

**Get alerted about emergencies and other important  
community news by signing up for  
The Sussex County Mass Notification System—  
ReGroup**

**The Sussex County Office of Emergency Management has  
partnered with ReGroup to alert you about critical information  
in your area. Severe weather, unexpected road closures, missing  
persons and evacuations are examples of the situations where  
community notifications may be necessary.**

**Scan the QR code below to sign up or visit [https://  
sussexnj.app.regroup.com/login](https://sussexnj.app.regroup.com/login) to establish an account. You can  
choose to receive these notifications by text, phone call and email  
when you register.**

**Sussex County Sheriff Michael F. Strada**
