All Way Stop - CR 517 & Lake Pochung Road, Vernon      Distributed: June 17, 2024

**Project:**

**Implementation of All Way Stop Intersection**

Intersection of CR 517 (McAfee Glenwood Road)  
 & Lake Pochung Road  
 Vernon Township, NJ

**Project Background:**

As a result of an Engineering Study conducted by the Sussex County Division of Engineering, an all way stop will be implemented at the intersection of CR 517 (McAfee Glenwood Road) and Lake Pochung Road in Vernon Township. The implementation was authorized by the Sussex County Board of County Commissioners at its May 22, 2024 meeting.

**Construction forces:**

Work will be completed by the in-house construction forces of the Sussex County Office of Bridge and Traffic Safety.

**Work Schedule:**

- Work is scheduled to be completed *on or about* the week of June 24<sup>th</sup>, 2024.
- Completion of work is tentative and subject to change based on weather conditions and/or other unforeseen circumstances.

**Work Tasks:**

- Installation of new signage, and enhancement of existing signage along all 3 legs of the intersection.
- Application of new pavement markings at and in advance of the intersection.
- Deployment of Variable Message Boards (VMB) in advance of the intersection to notify motorists of the new traffic pattern.

**Traffic Impacts:**

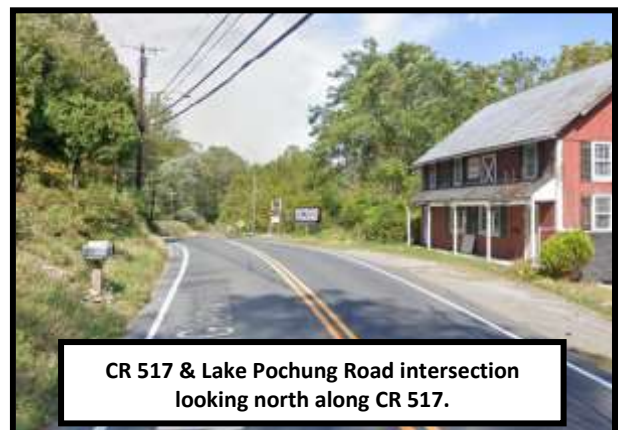

Work will be conducted under single lane closures.

**Contact Information:**

For more information about this project, please contact the Sussex County Division of Engineering at: 973-579-0430 or [dpw@sussex.nj.us](mailto:dpw@sussex.nj.us)
