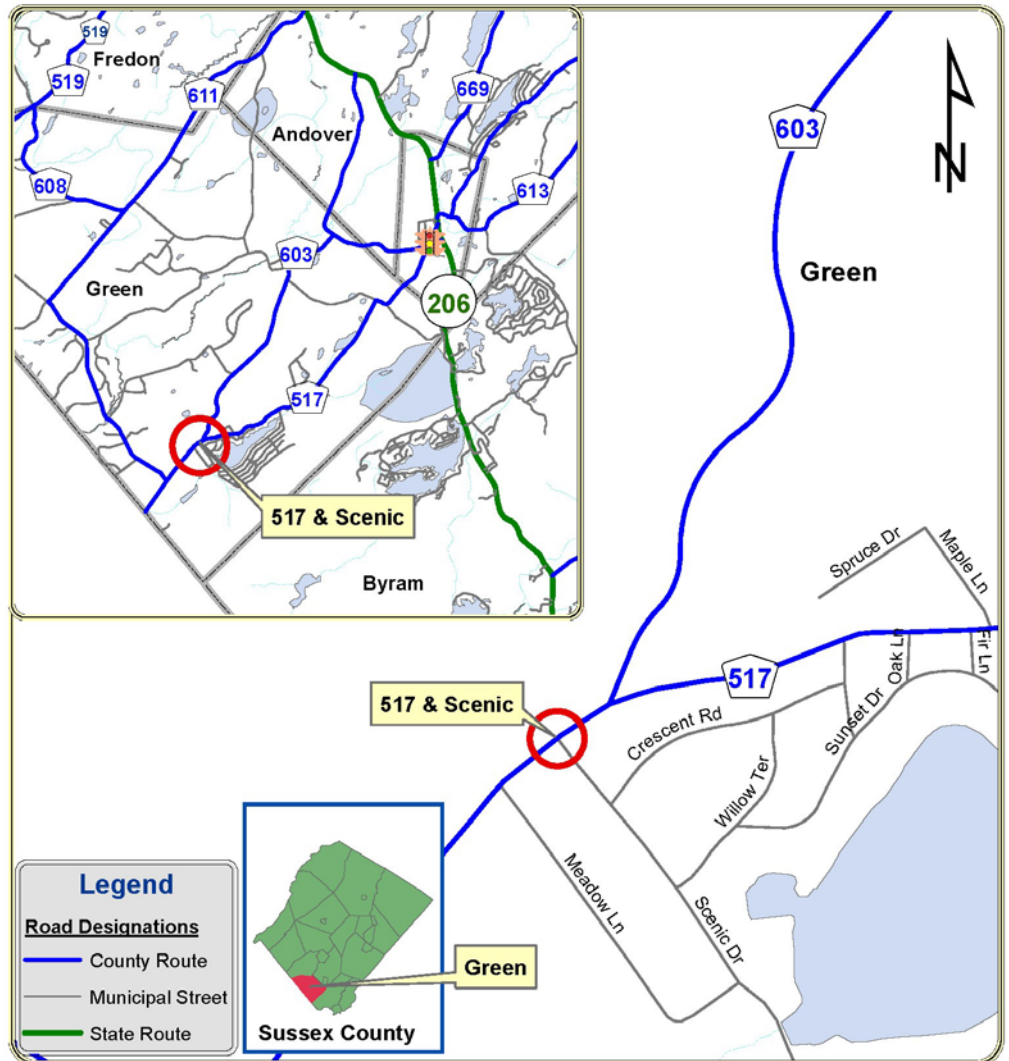

As part of the agreement Green Township provided for professional engineering and surveying services for the design of the sight distance improvement project. Through the design process, Green Township's Engineer, Suburban Consulting Engineers, Inc. identified the location

of design sight lines that would provide for the required sight distance for drivers pulling onto County Route 517 out of Scenic Drive.

The acquisition of these two sight easements (i.e. sight triangle easements) will allow the design sight line looking south along County Route 517 from Scenic Drive to be maintained with a free and clear line of site in perpetuity.

Right of Access License Agreement

This **RIGHT OF ACCESS LICENSE AGREEMENT** (this “**AGREEMENT**”) is made on this ____ day of _____, 2018 between **Sussex County Municipal Utilities Authority** (“**LICENSEE**”) with offices at 34 South Route 94, Lafayette, New Jersey 07848 and **County of Sussex** (“**LICENSOR**”) with offices at One Spring Street, Newton, New Jersey 07860.

BACKGROUND

The **LICENSOR** owns certain real property located in the Townships of Sparta and Hardyston and the Borough of Franklin, said real property acquired in 1938 from the Sussex Railroad Company and The Delaware, Lackawanna and Western Railroad Company as recorded in Deed Book 373 Page 258.

The **LICENSEE** operates the Sussex County Municipal Utilities Authority Solid Waste Facility for which efficiencies of operation could be achieved by construction of a Leachate Forcemain Pipeline and appurtenances, (the “**PROJECT**”). Initially preferred design alternatives for the **PROJECT** identified a preferred forcemain alignment which follows portions of the **LICENSOR**’s property, more particularly described and being the section of property between +/- Station 3559+61 to +/- Station 3800+00 as found on a Plan Set entitled “Right-of-Way Track Map, Sussex R.R. Operated by The Delaware Lackawanna and Western R.R. Co. Morris and Sussex Division” Dated June 21, 1930, (the “**PROPERTY**”), as schematically depicted in Schedule A, annexed hereto and made part hereof.

The **LICENSEE** desires use of the **PROPERTY** for the placement, maintenance and use of a Leachate Forcemain Pipeline and appurtenances, the **LICENSOR** has agreed to grant to **LICENSEE** and other persons described herein, a license, to enter upon the **PROPERTY** to conduct activities to help **LICENSEE** assess the suitability of the **PROPERTY** for use in locating a portion of the **PROJECT** forcemain. These activities may include, among other things, supplemental field surveys, wetlands delineation, environmental inspection, testing and sampling activities, including a geotechnical evaluation (together “**SITE INVESTIGATIONS**”) at the **PROPERTY**.

The **LICENSEE** desires to obtain a temporary license on the **PROPERTY** for itself and its Consultants/Contractors, and their agents, employees, and representatives for the purpose of advancing design of the Leachate Forcemain Pipeline.

The purpose of this **AGREEMENT** is to enter into a site access license governing the **SITE INVESTIGATIONS** that may be conducted by the **LICENSEE** and its agents, advisors, employees, consultants, representatives, and independent contractors, including environmental contractors and consultants hired directly or indirectly by **LICENSEE** (collectively, the “**LICENSEE REPRESENTATIVES**” or “**REPRESENTATIVES**”).

LICENSEE and **LICENSOR** agree as follows:

1. **Authority to Grant a License.** **LICENSOR** owns certain real property as defined heretofore and identified as the **PROPERTY**. The **LICENSOR** represents that it has the authority to grant the access allowed by this **AGREEMENT** to the **PROPERTY** and that there is no need to obtain the approval or consent of any other party. The **LICENSOR** hereby grants a license to **LICENSEE** to conduct the **SITE INVESTIGATIONS**.

The SITE INVESTIGATIONS may include, but is not necessarily limited to, activities intended to (1) review environmental, safety and health conditions; and (2) conduct physical, structural and geotechnical testing; and (3) perform supplementary field surveys. The cost of all such activities shall be the responsibility of LICENSEE (or the LICENSEE REPRESENTATIVES as arranged between the LICENSEE REPRESENTATIVES and the LICENSEE) and not LICENSOR.

3. **Advance Notice.** LICENSEE or LICENSEE REPRESENTATIVES shall give LICENSOR at least seventy-two (72) hours advance notice, by electronic mail message of a planned activity including description of activity and expected duration. LICENSEE REPRESENTATIVES shall cooperate with LICENSOR to schedule the activities so as to minimize the extent and duration of any interference with LICENSOR's operations.

4. **Installation, Sampling, and Removal.** LICENSOR shall cooperate with the LICENSEE or LICENSEE REPRESENTATIVES regarding all installation, monitoring, sampling, removal and related activities that LICENSEE REPRESENTATIVES desire to conduct on the PROPERTY. 7. **Indemnification.**

(a) **LICENSEE** shall indemnify and hold harmless **LICENSOR** for any penalties, claims, liabilities, demands and actions at law and equity, damages or costs that result from the negligence or willful misconduct, misrepresentation or breach of warranty in this agreement by **LICENSEE** or **LICENSEE REPRESENTATIVES**.

(b) **LICENSEE** shall indemnify and hold harmless the **LICENSOR** for any damage to or loss or destruction of property of any kind located on or adjacent to the **PROPERTY** caused by the negligence or willful misconduct, or failure to protect, or actions of the **LICENSEE** or their **REPRESENTATIVES**.

(c) **LICENSEE** will assume responsibility for its actions and those of its employees and **LICENSEE's REPRESENTATIVES** in accordance with the Tort Claims Act.

The **LICENSOR** shall not be responsible for any such remediation activities or for any penalties which may be assessed by any government entity as a result of any discharge, leak or contamination on the **PROPERTY** from the occupation of the **PROPERTY** by the **LICENSEE** or the **LICENSEE REPRESENTATIVES**.

(f) The **LICENSEE** agrees to cause its **REPRESENTATIVES** to indemnify the **LICENSOR** from any liability, claims, damages, and actions, actual or alleged, of whatever kind or nature, including but not limited to personal injury claims, wrongful death claims, and contractual liability claims, including by third parties, arising out of or alleged to arise out of or in connection with their occupation of the **PROPERTY**.

In any of those cases, **LICENSEE** or **LICENSEE REPRESENTATIVES** shall notify **LICENSOR** at least twenty-four (24) hours prior to making the notification to the appropriate agency. **LICENSOR** agrees that **LICENSEE** and **LICENSEE REPRESENTATIVES** bear no responsibility for the costs resulting from that reporting and that **LICENSEE** shall not become responsible for any conditions that it discovers during the **SITE INVESTIGATION**.

(c) **LICENSOR** acknowledges and agrees that any samples that are taken during the activities undertaken pursuant to this **AGREEMENT** and any investigation-derived media (i.e., drill cuttings, well purge water) generated by the investigation may require off-site disposal based upon test results. **LICENSOR** agrees to execute all properly completed waste manifests or other documents required for proper disposal of test results. **LICENSOR**'s obligation to sign any properly completed waste manifests or other documents required for proper disposal survives this **AGREEMENT** so long as those items that require disposal were generated pursuant to this **AGREEMENT**. The cost of off-site disposal of media will be paid for by **LICENSEE** or the appropriate **LICENSEE REPRESENTATIVES**, not **LICENSOR**.

Subject: Temporary Staff – Cost Benefit Assessment

The Office of Records Management has been using temporary staff as an essential element of our management strategy since 2010. The following is a summary of our key business drivers how we make use of this resource to ensure we are able to meet our business obligations to the County, in the most efficient and cost effective way.

My group provides a broad range of eContent management services that include the management, configuration, deployment, and support of our enterprise Electronic Document Management System (EDMS/ OnBase). This system now houses over 12,000,000 document pages, in the form of eDocuments. The bulk of these document pages have been individually scanned and indexed by the Records Management temp staff. The OnBase system also provides the functionality for implementing Workflow and Data Management solutions, which allow the RM Staff to support all County Departments with the development of new business process solutions. The staff now doing these highly skilled technical tasks all started as temp staff, and have grown into their full time positions through personal motivation and technical training we have provided.

I currently have 3 full time staff working in the RM group. Each of these individuals were originally hired as temp staff. They were offered a full time position, only after an extensive period during which they demonstrated their skills and commitment to meeting our quality and performance standards.

In addition to managing and deploying the OnBase technology, the RM Group is responsible for two document scanning operations. One group of 3 temp staff do all the document scanning and indexing for the County Departments. The second group of 3 temp staff do all the document scanning for the Social Services Department via a State managed EDMS.

Using temp staff for the scanning and indexing tasks provides the County with needed flexibility to adjust staffing levels as need, based on production backlog. It also allows us to plan for future staffing requirements as the effort to complete the back-file conversion process is completed. At that point we expect fewer staff will be needed for this activity. The other important benefit of our use of temp staff, is that it provides an ideal opportunity to assess each individuals capability over an extend period, which allows us to have a ready pool of qualified people to take on other assignments as needed.

Cost Impact

We are currently paying our Scanning/Indexing Clerks \$14.42/hr. At an average of 35hr/week = \$25,000/ year. In contrast, the cost of a full time employee with benefits is over \$40,000.

As another metric, the County’s imaging group is processing approximately 800,000 document pages per year. The commercial cost to duplicate this service to purge, scan, and index would be over double the cost of our temp staff and management resources.

Small Format -> 664,000 pg/y x \$0.28/pg = \$185,920

Large Format -> 136,000 pg/y x \$1.28/pg = \$170,000

Total/year \$355,920

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the respondent, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the respondent expressly understands and agrees that the provisions of this indemnification clause will in no way limit the respondent's obligations assumed in this Agreement, nor will they be construed to relieve the respondent from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

SERIAL 16111-RFP**1.4 U.S. COMMUNITIES**

U.S. Communities Government Purchasing Alliance (herein "U.S. Communities") assists Participating Public Agencies to reduce the cost of purchased goods through strategic sourcing that combines the volumes and the purchasing power of public agencies nationwide. This is accomplished through an award of competitively solicited contracts for high quality products and services by large and well recognized public agencies (herein "Lead Public Agencies"). The contracts provide for use by not only the respective Lead Public Agency, but also by other Participating Public Agencies.

1.4.1 National Sponsors

U.S. Communities is jointly sponsored by the National Association of Counties (NACo), the National League of Cities (NLC), the Association of School Business Officials International (ASBO), the United States Conference of Mayors (USCM) and the National Governors Association (NGA) (herein "National Sponsors").

1.4.2 Advisory Board

The U.S. Communities Advisory Board is made up of key government purchasing officials from across the United States.

Each Advisory Board Member is expected to actively participate in product bids and selection, participate in policy direction, and share expertise and purchasing innovations.

1.4.3 Participating Public Agencies

Today more than 55,000 public agencies utilize U.S. Communities contracts and suppliers to procure over \$2.0 Billion Dollars in products and services annually. Each month more than 500 new public agencies register to participate. The continuing rapid growth of public agency participation is fueled by the program's proven track record of providing public agencies unparalleled value.

The Supplier(s) must communicate directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, and payment.

Maricopa County is acting as "Contracting Agent" for the Participating Public Agencies and shall **not** be held liable for any costs, damages, expenses, fees, liabilities, etc. incurred by any other Participating Public Agency.

SERIAL 16111-RFP

Each Participating Public Agency enters into a Master Intergovernmental Cooperative Purchasing Agreement (MICPA) outlining the terms and conditions that allow access to the Lead Public Agencies' Master Agreements. Under the terms of the MICPA, the procurement by the Participating Public Agency shall be construed to be in accordance with, and governed by, the laws of the state in which the Participating Public Agency resides. A copy of the MICPA is attached as Exhibit 6.

1.4.4 Estimated Volume

The estimated dollar volume of Products and Services purchased under the proposed Master Agreement is \$150 Million Dollars annually. This estimate is based on the anticipated volume of the Lead Public Agency, the U.S. Communities Advisory Board members, and current sales within the U.S. Communities program. While there is no minimum quantity of products required to be purchased under the proposed Master Agreement, Maricopa County and the U.S. Communities Advisory Board Members are committed to utilizing the Master Agreement. The Advisory Board members shall determine if the Master Agreement is of value to their agency, and will promote the Master Agreement among other public agencies nationwide and internationally. The Advisory Board in 2015 purchased more than \$160 Million Dollars of products and services from existing U.S. Communities contracts.

1.4.5 Marketing Support

U. S. Communities provides marketing support for each Supplier's products through the following:

- National Sponsors as referenced above.
- State Associations of Counties, Schools and Municipal Leagues.
- Administrative and marketing personnel that directly promote the U.S. Communities Suppliers to Participating Public Agencies through public agency meetings, direct mail, email, online and print advertising, social media, articles, and exhibiting and presenting at national and local trade shows.
- U.S. Communities provides Suppliers government sales training, and a host of online marketing and sales management tools to effectively increase sales through U.S. Communities.

1.4.6 Marketplace

U.S. Communities has developed an online Marketplace, which gives Participating Public Agencies the ability to purchase from many U.S. Communities contracts directly from our website. The Marketplace makes it easier for Participating Public Agencies to access many contracts through a single login and place orders using a procurement card, credit card or purchase order. Suppliers have the ability to add their products to the Marketplace at no cost.

1.4.7 Evaluation of Proposals

Proposals will be evaluated by the Lead Public Agency in accordance with, and subject to, the relevant statutes, ordinances, rules and regulations that govern its procurement practices.

U.S. Communities Advisory Board members and other Participating Public Agencies will assist the Lead Public Agency in evaluating proposals. The Supplier(s) that respond(s) affirmatively meets the requirements of this Request for Proposal and provides the best overall value will be eligible for a contract award. U.S. Communities reserves the right

(U.S. COMMUNITIES SUPPLIER QUALIFICATION RESPONSE)**1.0 SUPPLIERS****1.0.1 Commitments**

U.S. Communities views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both U.S. Communities and the Supplier. U.S. Communities requires the Supplier to make the four commitments set forth below (Corporate, Pricing, Economy, Sales) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies:

1.0.2 Corporate Commitment.

- 1.0.2.1 The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier's primary contractual offering of Products and Services to Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's primary offering and not just one of Supplier's contract options.
- 1.0.2.2 Supplier's sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.
- 1.0.2.3 Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.
- 1.0.2.4 Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.
- 1.0.2.5 Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier's senior executive management.
- 1.0.2.6 Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to

SERIAL 16111-RFP

Supplier's U.S. Communities program and linked to U.S. Communities' website and shall implement and support such web page.

- 1.0.2.7 Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.
- 1.0.2.8 Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.
- 1.0.3 **Pricing Commitment.**
- 1.0.3.1 Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.
- 1.0.3.2 **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.
- 1.0.3.2.1 Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.
- 1.0.3.2.2 Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

SERIAL 16111-RFP

- 1.0.3.2.3 Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.
- 1.0.3.3 Deviating Buying Patterns. Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.
- 1.0.3.4 Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:
- 1.0.3.4.1 Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.
- 1.0.3.4.2 Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.
- 1.0.3.4.3 If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.
- 1.0.3.4.4 Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public

SERIAL 16111-RFP

Agency of the pricing, terms and conditions of the Master Agreement.

1.0.3.4.5 Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

1.0.3.5 **Economy Commitment.** Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

1.0.3.6 **Sales Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

1.0.3.6.1 **Supplier Sales.** Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the

SERIAL 16111-RFP

Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

- 1.0.3.6.2 Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.
- 1.0.3.6.3 Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.
- 1.0.3.7 Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:
- 1.0.3.7.1 A dedicated U.S. Communities internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:
- (1) U.S. Communities standard logo with Founding Co-Sponsors logos;
 - (2) Copy of original procurement solicitation;
 - (3) Copy of Master Agreement including any amendments;
 - (4) Summary of Products and Services pricing;
 - (5) Electronic link to U.S. Communities' online registration page; and
 - (6) Other promotional material as requested by U.S. Communities.
- 1.0.3.7.2 A dedicated toll-free national hotline for inquiries regarding U.S. Communities.
- 1.0.3.7.3 A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.
- 1.0.3.8 Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.
- 1.0.3.9 Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S.

SERIAL 16111-RFP

Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.

- 1.0.3.10 **Supplier Content.** Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party.

1.0.3.11 **U.S. Communities Administration Agreement Information**

The Agreement outlines the Supplier's general duties and responsibilities in implementing the U.S. Communities contract.

The Supplier is required to execute the U.S. Communities Administration Agreement unaltered (attached hereto as Exhibit 7) and submit with the supplier's proposal without exception or alteration. Failure to do so will result in disqualification.

WHEREAS, U.S. Communities and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, U.S. Communities and Supplier hereby agree as follows:

ARTICLE I**GENERAL TERMS AND CONDITIONS**

1.1 The Master Agreement, attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement.

SERIAL 16111-RFP

1.2 U.S. Communities shall be afforded all of the rights, privileges and indemnifications afforded to Lead Public Agency under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to U.S. Communities under this Agreement including, without limitation, Supplier's obligation to provide insurance and indemnifications to Lead Public Agency.

1.3 Supplier shall perform all duties, responsibilities and obligations required under the Master Agreement.

1.4 U.S. Communities shall perform all of its duties, responsibilities and obligations as administrator of purchases under the Master Agreement as set forth herein, and Supplier acknowledges that U.S. Communities shall act in the capacity of administrator of purchases under the Master Agreement.

1.5 With respect to any purchases made by Lead Public Agency or any Participating Public Agency pursuant to the Master Agreement, U.S. Communities (a) shall not be construed as a dealer, re-marketer, representative, partner, or agent of any type of Supplier, Lead Public Agency or such Participating Public Agency, (b) shall not be obligated, liable or responsible (i) for any orders made by Lead Public Agency, any Participating Public Agency or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement, or (ii) for any payments required to be made with respect to such order, and (c) shall not be obligated, liable or responsible for any failure by a Participating Public Agency to (i) comply with procedures or requirements of applicable law or ordinance, or (ii) obtain the due authorization and approval necessary to purchase under the Master Agreement. U.S. Communities makes no representations or guaranties with respect to any minimum purchases required to be made by Lead Public Agency, any Participating Public Agency, or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement.

ARTICLE II**TERM OF AGREEMENT**

2.1 This Agreement is effective as of _____ and shall terminate upon termination of the Master Agreement or any earlier termination in accordance with the terms of this Agreement, provided, however, that the obligation to pay all amounts owed by Supplier to U.S. Communities through the termination of this Agreement and all indemnifications afforded by Supplier to U.S. Communities shall survive the term of this Agreement.

ARTICLE III**REPRESENTATIONS AND COVENANTS**

3.1 U.S. Communities views the relationship with Supplier as an opportunity to provide benefits to the Lead Public Agency, Public Agencies and Supplier. The successful foundation of the relationship requires certain representations and covenants from both U.S. Communities and Supplier.

3.2 U.S. Communities' Representations and Covenants.

(a) Marketing. U.S. Communities shall proactively market the Master Agreement to Public Agencies using resources such as a network of major sponsors including the National League of Cities (NLC), National Association of Counties (NACo), United States Conference of Mayors (USCM),

SERIAL 16111-RFP

and the Association of School Business Officials (ASBO) (collectively, the “Founding Co-Sponsors”) and individual national, regional and state-level sponsors. In addition, the U.S. Communities staff shall make best efforts to enhance Supplier’s marketing efforts through meetings with Public Agencies, participation in key events and tradeshow and other marketing activity such as advertising, articles and promotional campaigns.

(b) Training and Knowledge Management Support. U.S. Communities shall provide support for the education, training and engagement of Supplier’s sales force as provided herein. Through its staff (each, a “Program Manager” and collectively, the “Program Managers”), U.S. Communities shall, with scheduling assistance from Supplier, conduct training sessions and conduct calls jointly with Supplier to Public Agencies. U.S. Communities shall also provide Supplier with access to U.S. Communities’ private intranet website which provides presentations, documents and information to assist Supplier’s sales force in effectively promoting the Master Agreement.

3.3 Supplier’s Representations and Covenants. Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as “Supplier’s Commitments” and are comprised of the Corporate Commitment, Pricing Commitment, Economy Commitment and Sales Commitment):

(a) Corporate Commitment.

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier’s primary contractual offering of Products and Services to Public Agencies. All of Supplier’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier’s primary offering and not just one of Supplier’s contract options.

(ii) Supplier’s sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier’s senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier’s Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier’s staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier’s U.S. Communities program and linked to U.S. Communities’ website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S.

SERIAL 16111-RFP

Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) **Supplier's Options in Responding to a Third Party Procurement Solicitation.** While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The

SERIAL 16111-RFP

following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) **Economy Commitment.** Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) **Sales Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement

SERIAL 16111-RFP

was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

- (1) U.S. Communities standard logo with Founding Co-Sponsors logos;
- (2) Copy of original procurement solicitation;
- (3) Copy of Master Agreement including any amendments;
- (4) Summary of Products and Services pricing;
- (5) Electronic link to U.S. Communities' online registration page; and
- (6) Other promotional material as requested by U.S. Communities.

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as

SERIAL 16111-RFP

contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between U.S. Communities and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend U.S. Communities, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV**PRICING AUDITS**

4.1 Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. U.S. Communities and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. U.S. Communities shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at U.S. Communities' sole cost and expense. Notwithstanding the foregoing, in the event that U.S. Communities is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, U.S. Communities shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. U.S. Communities may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE V**FEES & REPORTING**

5.1 Administrative Fees. Supplier shall pay to U.S. Communities a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of two percent (2%) of aggregate purchases made during each calendar month (individually and collectively, "Administrative Fees"). Supplier's annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to U.S. Communities, or its designee or trustee as may be directed in writing by U.S. Communities. Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month

SERIAL 16111-RFP

for purchases shipped and billed during such calendar month. U.S. Communities agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency's costs incurred in connection with managing the Master Agreement nationally.

5.2 Sales Reports. Within thirty (30) days of the end of each calendar month, Supplier shall deliver to U.S. Communities an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month ("Sales Report"). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by U.S. Communities against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. U.S. Communities reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its program sponsors and state associations.

5.3 Exception Reporting/Sales Reports Audits. U.S. Communities or its designee may, at its sole discretion, compare Supplier's Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, sponsors, advisory board members or U.S. Communities staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by U.S. Communities, U.S. Communities shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to U.S. Communities' reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to U.S. Communities' trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to U.S. Communities in writing to reporting@uscommunities.org. If Supplier does not resolve the discrepancy to U.S. Communities' reasonable satisfaction within thirty (30) days, U.S. Communities shall have the right to engage outside services to conduct an independent audit of Supplier's reports. Supplier shall solely be responsible for the cost of the audit.

5.4 Online Reporting. Within forty-five (45) days of the end of each calendar month, U.S. Communities shall provide online reporting to Supplier containing Supplier's sales reporting for such calendar month. Supplier shall have access to various reports through the U.S. Communities intranet website. Such reports are useful in resolving reporting issues and enabling Supplier to better manage its Master Agreement.

5.5 Usage Reporting. Within thirty (30) days of the end of each contract year, Supplier shall deliver to U.S. Communities an electronic usage report of all sales under the Master Agreement, including:

- (i) Supplier's Product Number
- (ii) Product Description
- (iii) Manufacturer Name
- (iv) Manufacturer Number
- (v) Unit of Measure
- (vi) U.S. Communities Price
- (vii) Number of times ordered
- (viii) Units sold
- (ix) Sales by Manufacturer

5.6 Supplier's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written

SERIAL 16111-RFP

notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency’s sole discretion or this Agreement at U.S. Communities’ sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

ARTICLE VI

MISCELLANEOUS

6.1 Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

6.2 Assignment.

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of U.S. Communities, and any assignment without such consent shall be void.

(b) U.S. Communities. This Agreement and any rights or obligations hereunder may be assigned by U.S. Communities in U.S. Communities’ sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform U.S. Communities’ obligations hereunder.

6.3 Notices. All reports, notices or other communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery requiring signature on receipt to the addresses as set forth below. U.S. Communities may, by written notice delivered to Supplier, designate any different address to which subsequent reports, notices or other communications shall be sent.

6.4 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

6.5 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

6.6 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SERIAL 16111-RFP

6.7 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

6.8 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of California without regard to any conflict of laws principles. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this dispute resolution clause, shall be determined by arbitration in Walnut Creek, California, before one (1) arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The prevailing party will be entitled to recover its reasonable attorneys' fees and arbitration costs from the other party. The arbitration award shall be final and binding. Each party commits that prior to commencement of arbitration proceedings, the parties shall submit the dispute to JAMS for mediation. The parties will cooperate with JAMS and with one another in selecting a mediator from JAMS panel of neutrals, and in promptly scheduling the mediation proceedings. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs. The mediation will be conducted by each party designating a duly authorized officer or other representative to represent the party with the authority to bind the party, and that the parties agree to exchange informally such information as is reasonably necessary and relevant to the issues being mediated. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts, and attorneys, and by the mediator or any JAMS employees, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. If the dispute is not resolved within thirty (30) days from the date of the submission of the dispute to mediation (or such later date as the parties may mutually agree in writing), the administration of the arbitration shall proceed. The mediation may continue, if the parties so agree, after the appointment of the arbitrator. Unless otherwise agreed by the parties, the mediator shall be disqualified from serving as arbitrator in the case. The pendency of a mediation shall not preclude a party from seeking provisional remedies in aid of the arbitration from a court of appropriate jurisdiction, and the parties agree not to defend against any application for provisional relief on the ground that a mediation is pending.

6.9 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon U.S. Communities, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

3. During the Mandatory Pre-Bid Conference, it was reiterated that this RFP is for all labor categories (Technology, Administrative and Medical) and that respondents will have to service all labor categories whether responding as a Staffing Services supplier or a Managed Service Provider Solution. Is this accurate?

YES

If yes, what experience do we have to exhibit to qualify?

Attachment B-1
Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

- For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.
- If your company prefers to price major metropolitan areas separately please do so on a separate sheet.
- Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.
2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.
3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

- For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.
- If your company prefers to price major metropolitan areas separately please do so on a separate sheet.
- Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.
2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.
3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.

Pricing Sheet
Administrative/Professional/Labor/Technical/Misc.

1. For any job positions that you offer which are not listed here, please use a separate sheet to provide pricing for those positions. Maricopa County and U.S. Communities desire the full range of your company's offering.

2. If your company prefers to price major metropolitan areas separately please do so on a separate sheet.

3. Note: Overtime is calculated based on one and half times the base rate of pay. Should a Participating Public Agency have additional specific overtime requirements, your company has the ability to charge for these additional requirements as a pass through with no additional markup.
