**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Fredon Township Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among Fredon Township (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and bio-mass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*" and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*");

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

(c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “County Documents”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**Licensor Event of Default**

(vi) Section 7.1(c)

**Term**

(d) The following defined terms shall, for all purposes of this Fredon Township Local Unit License Agreement, have the following meanings:

“**Fredon Township Acceptance Certificates**” shall mean individually or collectively, as the case may be, the Fredon Township CIP Acceptance Certificate and the Fredon Township REP Acceptance Certificate, each in the form attached as **Exhibit E** to the Fredon Township Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

“**Fredon Township CIP Acceptance Certificate**” shall mean the certificate applicable to the Fredon Township Capital Improvement Projects in the form attached as **Exhibit E-2** to the Fredon Township Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the Fredon Township Capital Improvement Projects, all as set forth in Section 4.3 of the Fredon Township Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Fredon Township Capital Improvement Projects for the Licensor, this definition shall have no effect in this Fredon Township Local Unit License Agreement. The Parties acknowledge and agree that no Fredon Township Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

“**Fredon Township Construction Manager**” shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by

either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Fredon Township Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Fredon Township Renewable Energy Projects or (ii) Fredon Township Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Fredon Township Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Fredon Township Renewable Energy Projects or the Fredon Township Capital Improvement Projects, all as set forth in Section 4.1 of the Fredon Township Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Fredon Township Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Fredon Township Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Fredon Township REP Acceptance Certificate”** shall mean the certificate applicable to the Fredon Township Renewable Energy Projects in the form attached as **Exhibit E-1** to the Fredon Township Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Fredon Township Renewable Energy Projects, all as set forth in Section 4.2 of the Fredon Township Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the Mayor, Deputy Mayor, and the Clerk or such other person designated as an Authorized Officer in the Fredon Township Local Unit License Agreement or any other person or persons who shall be authorized to act on

behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Fredon Township Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Fredon Township Draw Papers, the Fredon Township Acceptance Certificates, and any Fredon Township Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Fredon Township Local Unit Facilities. Licensor holds good, record and marketable title to each of the Fredon Township Local Unit Facilities and the land underlying the Fredon Township Local Unit Facilities. There are no mortgages or other liens against the Fredon Township Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Fredon Township Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Fredon

Township Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Fredon Township CIP Acceptance Certificate with respect to the Fredon Township Capital Improvement Projects, if any, the Licensor shall own such Fredon Township Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Fredon Township Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Fredon Township Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Fredon Township Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Fredon Township** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Fredon Township Renewable Energy Projects on, or as applicable, in the Fredon Township Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Fredon Township Capital Improvement Projects on or as applicable, in the Fredon Township Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Fredon Township Renewable Energy Projects on or as applicable, in or about the Fredon Township Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Fredon Township Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Fredon Township Capital Improvement Projects on or as applicable, in or about the Fredon Township Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Fredon Township Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Fredon Township Capital Improvement Projects under the Program Documents and any references herein to Fredon Township Capital Improvement Projects, Fredon Township Capital Improvement Project Fund, Fredon Township CIP Acceptance Certificates or any other term defined by reference to Fredon Township Capital Improvement Projects (without limiting the application of any such term to the extent not related to Fredon Township Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Fredon Township Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Fredon Township Local Unit License Agreement (each, an "**Fredon Township Licensee**", and collectively, the "**Fredon Township Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Fredon Township Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Fredon Township Licensee access to the Fredon Township Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Fredon Township Local Unit License Agreement, a license (the "**Fredon Township Local Unit License**") allowing each Fredon Township Licensee to enter the Fredon Township Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Fredon Township Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Fredon Township Capital Improvement Projects**", and together with the Fredon Township Renewable Energy Projects, the "**Fredon Township Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Fredon Township Project Activities**"), all at the sole cost and expense of the Authority or any other Fredon Township Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Fredon Township Capital Improvement Projects for the Licensor, this definition shall have no effect in this Fredon Township Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Fredon Township Local Unit Facilities.

(b) For all purposes of this Fredon Township Local Unit License Agreement, the Fredon Township Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as Fredon Township Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to

constitute permissive Fredon Township Activities, which preliminary Fredon Township Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Fredon Township Licensees shall have access to the Fredon Township Local Unit Facilities to conduct Fredon Township Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Fredon Township Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Fredon Township Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Fredon Township Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Fredon Township Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Fredon Township Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Fredon Township Local Unit Facilities.

(d) No other activities beyond the scope of the Fredon Township Project Activities shall be undertaken on the Fredon Township Local Unit Facilities by the Authority or any other Fredon Township Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensor shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensor is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensor shall use commercially reasonable efforts to avoid interfering

with the Company's performance of its obligations under this Fredon Township Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Fredon Township Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Fredon Township Local Unit License Agreement, the Fredon Township License shall permit the Fredon Township Licensees to enter upon the Fredon Township Local Unit Facilities to conduct the Fredon Township Project Activities, at which time any such Fredon Township Licensees shall automatically, without any further action, be bound by the provisions of this Fredon Township Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Fredon Township Project Activities, the Authority and/or any other Fredon Township Licensee shall afford the Licensor and/or its representatives, the opportunity to observe all Fredon Township Project Activities; provided, however, that such observation activities shall not interfere with any Fredon Township Project Activities or delay construction of the Projects; and provided, further, that the Licensor hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Fredon Township Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensor's, or its representatives' or consultant's entry or activities on the Fredon Township Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Fredon Township Licensees, to promptly provide the Licensor with copies of any final written reports prepared, compiled or generated as part of the Fredon Township Project Activities, if any [list of reports can be added here]. Further, the Licensor shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Fredon Township Local Unit License, to inspect the Fredon Township Local Unit Facilities and/or the Fredon Township Renewable Energy Projects during the Term of this Fredon Township Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Fredon Township Local Unit License under this Fredon Township Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Fredon Township Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Fredon Township Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Fredon Township Project Activities on the

Fredon Township Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

### **Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Fredon Township Local Unit License cannot be revoked (including deemed revocation situations where the Fredon Township Local Unit Facilities are unavailable to allow the Company to perform Fredon Township Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Fredon Township Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Fredon Township Local Unit License for the Fredon Township Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Fredon Township Renewable Energy Projects, with as similar physical conditions to the existing Fredon Township Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Fredon Township Renewable Energy Project on the Fredon Township Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Fredon Township Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Fredon Township Renewable Energy Projects located on, or as applicable in, the Fredon Township Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Fredon Township Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Fredon Township Local Unit Facilities for all purposes of this Fredon Township Local Unit License Agreement and the other Program Documents, and similarly, the new Fredon Township Renewable Energy Projects on, or as applicable in, such new Fredon Township Local Unit Facilities shall be deemed the new Fredon Township Renewable Energy Projects for all purposes of this Fredon Township Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Fredon Township Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Fredon Township Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Fredon Township Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Fredon Township Renewable Energy Projects been operating at the Fredon Township Local Unit Facilities for the remainder of such

then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Fredon Township Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Fredon Township Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Fredon Township Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Fredon Township Local Unit Facility as a result of which such Fredon Township Local Unit Facility is unavailable to allow the Company to perform its Fredon Township Project Activities shall be deemed to be a revocation of the Fredon Township Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to Fredon Township Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Fredon Township Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Fredon Township Renewable Energy Projects (the "**Revised Fredon Township Renewable Energy Projects**"), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Fredon Township Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Fredon Township Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Fredon Township Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Fredon Township Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Fredon Township Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### Fredon Township DRAW PAPERS; Fredon Township ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE

#### Section 4.1. Fredon Township Draw Papers.

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Fredon Township Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Fredon Township Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Fredon Township Renewable Energy Projects and the Fredon Township Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Fredon Township Renewable Energy Projects or the Fredon Township Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Fredon Township Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Fredon Township Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Fredon Township Capital Improvement Projects. The Licensor shall promptly review the Fredon Township Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Fredon Township Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Fredon Township Draw Papers where indicated, and promptly forward the original of such Fredon Township Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Fredon Township Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Fredon Township Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Fredon Township Construction Manager; provided, however, that any

such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Fredon Township Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Fredon Township Draw Papers or (ii) delegate any such action to the Fredon Township Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Fredon Township Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Fredon Township Draw Papers to the Fredon Township Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Fredon Township Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Fredon Township Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Fredon Township Draw Papers or (ii) delegate any such action to the Fredon Township Construction Manager.

**Section 4.2. Fredon Township REP Acceptance Certificate Relating to the Fredon Township Renewable Energy Projects.**

(a) When the Company has determined that all of the Fredon Township Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Fredon Township Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Fredon Township REP Acceptance Certificate applicable to such Fredon Township Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Fredon Township REP Acceptance Certificate applicable to the Fredon Township Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Fredon Township REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Fredon Township REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Fredon Township REP Acceptance Certificate where indicated,

and promptly forward the original of such Fredon Township REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Fredon Township Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Fredon Township REP Acceptance Certificate to the Fredon Township Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Fredon Township Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Fredon Township Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Fredon Township Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Fredon Township REP Acceptance Certificate or (ii) delegate any such action to the Fredon Township Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Fredon Township Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Fredon Township REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Fredon Township Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Fredon Township Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Fredon Township REP Acceptance Certificate or (ii) delegate any such action to the Fredon Township Construction Manager.

#### **Section 4.3. Fredon Township CIP Acceptance Certificate Relating to the Fredon Township Capital Improvement Projects.**

(a) When the Company has determined that all of the Fredon Township Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Fredon Township CIP Acceptance Certificate applicable to such Fredon Township Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Fredon Township CIP Acceptance Certificate applicable to the Fredon Township Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Fredon Township CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Fredon Township CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Fredon Township CIP Acceptance Certificate where indicated, and promptly forward the original of such Fredon Township CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Fredon Township Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Fredon Township CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Fredon Township Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Fredon Township Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Fredon Township CIP Acceptance Certificate or (ii) delegate any such action to the Fredon Township Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Fredon Township Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Fredon Township CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Fredon Township Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Fredon Township Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Fredon Township CIP Acceptance Certificate or (ii) delegate any such action to the Fredon Township Construction Manager.

#### **Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the

Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Fredon Township Renewable Energy Projects and restoration of the Fredon Township Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Fredon Township Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the applicable Series 2011

Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Fredon Township Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Fredon Township Renewable Energy Projects located on, or as applicable, in the Fredon Township Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Fredon Township Renewable Energy Projects installed on or, as applicable, in the Fredon Township Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Fredon Township Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all the facts and circumstances of the marketplace for such Fredon Township Renewable Energy Projects at such time, including without limitation, its

continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Fredon Township Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Fredon Township Renewable Energy Projects from the Fredon Township Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Fredon Township Licensees, and (ii) restore, within a reasonable period of time, the Fredon Township Local Unit Facilities, as improved by the Fredon Township Capital Improvement Projects, to the condition prior to the installation of the Fredon Township Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Fredon Township Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this Fredon Township Local Unit License Agreement shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Fredon Township Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Fredon Township Renewable Energy Projects located on, or as applicable, in the Fredon Township Local Unit Facilities from the Authority, as owner of the Fredon Township Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Fredon Township Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the

Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Fredon Township Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Fredon Township Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Fredon Township Local Unit License Agreement:

(i) the Authority or any other Fredon Township Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Fredon Township Licensee to be performed or observed under this Fredon Township Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Fredon Township Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Fredon Township Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Fredon Township Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Licensor to be performed or observed under this Fredon Township Local

Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Fredon Township Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Fredon Township Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Fredon Township Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Fredon Township Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Fredon Township Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Fredon Township Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Fredon Township Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Fredon Township Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Fredon Township Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Fredon Township Local Unit License Agreement and the Fredon Township Local Unit License granted herein shall terminate against the Authority, after which date all Fredon Township Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Fredon Township Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Fredon Township Renewable Energy Projects shall have been removed from the Fredon Township Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Fredon Township Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Fredon Township Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate this Fredon Township Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the

Licensee agree in writing to terminate this Fredon Township Local Unit License Agreement].

(c) The “**Term**” of this Fredon Township Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Fredon Township Local Unit License Agreement, none of the Licensor, the Authority, nor any other Fredon Township Licensees shall have any further rights, duties or obligations with respect to the Fredon Township Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Fredon Township Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Fredon Township Licensees to gain access under the Fredon Township Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Fredon Township Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**Section 7.4. Successors and Assigns.** This Fredon Township Local Unit License Agreement shall inure to the benefit of and be binding upon the parties and acknowledgment parties hereto, and their respective successors and/or assigns.

**Section 7.5. Entire Agreement; Third Party Beneficiaries and Obligors.** This Fredon Township Local Unit License Agreement contains the entire agreement among the parties and may not be modified, amended, altered or cancelled except upon the prior express written consent of the parties hereto. This Fredon Township Local Unit License Agreement and the duties and obligations contained herein shall be solely for the benefit of the parties hereto and, where specifically provided herein, the Company and the other Fredon Township Licensees, which upon commencing any action contemplated hereunder, shall automatically also constitute third-party obligors hereunder.

**Section 7.6. Governing Law.** This Fredon Township Local Unit License Agreement shall be governed by the laws of the State of New Jersey without regard to principles of conflicts of laws thereunder.

**Section 7.7. Severability.** If any provision of this Fredon Township Local Unit License Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever. To the extent any provision of this Fredon Township Local Unit License Agreement conflicts with the provisions of any other Program Document, the parties and acknowledgment parties hereto expressly acknowledge that the provisions of this Fredon Township Local Unit License Agreement shall control.

**Section 7.8. Counterparts.** This Fredon Township Local Unit License Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

**Section 7.9. Effective Date.** This Fredon Township Local Unit License Agreement shall be effective as of the date hereof and shall terminate in accordance with the provisions hereof, including Section 7.1 hereof.

**Section 7.10. Waiver of Sovereign Immunity.** For the purposes of this Fredon Township Local Unit License Agreement, each of the Authority and the Licensor acknowledge and agree that (a) its execution and delivery of this Fredon Township Local Unit License Agreement and (b) its performance of the actions contemplated by this Fredon Township Local Unit License Agreement, constitute private and commercial acts rather than public or governmental acts. To the extent that, in any jurisdiction, the Authority or the Licensor in respect of itself or its assets, properties or revenues, shall be entitled to any contract immunity from suit, from the jurisdiction of any court, from attachment prior to judgment, from attachment in aid of execution of judgment, from execution, or enforcement of a judgment, or from any other legal or judicial process or remedy, such party hereby, except with respect to tort claims related to this License Agreement, (i) expressly and irrevocably agrees not to claim or assert, and

expressly and irrevocably waives, any such immunity to the fullest extent permitted by the laws of such jurisdiction solely as to the Company and (ii) consents generally to the giving of any relief or the issue of any process in connection with any proceeding. This waiver does not apply to any Series 2011 Local Units tort immunity as established by law.

Re: The Morris County Improvement Authority  
County Guaranteed Renewable Energy Program Lease Revenue Bonds,  
Series 2011 (the "Series 2011 Bonds")

Dear Sir or Madam:

Pursuant to (i) Section 510(c) of that certain "Lease Purchase Agreement (Morris County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") by and between The Morris County Improvement Authority (the "**Authority**"), as lessor, and SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), as lessee, and (ii) Section 5.02(2) of the Authority's bond resolution duly adopted July 20, 2011 and entitled "Resolution Authorizing the Issuance of County of Sussex Guaranteed Renewable Energy Program Lease Revenue Notes and Bonds, Series 2011 and Additional Bonds of The Morris County Improvement Authority", as amended and supplemented, and (iii) with respect to the [Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Fredon Township Renewable Energy Projects**") [Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "**Fredon Township Capital Improvement Projects**")]] being developed for [\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensor**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), the Company, by its Authorized Officer stated below, **DOES HEREBY CERTIFY** and **REQUISITION** moneys on deposit in the Project Fund and held by U.S. Bank National Association, as trustee (the "**Trustee**") for the holders of the Series 2011 Bonds, as follows:

1. The Trustee is hereby requested to pay \$\_\_\_\_\_ from moneys on deposit in the Project Fund equal to the aggregate Project Costs for which payment or reimbursement is being sought by this requisition.

(a) \$\_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_];

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]; and

(b) \$\_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_]

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]

{Please Note, Include Name and Address of any Contractor and the specific Development  
Contract pursuant to which this Requisition is submitted}

2. (a) Such funds requested in accordance with Section 1(a) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Fredon Township Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Fredon Township Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor:  
\_\_\_\_\_.

(b) Such funds requested in accordance with Section 1(b) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Fredon Township Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Fredon Township Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor:  
\_\_\_\_\_.

3. Such payment obligation, for which funds have been requested in accordance with Section [1(a)] [1(b)] of this Requisition, (i) has been properly incurred in accordance with the Plans and Specifications, (ii) is an item of the Cost of such Project, (iii) is a proper charge against the Project Fund, (iv) has not been the basis of any previous withdrawal, and (v) attached hereto is a bill, invoice, receipt or other evidence that payment on such Project Cost is due and owing or has been paid by or on behalf of the Company. This Requisition, together with any such attachments contemplated by clause (v) above, shall constitute Draw Papers submitted on a Draw

Date for all purposes of the Company Lease Agreement, the Bond Resolution and the Local Unit License Agreement for the Licensor.

4. This requisition may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Town of Newton Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among Town of Newton (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and bio-mass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*" and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*);

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
  
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

- (c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “County Documents”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agrees as follows:

**Term**

(d) The following defined terms shall, for all purposes of this Town of Newton Local Unit License Agreement, have the following meanings:

“**Town of Newton Acceptance Certificates**” shall mean individually or collectively, as the case may be, the Town of Newton CIP Acceptance Certificate and the Town of Newton REP Acceptance Certificate, each in the form attached as **Exhibit E** to the Town of Newton Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

“**Town of Newton CIP Acceptance Certificate**” shall mean the certificate applicable to the Town of Newton Capital Improvement Projects in the form attached as **Exhibit E-2** to the Town of Newton Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the Town of Newton Capital Improvement Projects, all as set forth in Section 4.3 of the Town of Newton Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Town of Newton Capital Improvement Projects for the Licensor, this definition shall have no effect in this Town of Newton Local Unit License Agreement. The Parties acknowledge and agree that no Town of Newton Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

“**Town of Newton Construction Manager**” shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the

implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Town of Newton Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Town of Newton Renewable Energy Projects or (ii) Town of Newton Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Town of Newton Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Town of Newton Renewable Energy Projects or the Town of Newton Capital Improvement Projects, all as set forth in Section 4.1 of the Town of Newton Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Town of Newton Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Town of Newton Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Town of Newton REP Acceptance Certificate”** shall mean the certificate applicable to the Town of Newton Renewable Energy Projects in the form attached as **Exhibit E-1** to the Town of Newton Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Town of Newton Renewable Energy Projects, all as set forth in Section 4.2 of the Town of Newton Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the The Mayor, the Minicipal Clerk, and the Town Manager or such other person designated as an Authorized Officer in the Town of Newton Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee:

any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Town of Newton Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Town of Newton Draw Papers, the Town of Newton Acceptance Certificates, and any Town of Newton Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Town of Newton Local Unit Facilities. Licensor holds good, record and marketable title to each of the Town of Newton Local Unit Facilities and the land underlying the Town of Newton Local Unit Facilities. There are no mortgages or other liens against the Town of Newton Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Town of Newton Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Town of

Newton Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

**Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Town of Newton CIP Acceptance Certificate with respect to the Town of Newton Capital Improvement Projects, if any, the Licensor shall own such Town of Newton Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Town of Newton Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Town of Newton Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Town of Newton Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Town of Newton** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

**Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Town of Newton Renewable Energy Projects on, or as applicable, in the Town of Newton Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Town of Newton Capital Improvement Projects on or as applicable, in the Town of Newton Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Town of Newton Renewable Energy Projects on or as applicable, in or about the Town of Newton Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Town of Newton Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Town of Newton Capital Improvement Projects on or as applicable, in or about the Town of Newton Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Town of Newton Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Town of Newton Capital Improvement Projects under the Program Documents and any references herein to Town of Newton Capital Improvement Projects, Town of Newton Capital Improvement Project Fund, Town of Newton CIP Acceptance Certificates or any other term defined by reference to Town of Newton Capital Improvement Projects (without limiting the application of any such term to the extent not related to Town of Newton Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Town of Newton Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Town of Newton Local Unit License Agreement (each, an "**Town of Newton Licensee**", and collectively, the "**Town of Newton Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Town of Newton Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Town of Newton Licensee access to the Town of Newton Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Town of Newton Local Unit License Agreement, a license (the "**Town of Newton Local Unit License**") allowing each Town of Newton Licensee to enter the Town of Newton Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Town of Newton Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Town of Newton Capital Improvement Projects**", and together with the Town of Newton Renewable Energy Projects, the "**Town of Newton Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Town of Newton Project Activities**"), all at the sole cost and expense of the Authority or any other Town of Newton Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Town of Newton Capital Improvement Projects for the Licensor, this definition shall have no effect in this Town of Newton Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Town of Newton Local Unit Facilities.

(b) For all purposes of this Town of Newton Local Unit License Agreement, the Town of Newton Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as Town of Newton Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to

constitute permissive Town of Newton Activities, which preliminary Town of Newton Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Town of Newton Licensees shall have access to the Town of Newton Local Unit Facilities to conduct Town of Newton Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Town of Newton Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Town of Newton Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Town of Newton Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Town of Newton Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Town of Newton Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Town of Newton Local Unit Facilities.

(d) No other activities beyond the scope of the Town of Newton Project Activities shall be undertaken on the Town of Newton Local Unit Facilities by the Authority or any other Town of Newton Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensor shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensor is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensor shall use commercially reasonable efforts to avoid interfering

with the Company's performance of its obligations under this Town of Newton Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Town of Newton Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Town of Newton Local Unit License Agreement, the Town of Newton License shall permit the Town of Newton Licensees to enter upon the Town of Newton Local Unit Facilities to conduct the Town of Newton Project Activities, at which time any such Town of Newton Licensees shall automatically, without any further action, be bound by the provisions of this Town of Newton Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Town of Newton Project Activities, the Authority and/or any other Town of Newton Licensee shall afford the Licensor and/or its representatives, the opportunity to observe all Town of Newton Project Activities; provided, however, that such observation activities shall not interfere with any Town of Newton Project Activities or delay construction of the Projects; and provided, further, that the Licensor hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Town of Newton Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensor's, or its representatives' or consultant's entry or activities on the Town of Newton Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Town of Newton Licensees, to promptly provide the Licensor with copies of any final written reports prepared, compiled or generated as part of the Town of Newton Project Activities, if any [list of reports can be added here]. Further, the Licensor shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Town of Newton Local Unit License, to inspect the Town of Newton Local Unit Facilities and/or the Town of Newton Renewable Energy Projects during the Term of this Town of Newton Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Town of Newton Local Unit License under this Town of Newton Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Town of Newton Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Town of Newton Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Town of Newton Project Activities on the Town

of Newton Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

### **Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Town of Newton Local Unit License cannot be revoked (including deemed revocation situations where the Town of Newton Local Unit Facilities are unavailable to allow the Company to perform Town of Newton Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Town of Newton Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Town of Newton Local Unit License for the Town of Newton Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Town of Newton Renewable Energy Projects, with as similar physical conditions to the existing Town of Newton Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Town of Newton Renewable Energy Project on the Town of Newton Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Town of Newton Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Town of Newton Renewable Energy Projects located on, or as applicable in, the Town of Newton Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Town of Newton Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Town of Newton Local Unit Facilities for all purposes of this Town of Newton Local Unit License Agreement and the other Program Documents, and similarly, the new Town of Newton Renewable Energy Projects on, or as applicable in, such new Town of Newton Local Unit Facilities shall be deemed the new Town of Newton Renewable Energy Projects for all purposes of this Town of Newton Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Town of Newton Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Town of Newton Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Town of Newton Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Town of Newton Renewable Energy Projects been operating at the Town of Newton Local Unit Facilities for the remainder of such

then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Town of Newton Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Town of Newton Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Town of Newton Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Town of Newton Local Unit Facility as a result of which such Town of Newton Local Unit Facility is unavailable to allow the Company to perform its Town of Newton Project Activities shall be deemed to be a revocation of the Town of Newton Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

### **Section 3.8. Material Change to Town of Newton Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Town of Newton Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Town of Newton Renewable Energy Projects (the "**Revised Town of Newton Renewable Energy Projects**"), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Town of Newton Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Town of Newton Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Town of Newton Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Town of Newton Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Town of Newton Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### Town of Newton DRAW PAPERS; Town of Newton ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE

#### Section 4.1. Town of Newton Draw Papers.

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Town of Newton Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Town of Newton Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Town of Newton Renewable Energy Projects and the Town of Newton Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Town of Newton Renewable Energy Projects or the Town of Newton Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Town of Newton Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Town of Newton Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Town of Newton Capital Improvement Projects. The Licensor shall promptly review the Town of Newton Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Town of Newton Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Town of Newton Draw Papers where indicated, and promptly forward the original of such Town of Newton Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Town of Newton Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Town of Newton Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Town of Newton Construction Manager; provided, however, that any such

delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Town of Newton Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Town of Newton Draw Papers or (ii) delegate any such action to the Town of Newton Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Town of Newton Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Town of Newton Draw Papers to the Town of Newton Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Town of Newton Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Town of Newton Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Town of Newton Draw Papers or (ii) delegate any such action to the Town of Newton Construction Manager.

#### **Section 4.2. Town of Newton REP Acceptance Certificate Relating to the Town of Newton Renewable Energy Projects.**

(a) When the Company has determined that all of the Town of Newton Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Town of Newton Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Town of Newton REP Acceptance Certificate applicable to such Town of Newton Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Town of Newton REP Acceptance Certificate applicable to the Town of Newton Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Town of Newton REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Town of Newton REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Town of Newton REP Acceptance Certificate where indicated, and promptly forward the original of such Town of Newton REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Town of Newton Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Town of Newton REP Acceptance Certificate to the Town of Newton Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Town of Newton Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Town of Newton Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Town of Newton Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Town of Newton REP Acceptance Certificate or (ii) delegate any such action to the Town of Newton Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Town of Newton Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Town of Newton REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Town of Newton Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Town of Newton Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Town of Newton REP Acceptance Certificate or (ii) delegate any such action to the Town of Newton Construction Manager.

**Section 4.3. Town of Newton CIP Acceptance Certificate Relating to the Town of Newton Capital Improvement Projects.**

(a) When the Company has determined that all of the Town of Newton Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Town of Newton CIP Acceptance Certificate applicable to such Town of Newton Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Town of Newton CIP Acceptance Certificate applicable to the Town of Newton Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The

Licensors shall promptly contact the Company to clarify or otherwise change the Town of Newton CIP Acceptance Certificate to a form acceptable to Licensors. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Town of Newton CIP Acceptance Certificate from the Company in a form acceptable to the Licensors, the Licensors shall execute the acknowledgment form to such Town of Newton CIP Acceptance Certificate where indicated, and promptly forward the original of such Town of Newton CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensors may delegate to the Town of Newton Construction Manager the Licensors' rights to review, acknowledge, accept, execute and deliver the Town of Newton CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensors' filing of a Certificate of an Authorized Officer of the Licensors to such effect with the Trustee, with copies to the Authority, the Company, and the Town of Newton Construction Manager; provided, however, that any such delegation shall not absolve the Licensors from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensors' authorization, execution and delivery of this Town of Newton Local Unit License Agreement, the Licensors shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensors either to (i) review, acknowledge, accept, execute and deliver the Town of Newton CIP Acceptance Certificate or (ii) delegate any such action to the Town of Newton Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Town of Newton Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Town of Newton CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensors, and the Town of Newton Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Town of Newton Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Town of Newton CIP Acceptance Certificate or (ii) delegate any such action to the Town of Newton Construction Manager.

#### **Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensors the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensors, as relayed by the Licensors to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensors shall submit to the Authority and the Trustee a duly authorized, executed

and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Town of Newton Renewable Energy Projects and restoration of the Town of Newton Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Town of Newton Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the applicable Series 2011

Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Town of Newton Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Town of Newton Renewable Energy Projects located on, or as applicable, in the Town of Newton Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Town of Newton Renewable Energy Projects installed on or, as applicable, in the Town of Newton Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Town of Newton Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all the facts and circumstances of the marketplace for such Town of Newton Renewable Energy Projects at such time, including without limitation, its

continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Town of Newton Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Town of Newton Renewable Energy Projects from the Town of Newton Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Town of Newton Licensees, and (ii) restore, within a reasonable period of time, the Town of Newton Local Unit Facilities, as improved by the Town of Newton Capital Improvement Projects, to the condition prior to the installation of the Town of Newton Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Town of Newton Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

## **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this Town of Newton Local Unit License Agreement shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Town of Newton Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Town of Newton Renewable Energy Projects located on, or as applicable, in the Town of Newton Local Unit Facilities from the Authority, as owner of the Town of Newton Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Town of Newton Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the

Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Town of Newton Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Town of Newton Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Town of Newton Local Unit License Agreement:

(i) the Authority or any other Town of Newton Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Town of Newton Licensee to be performed or observed under this Town of Newton Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Town of Newton Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Town of Newton Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Town of Newton Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Licensor to be performed or observed under this Town of Newton Local

Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Town of Newton Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Town of Newton Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Town of Newton Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Town of Newton Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Town of Newton Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Town of Newton Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Town of Newton Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Town of Newton Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Town of Newton Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Town of Newton Local Unit License Agreement and the Town of Newton Local Unit License granted herein shall terminate against the Authority, after which date all Town of Newton Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Town of Newton Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Town of Newton Renewable Energy Projects shall have been removed from the Town of Newton Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Town of Newton Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Town of Newton Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate this Town of Newton Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the

Licensee agree in writing to terminate this Town of Newton Local Unit License Agreement].

(c) The "Term" of this Town of Newton Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Town of Newton Local Unit License Agreement, none of the Licensor, the Authority, nor any other Town of Newton Licensees shall have any further rights, duties or obligations with respect to the Town of Newton Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Town of Newton Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Town of Newton Licensees to gain access under the Town of Newton Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority's rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Town of Newton Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**[Attach Town of Newton REP Acceptance Certificate]**

I, the undersigned \_\_\_\_\_, a duly authorized officer of SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "Company"), pursuant to the terms of that certain "Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "Company Lease Agreement") between The Morris County Improvement Authority, as lessor (the "Authority"), and the Company, as lessee, and with reference to the Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "Town of Newton Renewable Energy Projects") being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "Licensor") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_\_\_, the Town of Newton Renewable Energy Projects have been designed, acquired, constructed, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use. Attached hereto are the required engineering certifications and / or reports evidencing same.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Town of Newton Renewable Energy Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Town of Newton Renewable Energy Projects, including the design, permitting, acquisition, construction and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction and installation thereof].

3. The Town of Newton Renewable Energy Projects, having been designed, acquired, constructed and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, are hereby accepted for use by the Company, with title thereto as set forth in Section 609(a) of the Company Lease Agreement, to generate renewable energy therefrom to be sold through the Authority to the Licensor, all as set forth in the Program Documents. This Section 3, together with the Licensor's acknowledgment below by an Authorized Officer thereof, shall constitute the Company's and the Licensor's acceptance of the Town of Newton Renewable Energy Projects for all purposes of Section 510(d)(i)(C) of the Company Lease Agreement and Section 5.02(3)(a)(i)(C) of the Bond Resolution.

4. Attached hereto is one or more duly authorized, fully executed and delivered copy or copies of the Town of Newton Interconnection Agreement(s) with the applicable local electric utility distribution provider with respect to all of the Town of Newton Renewable Energy Projects.

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Byram Township Board of Education Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among Byram Township Board of Education (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and biomass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*" and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township Board of Education School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*);

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units). under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series

2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of

Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

- (c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the

Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented

from time to time in accordance with its terms, the "*County Security Agreement*") among, at a minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and

the funding of the County Reserve described above (i) reduce the amount of the Series 2011 Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County*

*Continuing Disclosure Agreement*” and together with the Company Continuing Disclosure Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “County Documents”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**NOW, THEREFORE,** for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agrees as follows:

**Term**

(d) The following defined terms shall, for all purposes of this Byram Township Board of Education Local Unit License Agreement, have the following meanings:

“**Byram Township Board of Education Acceptance Certificates**” shall mean individually or collectively, as the case may be, the Byram Township Board of Education CIP Acceptance Certificate and the Byram Township Board of Education REP Acceptance Certificate, each in the form attached as **Exhibit E** to the Byram Township Board of Education Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

“**Byram Township Board of Education CIP Acceptance Certificate**” shall mean the certificate applicable to the Byram Township Board of Education Capital Improvement Projects in the form attached as **Exhibit E-2** to the Byram Township Board of Education Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the Byram Township Board of Education Capital Improvement Projects, all as set forth in Section 4.3 of the Byram Township Board of Education Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Byram Township Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Byram Township Board of Education Local Unit License Agreement. The Parties acknowledge and agree that no Byram Township

Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**“Byram Township Board of Education Construction Manager”** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Byram Township Board of Education Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Byram Township Board of Education Renewable Energy Projects or (ii) Byram Township Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Byram Township Board of Education Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Byram Township Board of Education Renewable Energy Projects or the Byram Township Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the Byram Township Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Byram Township Board of Education Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Byram Township Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Byram Township Board of Education REP Acceptance Certificate”** shall mean the certificate applicable to the Byram Township Board of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the Byram Township Board of Education Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Byram Township Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the Byram Township Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the School Business Administrator or such other person designated as an Authorized Officer in the Byram Township Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Byram Township Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Byram Township Board of Education Draw Papers, the Byram Township Board of Education Acceptance Certificates, and any Byram Township Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Byram Township Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the Byram Township Board of Education Local Unit Facilities and the land underlying the Byram Township Board of Education Local Unit Facilities. There are no mortgages or other liens against the Byram Township Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Byram Township Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Byram Township Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Byram Township Board of Education CIP Acceptance Certificate with respect to the Byram Township Board of Education Capital Improvement Projects, if any, the Licensor shall own such Byram Township Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Byram Township Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Byram Township Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Byram Township Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Byram Township Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Byram Township Board of Education Renewable Energy Projects on, or as applicable, in the Byram Township Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital

Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Byram Township Board of Education Capital Improvement Projects on or as applicable, in the Byram Township Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Byram Township Board of Education Renewable Energy Projects on or as applicable, in or about the Byram Township Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Byram Township Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Byram Township Board of Education Capital Improvement Projects on or as applicable, in or about the Byram Township Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Byram Township Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Byram Township Board of Education Capital Improvement Projects under the Program Documents and any references herein to Byram Township Board of Education Capital Improvement Projects, Byram Township Board of Education Capital Improvement Project Fund, Byram Township Board of Education CIP Acceptance Certificates or any other term defined by reference to Byram Township Board of Education Capital Improvement Projects (without limiting the application of any such term to the extent not related to Byram Township Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the

County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Byram Township Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Byram Township Board of Education Local Unit License Agreement (each, an "**Byram Township Board of Education Licensee**", and collectively, the "**Byram Township Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Byram Township Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Byram Township Board of Education Licensee access to the Byram Township Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Byram Township Board of Education Local Unit License Agreement, a license (the "**Byram Township Board of Education Local Unit License**") allowing each Byram Township Board of Education Licensee to enter the Byram Township Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Byram Township Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Byram Township Board of Education Capital Improvement Projects**"), and together with the Byram Township Board of Education Renewable Energy Projects, the "**Byram Township Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Byram Township Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other Byram Township Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Byram Township Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Byram Township Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Byram Township Board of Education Local Unit Facilities.

(b) For all purposes of this Byram Township Board of Education Local Unit License Agreement, the Byram Township Board of Education Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall

include, as Byram Township Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Byram Township Board of Education Activities, which preliminary Byram Township Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Byram Township Board of Education Licensees shall have access to the Byram Township Board of Education Local Unit Facilities to conduct Byram Township Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Byram Township Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Byram Township Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Byram Township Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Byram Township Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Byram Township Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Byram Township Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the Byram Township Board of Education Project Activities shall be undertaken on the Byram Township Board of Education Local Unit Facilities by the Authority or any other Byram Township Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensors shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensors is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensors shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Byram Township Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Byram Township Board of Education Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Byram Township Board of Education Local Unit License Agreement, the Byram Township Board of Education License shall permit the Byram Township Board of Education Licensees to enter upon the Byram Township Board of Education Local Unit Facilities to conduct the Byram Township Board of Education Project Activities, at which time any such Byram Township Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this Byram Township Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Byram Township Board of Education Project Activities, the Authority and/or any other Byram Township Board of Education Licensee shall afford the Licensors and/or its representatives, the opportunity to observe all Byram Township Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any Byram Township Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensors hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Byram Township Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensors', or its representatives' or consultant's entry or activities on the Byram Township Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Byram Township Board of Education Licensees, to promptly provide the Licensors with copies of any final written reports prepared, compiled or generated as part of the Byram Township Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensors shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Byram Township Board of Education Local Unit License, to inspect the Byram Township Board of Education Local Unit Facilities and/or the Byram Township Board of Education Renewable Energy Projects during the Term of this Byram Township Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Byram Township Board of Education Local Unit License under this Byram Township Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Byram Township Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Byram Township Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Byram Township Board of Education Project Activities on the Byram Township Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Byram Township Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the Byram Township Board of Education Local Unit Facilities are unavailable to allow the Company to perform Byram Township Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Byram Township Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Byram Township Board of Education Local Unit License for the Byram Township Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Byram Township Board of Education Renewable Energy Projects, with as similar physical conditions to the existing Byram Township Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Byram Township Board of Education Renewable Energy Project on the Byram Township Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Byram Township Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Byram Township Board of Education Renewable Energy Projects located on, or as applicable in, the Byram Township Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Byram Township Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Byram Township Board of Education Local Unit Facilities for all purposes of this Byram Township Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new Byram Township Board of Education Renewable Energy Projects on, or as applicable in, such new Byram Township Board of Education Local Unit Facilities shall be deemed the new Byram Township Board of Education Renewable Energy Projects for all purposes of this Byram Township Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Byram Township Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Byram Township Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to

secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Byram Township Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Byram Township Board of Education Renewable Energy Projects been operating at the Byram Township Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Byram Township Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Byram Township Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Byram Township Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Byram Township Board of Education Local Unit Facility as a result of which such Byram Township Board of Education Local Unit Facility is unavailable to allow the Company to perform its Byram Township Board

of Education Project Activities shall be deemed to be a revocation of the Byram Township Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to Byram Township Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Byram Township Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Byram Township Board of Education Renewable Energy Projects (the “**Revised Byram Township Board of Education Renewable Energy Projects**”), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Byram Township Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Byram Township Board of Education Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Byram Township Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Byram Township Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Byram Township Board of Education Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### **Byram Township Board of Education DRAW PAPERS; Byram Township Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. Byram Township Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Byram Township Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Byram Township Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Byram Township Board of Education Renewable Energy Projects and the Byram Township Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Byram Township Board of Education Renewable Energy Projects or the Byram Township Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Byram Township Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Byram Township Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Byram Township Board of Education Capital Improvement Projects. The Licensor shall promptly review the Byram Township Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Byram Township Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Byram Township Board of Education Draw Papers where indicated, and promptly forward the original of such Byram Township Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Byram Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Byram Township Board of Education Draw Papers, which delegation shall be conclusively evidenced by the

Licensors' filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Byram Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Byram Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Byram Township Board of Education Draw Papers or (ii) delegate any such action to the Byram Township Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Byram Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Byram Township Board of Education Draw Papers to the Byram Township Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Byram Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Byram Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Byram Township Board of Education Draw Papers or (ii) delegate any such action to the Byram Township Board of Education Construction Manager.

**Section 4.2. Byram Township Board of Education REP Acceptance Certificate Relating to the Byram Township Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the Byram Township Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Byram Township Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Byram Township Board of Education REP Acceptance Certificate applicable to such Byram Township Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Byram Township Board of Education REP Acceptance Certificate applicable to the Byram Township Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Byram Township Board of Education REP Acceptance

Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Byram Township Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Byram Township Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such Byram Township Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Byram Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Byram Township Board of Education REP Acceptance Certificate to the Byram Township Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Byram Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Byram Township Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Byram Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Byram Township Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Byram Township Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Byram Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Byram Township Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Byram Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Byram Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Byram Township Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Byram Township Board of Education Construction Manager.

**Section 4.3. Byram Township Board of Education CIP Acceptance Certificate Relating to the Byram Township Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the Byram Township Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Byram Township Board of Education CIP Acceptance Certificate applicable to such Byram Township Board of Education Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Byram Township Board of Education CIP Acceptance Certificate applicable to the Byram Township Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Byram Township Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Byram Township Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Byram Township Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such Byram Township Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Byram Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Byram Township Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Byram Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Byram Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Byram Township Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Byram Township Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Byram Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Byram Township Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Byram Township Board of Education Construction Manager; provided, however, that any such

delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Byram Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Byram Township Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Byram Township Board of Education Construction Manager.

**Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Byram Township Board of Education Renewable Energy Projects and restoration of the Byram Township Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Byram Township Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the applicable Series

2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Byram Township Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Byram Township Board of Education Renewable Energy Projects located on, or as applicable, in the Byram Township Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Byram Township Board of Education Renewable Energy Projects installed on or, as applicable, in the Byram Township Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Byram Township Board of Education Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all

the facts and circumstances of the marketplace for such Byram Township Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Byram Township Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Byram Township Board of Education Renewable Energy Projects from the Byram Township Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Byram Township Board of Education Licensees, and (ii) restore, within a reasonable period of time, the Byram Township Board of Education Local Unit Facilities, as improved by the Byram Township Board of Education Capital Improvement Projects, to the condition prior to the installation of the Byram Township Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Byram Township Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this Byram Township Board of Education Local Unit License Agreement

shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Byram Township Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Byram Township Board of Education Renewable Energy Projects located on, or as applicable, in the Byram Township Board of Education Local Unit Facilities from the Authority, as owner of the Byram Township Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Byram Township Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a

portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Byram Township Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Byram Township Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Byram Township Board of Education Local Unit License Agreement:

(i) the Authority or any other Byram Township Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Byram Township Board of Education Licensee to be performed or observed under this Byram Township Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Byram Township Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Byram Township Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Byram Township Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part

of the Licensor to be performed or observed under this Byram Township Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Byram Township Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Byram Township Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Byram Township Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Byram Township Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Byram Township Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Byram Township Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Byram Township Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Byram Township Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Byram Township Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Byram Township Board of Education Local Unit License Agreement and the Byram Township Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all Byram Township Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Byram Township Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Byram Township Board of Education Renewable Energy Projects shall have been removed from the Byram Township Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Byram Township Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Byram Township Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate

this Byram Township Board of Education Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this Byram Township Board of Education Local Unit License Agreement].

(c) The “**Term**” of this Byram Township Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Byram Township Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other Byram Township Board of Education Licensees shall have any further rights, duties or obligations with respect to the Byram Township Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Byram Township Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Byram Township Board of Education Licensees to gain access under the Byram Township Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Byram Township Board of Education Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**Section 7.4. Successors and Assigns.** This Byram Township Board of Education Local Unit License Agreement shall inure to the benefit of and be binding upon the parties and acknowledgment parties hereto, and their respective successors and/or assigns.

**Section 7.5. Entire Agreement; Third Party Beneficiaries and Obligors.** This Byram Township Board of Education Local Unit License Agreement contains the entire agreement among the parties and may not be modified, amended, altered or cancelled except upon the prior express written consent of the parties hereto. This Byram Township Board of Education Local Unit License Agreement and the duties and obligations contained herein shall be solely for the benefit of the parties hereto and, where specifically provided herein, the Company and the other Byram Township Board of Education Licensees, which upon commencing any action contemplated hereunder, shall automatically also constitute third-party obligors hereunder.

**Section 7.6. Governing Law.** This Byram Township Board of Education Local Unit License Agreement shall be governed by the laws of the State of New Jersey without regard to principles of conflicts of laws thereunder.

**Section 7.7. Severability.** If any provision of this Byram Township Board of Education Local Unit License Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever. To the extent any provision of this Byram Township Board of Education Local Unit License Agreement conflicts with the provisions of any other Program Document, the parties and acknowledgment parties hereto expressly acknowledge that the provisions of this Byram Township Board of Education Local Unit License Agreement shall control.

**Section 7.8. Counterparts.** This Byram Township Board of Education Local Unit License Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

**Section 7.9. Effective Date.** This Byram Township Board of Education Local Unit License Agreement shall be effective as of the date hereof and shall terminate in accordance with the provisions hereof, including Section 7.1 hereof.

**Section 7.10. Waiver of Sovereign Immunity.** For the purposes of this Byram Township Board of Education Local Unit License Agreement, each of the Authority and the Licensor acknowledge and agree that (a) its execution and delivery of this Byram Township Board of Education Local Unit License Agreement and (b) its performance of the actions contemplated by this Byram Township Board of Education Local Unit License Agreement, constitute private and commercial acts rather than public or governmental acts. To the extent that, in any jurisdiction, the Authority or the Licensor in respect of itself or its assets, properties

or revenues, shall be entitled to any contract immunity from suit, from the jurisdiction of any court, from attachment prior to judgment, from attachment in aid of execution of judgment, from execution, or enforcement of a judgment, or from any other legal or judicial process or remedy, such party hereby, except with respect to tort claims related to this License Agreement, (i) expressly and irrevocably agrees not to claim or assert, and expressly and irrevocably waives, any such immunity to the fullest extent permitted by the laws of such jurisdiction solely as to the Company and (ii) consents generally to the giving of any relief or the issue of any process in connection with any proceeding. This waiver does not apply to any Series 2011 Local Units tort immunity as established by law.

[Trustee]

Re: The Morris County Improvement Authority  
County Guaranteed Renewable Energy Program Lease Revenue Bonds,  
Series 2011 (the "Series 2011 Bonds")

Dear Sir or Madam:

Pursuant to (i) Section 510(c) of that certain "Lease Purchase Agreement (Morris County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") by and between The Morris County Improvement Authority (the "**Authority**"), as lessor, and SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), as lessee, and (ii) Section 5.02(2) of the Authority's bond resolution duly adopted July 20, 2011 and entitled "Resolution Authorizing the Issuance of County of Sussex Guaranteed Renewable Energy Program Lease Revenue Notes and Bonds, Series 2011 and Additional Bonds of The Morris County Improvement Authority", as amended and supplemented, and (iii) with respect to the [Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Byram Township Board of Education Renewable Energy Projects**")] [Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "**Byram Township Board of Education Capital Improvement Projects**")] being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensors**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), the Company, by its Authorized Officer stated below, **DOES HEREBY CERTIFY** and **REQUISITION** moneys on deposit in the Project Fund and held by U.S. Bank National Association, as trustee (the "**Trustee**") for the holders of the Series 2011 Bonds, as follows:

1. The Trustee is hereby requested to pay \$ \_\_\_\_\_ from moneys on deposit in the Project Fund equal to the aggregate Project Costs for which payment or reimbursement is being sought by this requisition.

(a) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_];

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]; and

(b) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_]

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]

{Please Note, Include Name and Address of any Contractor and the specific Development  
Contract pursuant to which this Requisition is submitted}

2. (a) Such funds requested in accordance with Section 1(a) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Byram Township Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Byram Township Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

(b) Such funds requested in accordance with Section 1(b) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Byram Township Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Byram Township Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

3. Such payment obligation, for which funds have been requested in accordance with Section [1(a)] [1(b)] of this Requisition, (i) has been properly incurred in accordance with the Plans and Specifications, (ii) is an item of the Cost of such Project, (iii) is a proper charge against the Project Fund, (iv) has not been the basis of any previous withdrawal, and (v) attached hereto is a bill, invoice, receipt or other evidence that payment on such Project Cost is due and owing or has been paid by or on behalf of the Company. This Requisition, together with any such attachments contemplated by clause (v) above, shall constitute Draw Papers submitted on a Draw

Date for all purposes of the Company Lease Agreement, the Bond Resolution and the Local Unit License Agreement for the Licensor.

4. This requisition may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

### [Attach Byram Township Board of Education REP Acceptance Certificate]

I, the undersigned \_\_\_\_\_, a duly authorized officer of SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), pursuant to the terms of that certain "Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") between The Morris County Improvement Authority, as lessor (the "**Authority**"), and the Company, as lessee, and with reference to the Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Byram Township Board of Education Renewable Energy Projects**") being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensors**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_\_\_, the Byram Township Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use. Attached hereto are the required engineering certifications and / or reports evidencing same.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Byram Township Board of Education Renewable Energy Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Byram Township Board of Education Renewable Energy Projects, including the design, permitting, acquisition, construction and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction and installation thereof].

3. The Byram Township Board of Education Renewable Energy Projects, having been designed, acquired, constructed and installed by or on behalf of the Company on the Local Unit Facilities for the Licensors with a portion of the proceeds of the Bonds, are hereby accepted for use by the Company, with title thereto as set forth in Section 609(a) of the Company Lease Agreement, to generate renewable energy therefrom to be sold through the Authority to the Licensors, all as set forth in the Program Documents. This Section 3, together with the Licensors' acknowledgment below by an Authorized Officer thereof, shall constitute the Company's and the Licensors' acceptance of the Byram Township Board of Education Renewable Energy Projects for all purposes of Section 510(d)(i)(C) of the Company Lease Agreement and Section 5.02(3)(a)(i)(C) of the Bond Resolution.

4. Attached hereto is one or more duly authorized, fully executed and delivered copy or copies of the Byram Township Board of Education Interconnection Agreement(s) with the applicable local electric utility distribution provider with respect to all of the Byram Township Board of Education Renewable Energy Projects.

5. [Choose one, as applicable]

[This REP Acceptance Certificate is not the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and accordingly, any moneys on deposit in the Project Fund, if any, including interest, earmarked for the Byram Township Board of Education Renewable Energy Projects shall remain on deposit in the Project Fund for Costs of other Projects.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall not have caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, nor has the Company acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered REP Acceptance Certificate, any moneys on deposit in the Project Fund, without further authorization, shall first be applied to reimburse the Company for its withheld retainage under the Company Lease Agreement, and the excess after such application shall be transferred by the Trustee to the Debt Service Fund and applied as a credit to the next due Basic Lease Payments owed by the Company, in accordance with the terms of the Bond Resolution and the Company Lease Agreement.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall have either caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, or the Company has acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered REP Acceptance Certificate, any moneys on deposit in the Project Fund, shall be applied as set forth in a Certificate of an Authorized Officer of the Authority.]

5. This REP Acceptance Certificate may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

### [Attach Byram Township Board of Education CIP Acceptance Certificate]

I, the undersigned \_\_\_\_\_, a duly authorized officer of [COMPANY], [a Delaware limited liability company] (the "Company"), pursuant to the terms of that certain "Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "Company Lease Agreement") between The Morris County Improvement Authority, as lessor (the "Authority"), and the Company, as lessee, and with reference to the Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "Byram Township Board of Education Capital Improvement Projects") being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "Licensor") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_, the Byram Township Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Byram Township Board of Education Capital Improvement Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Byram Township Board of Education Capital Improvement Projects, including the design, permitting, acquisition, construction, renovation, and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction, renovation, and installation thereof].

3. By obtaining the Licensor's execution of the acknowledgment below, the Company is satisfying the requirement regarding the Licensor's acceptance of (a) the Byram Township Board of Education Capital Improvement Projects for all purposes of Section 510(d)(ii)(C) of the Company Lease Agreement and Section 5.02(3)(a)(ii)(C) of the Bond Resolution, which Byram Township Board of Education Capital Improvement Projects, were designed, acquired, constructed, renovated, and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, with title thereto as set forth in Section 609 of the Company Lease Agreement and (b) the CIP Acceptance State. This Section 3, together with the Licensor's acknowledgment below by an Authorized Officer thereof, shall constitute the Licensor's acceptance of the Byram Township Board of Education Capital Improvement Projects for all purposes of Section 510(d)(ii)(C) of the Company Lease Agreement and Section 5.02(3)(a)(ii)(C) of the Bond Resolution.

4. [Choose one, as applicable]

[This CIP Acceptance Certificate is not the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and

accordingly, any moneys on deposit in the Project Fund, if any, including interest, earmarked for the Byram Township Board of Education Capital Improvement Projects shall remain on deposit in the Project Fund for Costs of other Projects.]

[This CIP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall not have caused an Event of Default under the Company Lease Agreement as of the date of this CIP Acceptance Certificate, nor has the Company acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered CIP Acceptance Certificate, any moneys on deposit in the Project Fund, without further authorization, shall first be applied to reimburse the Company for its withheld retainage under the Company Lease Agreement, and the excess after such application shall be transferred by the Trustee to the Debt Service Fund and applied as a credit to the next due Basic Lease Payments owed by the Company, in accordance with the terms of the Bond Resolution and the Company Lease Agreement.]

[This CIP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall have either caused an Event of Default under the Company Lease Agreement as of the date of this CIP Acceptance Certificate, or the Company has acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered CIP Acceptance Certificate, any moneys on deposit in the Project Fund, shall be applied as set forth in a Certificate of an Authorized Officer of the Authority.]

5. This CIP Acceptance Certificate may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Frankford Township Board of Education Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among Frankford Township Board of Education (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and biomass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*") and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*);

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

(c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the *In-Kind Equity Contribution*, together with the *Cash Equity Contribution* shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “*County Documents*”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**Term**

(d) The following defined terms shall, for all purposes of this Frankford Township Board of Education Local Unit License Agreement, have the following meanings:

**“Frankford Township Board of Education Acceptance Certificates”** shall mean individually or collectively, as the case may be, the Frankford Township Board of Education CIP Acceptance Certificate and the Frankford Township Board of Education REP Acceptance Certificate, each in the form attached as **Exhibit E** to the Frankford Township Board of Education Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

**“Frankford Township Board of Education CIP Acceptance Certificate”** shall mean the certificate applicable to the Frankford Township Board of Education Capital Improvement Projects in the form attached as **Exhibit E-2** to the Frankford Township Board of Education Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the Frankford Township Board of Education Capital Improvement Projects, all as set forth in Section 4.3 of the Frankford Township Board of Education Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Frankford Township Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Frankford Township Board of Education Local Unit License Agreement. The Parties acknowledge and

agree that no Frankford Township Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**“Frankford Township Board of Education Construction Manager”** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Frankford Township Board of Education Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Frankford Township Board of Education Renewable Energy Projects or (ii) Frankford Township Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Frankford Township Board of Education Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Frankford Township Board of Education Renewable Energy Projects or the Frankford Township Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the Frankford Township Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Frankford Township Board of Education Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Frankford Township Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Frankford Township Board of Education REP Acceptance Certificate”** shall mean the certificate applicable to the Frankford Township Board of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the Frankford Township Board of Education Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Frankford Township Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the Frankford Township Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the Board President and School Business Administrator or such other person designated as an Authorized Officer in the Frankford Township Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Frankford Township Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Frankford Township Board of Education Draw Papers, the Frankford Township Board of Education Acceptance Certificates, and any Frankford Township Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Frankford Township Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the Frankford Township Board of Education Local Unit Facilities and the land underlying the Frankford Township Board of Education Local Unit Facilities. There are no mortgages or other liens against the Frankford Township Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Frankford Township Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Frankford Township Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Frankford Township Board of Education CIP Acceptance Certificate with respect to the Frankford Township Board of Education Capital Improvement Projects, if any, the Licensor shall own such Frankford Township Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Frankford Township Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Frankford Township Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Frankford Township Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Frankford Township Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Frankford Township Board of Education Renewable Energy Projects on, or as applicable, in the Frankford Township Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital

Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Frankford Township Board of Education Capital Improvement Projects on or as applicable, in the Frankford Township Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Frankford Township Board of Education Renewable Energy Projects on or as applicable, in or about the Frankford Township Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Frankford Township Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Frankford Township Board of Education Capital Improvement Projects on or as applicable, in or about the Frankford Township Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Frankford Township Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Frankford Township Board of Education Capital Improvement Projects under the Program Documents and any references herein to Frankford Township Board of Education Capital Improvement Projects, Frankford Township Board of Education Capital Improvement Project Fund, Frankford Township Board of Education CIP Acceptance Certificates or any other term defined by reference to Frankford Township Board of Education Capital Improvement Projects (without limiting the application of any such term to the extent not related to Frankford Township Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding

of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Frankford Township Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Frankford Township Board of Education Local Unit License Agreement (each, an "**Frankford Township Board of Education Licensee**", and collectively, the "**Frankford Township Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Frankford Township Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Frankford Township Board of Education Licensee access to the Frankford Township Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Frankford Township Board of Education Local Unit License Agreement, a license (the "**Frankford Township Board of Education Local Unit License**") allowing each Frankford Township Board of Education Licensee to enter the Frankford Township Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Frankford Township Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Frankford Township Board of Education Capital Improvement Projects**"), and together with the Frankford Township Board of Education Renewable Energy Projects, the "**Frankford Township Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Frankford Township Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other Frankford Township Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Frankford Township Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Frankford Township Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Frankford Township Board of Education Local Unit Facilities.

(b) For all purposes of this Frankford Township Board of Education Local Unit License Agreement, the Frankford Township Board of Education Local Unit License shall

be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as Frankford Township Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Frankford Township Board of Education Activities, which preliminary Frankford Township Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Frankford Township Board of Education Licensees shall have access to the Frankford Township Board of Education Local Unit Facilities to conduct Frankford Township Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Frankford Township Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Frankford Township Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Frankford Township Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Frankford Township Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Frankford Township Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Frankford Township Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the Frankford Township Board of Education Project Activities shall be undertaken on the Frankford Township Board of Education Local Unit Facilities by the Authority or any other Frankford Township Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensors shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensors is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensors shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Frankford Township Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Frankford Township Board of Education Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Frankford Township Board of Education Local Unit License Agreement, the Frankford Township Board of Education License shall permit the Frankford Township Board of Education Licensees to enter upon the Frankford Township Board of Education Local Unit Facilities to conduct the Frankford Township Board of Education Project Activities, at which time any such Frankford Township Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this Frankford Township Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Frankford Township Board of Education Project Activities, the Authority and/or any other Frankford Township Board of Education Licensee shall afford the Licensors and/or its representatives, the opportunity to observe all Frankford Township Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any Frankford Township Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensors hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Frankford Township Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensors's, or its representatives' or consultant's entry or activities on the Frankford Township Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Frankford Township Board of Education Licensees, to promptly provide the Licensors with copies of any final written reports prepared, compiled or generated as part of the Frankford Township Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensors shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Frankford Township Board of Education Local Unit License, to inspect the Frankford Township Board of Education Local Unit Facilities and/or the Frankford Township Board of Education Renewable Energy Projects during the Term of this Frankford Township Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Frankford Township Board of Education Local Unit License under this Frankford Township Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Frankford Township Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Frankford Township Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Frankford Township Board of Education Project Activities on the Frankford Township Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Frankford Township Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the Frankford Township Board of Education Local Unit Facilities are unavailable to allow the Company to perform Frankford Township Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Frankford Township Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Frankford Township Board of Education Local Unit License for the Frankford Township Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Frankford Township Board of Education Renewable Energy Projects, with as similar physical conditions to the existing Frankford Township Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Frankford Township Board of Education Renewable Energy Project on the Frankford Township Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Frankford Township Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Frankford Township Board of Education Renewable Energy Projects located on, or as applicable in, the Frankford Township Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Frankford Township Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Frankford Township Board of Education Local Unit Facilities for all purposes of this Frankford Township Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new Frankford Township Board of Education Renewable Energy Projects on, or as applicable in, such new Frankford Township Board of Education Local Unit Facilities shall be deemed the new Frankford Township Board of Education Renewable Energy Projects for all purposes of this Frankford Township Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Frankford Township Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Frankford Township Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Frankford Township Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Frankford Township Board of Education Renewable Energy Projects been operating at the Frankford Township Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Frankford Township Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Frankford Township Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Frankford Township Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Frankford Township Board of Education Local Unit Facility as a result of which such Frankford Township Board of Education Local Unit Facility is unavailable to allow the Company to perform its Frankford Township Board of Education Project Activities shall be deemed to be a revocation of the Frankford Township Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to Frankford Township Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Frankford Township Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Frankford Township Board of Education Renewable Energy Projects (the "**Revised Frankford Township Board of Education Renewable Energy Projects**"), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Frankford Township Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Frankford Township Board of Education Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Frankford Township Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Frankford Township Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Frankford Township Board of Education Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### **Frankford Township Board of Education DRAW PAPERS; Frankford Township Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. Frankford Township Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Frankford Township Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Frankford Township Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Frankford Township Board of Education Renewable Energy Projects and the Frankford Township Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Frankford Township Board of Education Renewable Energy Projects or the Frankford Township Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Frankford Township Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Frankford Township Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Frankford Township Board of Education Capital Improvement Projects. The Licensor shall promptly review the Frankford Township Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Frankford Township Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Frankford Township Board of Education Draw Papers where indicated, and promptly forward the original of such Frankford Township Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Frankford Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Frankford Township

Board of Education Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Frankford Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Frankford Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Frankford Township Board of Education Draw Papers or (ii) delegate any such action to the Frankford Township Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Frankford Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Frankford Township Board of Education Draw Papers to the Frankford Township Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Frankford Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Frankford Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Frankford Township Board of Education Draw Papers or (ii) delegate any such action to the Frankford Township Board of Education Construction Manager.

**Section 4.2. Frankford Township Board of Education REP Acceptance Certificate Relating to the Frankford Township Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the Frankford Township Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Frankford Township Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Frankford Township Board of Education REP Acceptance Certificate applicable to such Frankford Township Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Frankford Township Board of Education REP Acceptance Certificate applicable to the Frankford Township Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company

to clarify or otherwise change the Frankford Township Board of Education REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Frankford Township Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Frankford Township Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such Frankford Township Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Frankford Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Frankford Township Board of Education REP Acceptance Certificate to the Frankford Township Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Frankford Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Frankford Township Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Frankford Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Frankford Township Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Frankford Township Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Frankford Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Frankford Township Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Frankford Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Frankford Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Frankford Township Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Frankford Township Board of Education Construction Manager.

**Section 4.3. Frankford Township Board of Education CIP Acceptance Certificate Relating to the Frankford Township Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the Frankford Township Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Frankford Township Board of Education CIP Acceptance Certificate applicable to such Frankford Township Board of Education Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Frankford Township Board of Education CIP Acceptance Certificate applicable to the Frankford Township Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Frankford Township Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Frankford Township Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Frankford Township Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such Frankford Township Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Frankford Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Frankford Township Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Frankford Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Frankford Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Frankford Township Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Frankford Township Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Frankford Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Frankford Township Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the

Frankford Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Frankford Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Frankford Township Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Frankford Township Board of Education Construction Manager.

**Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Frankford Township Board of Education Renewable Energy Projects and restoration of the Frankford Township Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Frankford Township Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the

applicable Series 2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Frankford Township Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Frankford Township Board of Education Renewable Energy Projects located on, or as applicable, in the Frankford Township Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Frankford Township Board of Education Renewable Energy Projects installed on or, as applicable, in the Frankford Township Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Frankford Township Board of Education Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall

take into account all the facts and circumstances of the marketplace for such Frankford Township Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Frankford Township Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Frankford Township Board of Education Renewable Energy Projects from the Frankford Township Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Frankford Township Board of Education Licensees, and (ii) restore, within a reasonable period of time, the Frankford Township Board of Education Local Unit Facilities, as improved by the Frankford Township Board of Education Capital Improvement Projects, to the condition prior to the installation of the Frankford Township Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Frankford Township Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power

Purchase Agreement, this Frankford Township Board of Education Local Unit License Agreement shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Frankford Township Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Frankford Township Board of Education Renewable Energy Projects located on, or as applicable, in the Frankford Township Board of Education Local Unit Facilities from the Authority, as owner of the Frankford Township Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Frankford Township Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase

Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Frankford Township Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Frankford Township Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Frankford Township Board of Education Local Unit License Agreement:

(i) the Authority or any other Frankford Township Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Frankford Township Board of Education Licensee to be performed or observed under this Frankford Township Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Frankford Township Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Frankford Township Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Frankford Township Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part

of the Licensor to be performed or observed under this Frankford Township Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Frankford Township Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Frankford Township Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Frankford Township Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Frankford Township Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Frankford Township Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Frankford Township Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Frankford Township Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Frankford Township Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Frankford Township Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Frankford Township Board of Education Local Unit License Agreement and the Frankford Township Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all Frankford Township Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Frankford Township Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Frankford Township Board of Education Renewable Energy Projects shall have been removed from the Frankford Township Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Frankford Township Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Frankford Township Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate

this Frankford Township Board of Education Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this Frankford Township Board of Education Local Unit License Agreement].

(c) The “**Term**” of this Frankford Township Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Frankford Township Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other Frankford Township Board of Education Licensees shall have any further rights, duties or obligations with respect to the Frankford Township Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Frankford Township Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Frankford Township Board of Education Licensees to gain access under the Frankford Township Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Frankford Township Board of Education Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

Re: The Morris County Improvement Authority  
County Guaranteed Renewable Energy Program Lease Revenue Bonds,  
Series 2011 (the "Series 2011 Bonds")

Dear Sir or Madam:

Pursuant to (i) Section 510(c) of that certain "Lease Purchase Agreement (Morris County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") by and between The Morris County Improvement Authority (the "**Authority**"), as lessor, and SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), as lessee, and (ii) Section 5.02(2) of the Authority's bond resolution duly adopted July 20, 2011 and entitled "Resolution Authorizing the Issuance of County of Sussex Guaranteed Renewable Energy Program Lease Revenue Notes and Bonds, Series 2011 and Additional Bonds of The Morris County Improvement Authority", as amended and supplemented, and (iii) with respect to the [Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Frankford Township Board of Education Renewable Energy Projects**") [Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "**Frankford Township Board of Education Capital Improvement Projects**")]] being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensor**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), the Company, by its Authorized Officer stated below, **DOES HEREBY CERTIFY** and **REQUISITION** moneys on deposit in the Project Fund and held by U.S. Bank National Association, as trustee (the "**Trustee**") for the holders of the Series 2011 Bonds, as follows:

1. The Trustee is hereby requested to pay \$\_\_\_\_\_ from moneys on deposit in the Project Fund equal to the aggregate Project Costs for which payment or reimbursement is being sought by this requisition.

(a) \$\_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_];

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]; and

(b) \$\_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for

I, the undersigned \_\_\_\_\_, a duly authorized officer of SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), pursuant to the terms of that certain "Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") between The Morris County Improvement Authority, as lessor (the "**Authority**"), and the Company, as lessee, and with reference to the Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Frankford Township Board of Education Renewable Energy Projects**") being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensor**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_, the Frankford Township Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use. Attached hereto are the required engineering certifications and / or reports evidencing same.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Frankford Township Board of Education Renewable Energy Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Frankford Township Board of Education Renewable Energy Projects, including the design, permitting, acquisition, construction and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction and installation thereof].

3. The Frankford Township Board of Education Renewable Energy Projects, having been designed, acquired, constructed and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, are hereby accepted for use by the Company, with title thereto as set forth in Section 609(a) of the Company Lease Agreement, to generate renewable energy therefrom to be sold through the Authority to the Licensor, all as set forth in the Program Documents. This Section 3, together with the Licensor's acknowledgment below by an Authorized Officer thereof, shall constitute the Company's and the Licensor's acceptance of the Frankford Township Board of Education Renewable Energy Projects for all purposes of Section 510(d)(i)(C) of the Company Lease Agreement and Section 5.02(3)(a)(i)(C) of the Bond Resolution.

4. **LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Franklin Borough Board of Education Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among Franklin Borough Board of Education (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and bio-mass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*") and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*");

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

(c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “County Documents”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “Sussex County Board of Freeholders”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

(v) Section 6.1(b)

**Licensor Event of Default**

(vi) Section 7.1(c)

**Term**

(d) The following defined terms shall, for all purposes of this Franklin Borough Board of Education Local Unit License Agreement, have the following meanings:

“**Franklin Borough Board of Education Acceptance Certificates**” shall mean individually or collectively, as the case may be, the Franklin Borough Board of Education CIP Acceptance Certificate and the Franklin Borough Board of Education REP Acceptance Certificate, each in the form attached as **Exhibit E** to the Franklin Borough Board of Education Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

“**Franklin Borough Board of Education CIP Acceptance Certificate**” shall mean the certificate applicable to the Franklin Borough Board of Education Capital Improvement Projects in the form attached as **Exhibit E-2** to the Franklin Borough Board of Education Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the Franklin Borough Board of Education Capital Improvement Projects, all as set forth in Section 4.3 of the Franklin Borough Board of Education Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Franklin Borough Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Franklin Borough Board of Education Local Unit License Agreement. The Parties acknowledge and agree that no Franklin Borough

Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**“Franklin Borough Board of Education Construction Manager”** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Franklin Borough Board of Education Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Franklin Borough Board of Education Renewable Energy Projects or (ii) Franklin Borough Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Franklin Borough Board of Education Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Franklin Borough Board of Education Renewable Energy Projects or the Franklin Borough Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the Franklin Borough Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Franklin Borough Board of Education Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Franklin Borough Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Franklin Borough Board of Education REP Acceptance Certificate”** shall mean the certificate applicable to the Franklin Borough Board of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the Franklin Borough Board of Education Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Franklin Borough Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the Franklin Borough Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the Board President and Business Administrator or such other person designated as an Authorized Officer in the Franklin Borough Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### **Section 2.1. Representations and Warranties of the Licensor.**

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Franklin Borough Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Franklin Borough Board of Education Draw Papers, the Franklin Borough Board of Education Acceptance Certificates, and any Franklin Borough Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Franklin Borough Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the Franklin Borough Board of Education Local Unit Facilities and the land underlying the Franklin Borough Board of Education Local Unit Facilities. There are no mortgages or other liens against the Franklin Borough Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### **Section 2.2. Representations and Warranties of the Licensee.**

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Franklin Borough Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### **Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.**

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Franklin Borough Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Franklin Borough Board of Education CIP Acceptance Certificate with respect to the Franklin Borough Board of Education Capital Improvement Projects, if any, the Licensor shall own such Franklin Borough Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Franklin Borough Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Franklin Borough Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Franklin Borough Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Franklin Borough Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Franklin Borough Board of Education Renewable Energy Projects on, or as applicable, in the Franklin Borough Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital

Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Franklin Borough Board of Education Capital Improvement Projects on or as applicable, in the Franklin Borough Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Franklin Borough Board of Education Renewable Energy Projects on or as applicable, in or about the Franklin Borough Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Franklin Borough Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Franklin Borough Board of Education Capital Improvement Projects on or as applicable, in or about the Franklin Borough Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Franklin Borough Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Franklin Borough Board of Education Capital Improvement Projects under the Program Documents and any references herein to Franklin Borough Board of Education Capital Improvement Projects, Franklin Borough Board of Education Capital Improvement Project Fund, Franklin Borough Board of Education CIP Acceptance Certificates or any other term defined by reference to Franklin Borough Board of Education Capital Improvement Projects (without limiting the application of any such term to the extent not related to Franklin Borough Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the

County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Franklin Borough Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Franklin Borough Board of Education Local Unit License Agreement (each, an "**Franklin Borough Board of Education Licensee**", and collectively, the "**Franklin Borough Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Franklin Borough Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Franklin Borough Board of Education Licensee access to the Franklin Borough Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Franklin Borough Board of Education Local Unit License Agreement, a license (the "**Franklin Borough Board of Education Local Unit License**") allowing each Franklin Borough Board of Education Licensee to enter the Franklin Borough Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Franklin Borough Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Franklin Borough Board of Education Capital Improvement Projects**"), and together with the Franklin Borough Board of Education Renewable Energy Projects, the "**Franklin Borough Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Franklin Borough Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other Franklin Borough Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Franklin Borough Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Franklin Borough Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Franklin Borough Board of Education Local Unit Facilities.

(b) For all purposes of this Franklin Borough Board of Education Local Unit License Agreement, the Franklin Borough Board of Education Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall

include, as Franklin Borough Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Franklin Borough Board of Education Activities, which preliminary Franklin Borough Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Franklin Borough Board of Education Licensees shall have access to the Franklin Borough Board of Education Local Unit Facilities to conduct Franklin Borough Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Franklin Borough Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Franklin Borough Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Franklin Borough Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Franklin Borough Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Franklin Borough Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Franklin Borough Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the Franklin Borough Board of Education Project Activities shall be undertaken on the Franklin Borough Board of Education Local Unit Facilities by the Authority or any other Franklin Borough Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensor shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensor is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensor shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Franklin Borough Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Franklin Borough Board of Education Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Franklin Borough Board of Education Local Unit License Agreement, the Franklin Borough Board of Education License shall permit the Franklin Borough Board of Education Licensees to enter upon the Franklin Borough Board of Education Local Unit Facilities to conduct the Franklin Borough Board of Education Project Activities, at which time any such Franklin Borough Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this Franklin Borough Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Franklin Borough Board of Education Project Activities, the Authority and/or any other Franklin Borough Board of Education Licensee shall afford the Licensor and/or its representatives, the opportunity to observe all Franklin Borough Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any Franklin Borough Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensor hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Franklin Borough Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensor's, or its representatives' or consultant's entry or activities on the Franklin Borough Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Franklin Borough Board of Education Licensees, to promptly provide the Licensor with copies of any final written reports prepared, compiled or generated as part of the Franklin Borough Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensor shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Franklin Borough Board of Education Local Unit License, to inspect the Franklin Borough Board of Education Local Unit Facilities and/or the Franklin Borough Board of Education Renewable Energy Projects during the Term of this Franklin Borough Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Franklin Borough Board of Education Local Unit License under this Franklin Borough Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Franklin Borough Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Franklin Borough Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Franklin Borough Board of Education Project Activities on the Franklin Borough Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Franklin Borough Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the Franklin Borough Board of Education Local Unit Facilities are unavailable to allow the Company to perform Franklin Borough Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Franklin Borough Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Franklin Borough Board of Education Local Unit License for the Franklin Borough Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Franklin Borough Board of Education Renewable Energy Projects, with as similar physical conditions to the existing Franklin Borough Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Franklin Borough Board of Education Renewable Energy Project on the Franklin Borough Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Franklin Borough Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Franklin Borough Board of Education Renewable Energy Projects located on, or as applicable in, the Franklin Borough Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Franklin Borough Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Franklin Borough Board of Education Local Unit Facilities for all purposes of this Franklin Borough Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new Franklin Borough Board of Education Renewable Energy Projects on, or as applicable in, such new Franklin Borough Board of Education Local Unit Facilities shall be deemed the new Franklin Borough Board of Education Renewable Energy Projects for all purposes of this Franklin Borough Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Franklin Borough Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Franklin Borough Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to

secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Franklin Borough Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Franklin Borough Board of Education Renewable Energy Projects been operating at the Franklin Borough Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Franklin Borough Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Franklin Borough Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Franklin Borough Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Franklin Borough Board of Education Local Unit Facility as a result of which such Franklin Borough Board of Education Local Unit Facility is unavailable to allow the Company to perform its Franklin Borough Board

of Education Project Activities shall be deemed to be a revocation of the Franklin Borough Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to Franklin Borough Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Franklin Borough Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Franklin Borough Board of Education Renewable Energy Projects (the “**Revised Franklin Borough Board of Education Renewable Energy Projects**”), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Franklin Borough Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Franklin Borough Board of Education Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Franklin Borough Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Franklin Borough Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Franklin Borough Board of Education Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### **Franklin Borough Board of Education DRAW PAPERS; Franklin Borough Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. Franklin Borough Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Franklin Borough Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Franklin Borough Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Franklin Borough Board of Education Renewable Energy Projects and the Franklin Borough Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Franklin Borough Board of Education Renewable Energy Projects or the Franklin Borough Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Franklin Borough Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Franklin Borough Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Franklin Borough Board of Education Capital Improvement Projects. The Licensor shall promptly review the Franklin Borough Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Franklin Borough Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Franklin Borough Board of Education Draw Papers where indicated, and promptly forward the original of such Franklin Borough Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Franklin Borough Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Franklin Borough

Board of Education Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Franklin Borough Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Franklin Borough Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Franklin Borough Board of Education Draw Papers or (ii) delegate any such action to the Franklin Borough Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Franklin Borough Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Franklin Borough Board of Education Draw Papers to the Franklin Borough Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Franklin Borough Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Franklin Borough Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Franklin Borough Board of Education Draw Papers or (ii) delegate any such action to the Franklin Borough Board of Education Construction Manager.

**Section 4.2. Franklin Borough Board of Education REP Acceptance Certificate Relating to the Franklin Borough Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the Franklin Borough Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Franklin Borough Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Franklin Borough Board of Education REP Acceptance Certificate applicable to such Franklin Borough Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Franklin Borough Board of Education REP Acceptance Certificate applicable to the Franklin Borough Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company

to clarify or otherwise change the Franklin Borough Board of Education REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Franklin Borough Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Franklin Borough Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such Franklin Borough Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Franklin Borough Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Franklin Borough Board of Education REP Acceptance Certificate to the Franklin Borough Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Franklin Borough Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Franklin Borough Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Franklin Borough Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Franklin Borough Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Franklin Borough Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Franklin Borough Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Franklin Borough Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Franklin Borough Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Franklin Borough Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Franklin Borough Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Franklin Borough Board of Education Construction Manager.

**Section 4.3. Franklin Borough Board of Education CIP Acceptance Certificate Relating to the Franklin Borough Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the Franklin Borough Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Franklin Borough Board of Education CIP Acceptance Certificate applicable to such Franklin Borough Board of Education Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Franklin Borough Board of Education CIP Acceptance Certificate applicable to the Franklin Borough Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Franklin Borough Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Franklin Borough Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Franklin Borough Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such Franklin Borough Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Franklin Borough Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Franklin Borough Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Franklin Borough Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Franklin Borough Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Franklin Borough Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Franklin Borough Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Franklin Borough Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Franklin Borough Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Franklin Borough Board of Education Construction Manager; provided, however, that any such

delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Franklin Borough Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Franklin Borough Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Franklin Borough Board of Education Construction Manager.

**Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Franklin Borough Board of Education Renewable Energy Projects and restoration of the Franklin Borough Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Franklin Borough Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the applicable Series

2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Franklin Borough Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Franklin Borough Board of Education Renewable Energy Projects located on, or as applicable, in the Franklin Borough Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Franklin Borough Board of Education Renewable Energy Projects installed on or, as applicable, in the Franklin Borough Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Franklin Borough Board of Education Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all

the facts and circumstances of the marketplace for such Franklin Borough Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Franklin Borough Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Franklin Borough Board of Education Renewable Energy Projects from the Franklin Borough Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Franklin Borough Board of Education Licensees, and (ii) restore, within a reasonable period of time, the Franklin Borough Board of Education Local Unit Facilities, as improved by the Franklin Borough Board of Education Capital Improvement Projects, to the condition prior to the installation of the Franklin Borough Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Franklin Borough Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this Franklin Borough Board of Education Local Unit License Agreement

shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Franklin Borough Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Franklin Borough Board of Education Renewable Energy Projects located on, or as applicable, in the Franklin Borough Board of Education Local Unit Facilities from the Authority, as owner of the Franklin Borough Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Franklin Borough Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a

portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Franklin Borough Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Franklin Borough Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Franklin Borough Board of Education Local Unit License Agreement:

(i) the Authority or any other Franklin Borough Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Franklin Borough Board of Education Licensee to be performed or observed under this Franklin Borough Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Franklin Borough Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Franklin Borough Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Franklin Borough Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part

of the Licensor to be performed or observed under this Franklin Borough Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Franklin Borough Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Franklin Borough Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Franklin Borough Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Franklin Borough Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Franklin Borough Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Franklin Borough Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Franklin Borough Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Franklin Borough Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Franklin Borough Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Franklin Borough Board of Education Local Unit License Agreement and the Franklin Borough Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all Franklin Borough Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Franklin Borough Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Franklin Borough Board of Education Renewable Energy Projects shall have been removed from the Franklin Borough Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Franklin Borough Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Franklin Borough Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate

this Franklin Borough Board of Education Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this Franklin Borough Board of Education Local Unit License Agreement].

(c) The “**Term**” of this Franklin Borough Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Franklin Borough Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other Franklin Borough Board of Education Licensees shall have any further rights, duties or obligations with respect to the Franklin Borough Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Franklin Borough Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Franklin Borough Board of Education Licensees to gain access under the Franklin Borough Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Franklin Borough Board of Education Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Green Township Board of Education Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among Green Township Board of Education (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and bio-mass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the “*Capital Improvement Projects*” and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the “*Projects*”), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the “*Municipal Series 2011 Local Units*”); and
- (ii) Byram Township School District, Frankford Township’s Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the “*Board of Education Series 2011 Local Units*”); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the “*County Series 2011 Local Units*”);

(each a “*Series 2011 Local Unit*”, and, collectively, the “*Series 2011 Local Units*”), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, “County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)” dated their date of delivery (the “*Series 2011A Bonds*”) the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the “*Series 2011A Bonds*”), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, “County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)” (the “*Series 2011B Note*”, and together with the Series 2011A Bonds, “*Series 2011 Bonds*”), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*");

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

- (c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the "*Continuing Disclosure Agreements*"; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the "County Documents") with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the "*Local Finance Board Application*") to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the "*Local Finance Board*") in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement "deemed final" within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the "*Preliminary Official Statement*"); and (ii) the execution and delivery of a bond purchase agreement (the "*Bond Purchase Agreement*") with an underwriter to be selected by the Authority through a fair and open process (alternatively, the "*Underwriter*") to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the "*Official Statement*"), and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County "*Sale Documents*";

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 ("*Section 13*") of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the "Sussex County Board of Freeholders") and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the "*Program Documents*"), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**NOW, THEREFORE,** for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agrees as follows:

(vi) Section 7.1(c)

**Term**

(d) The following defined terms shall, for all purposes of this Green Township Board of Education Local Unit License Agreement, have the following meanings:

“**Green Township Board of Education Acceptance Certificates**” shall mean individually or collectively, as the case may be, the Green Township Board of Education CIP Acceptance Certificate and the Green Township Board of Education REP Acceptance Certificate, each in the form attached as **Exhibit E** to the Green Township Board of Education Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

“**Green Township Board of Education CIP Acceptance Certificate**” shall mean the certificate applicable to the Green Township Board of Education Capital Improvement Projects in the form attached as **Exhibit E-2** to the Green Township Board of Education Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the Green Township Board of Education Capital Improvement Projects, all as set forth in Section 4.3 of the Green Township Board of Education Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Green Township Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Green Township Board of Education Local Unit License Agreement. The Parties acknowledge and agree that no Green Township

Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**“Green Township Board of Education Construction Manager”** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Green Township Board of Education Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Green Township Board of Education Renewable Energy Projects or (ii) Green Township Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Green Township Board of Education Local Unit License Agreement and **Exhibit C** to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Green Township Board of Education Renewable Energy Projects or the Green Township Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the Green Township Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Green Township Board of Education Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Green Township Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Green Township Board of Education REP Acceptance Certificate”** shall mean the certificate applicable to the Green Township Board of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the Green Township Board of Education Local Unit License Agreement and **Exhibit B-1** to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Green Township Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the Green Township Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the Chief School Administrator/Board Secretary or such other person designated as an Authorized Officer in the Green Township Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### **Section 2.1. Representations and Warranties of the Licensor.**

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Green Township Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Green Township Board of Education Draw Papers, the Green Township Board of Education Acceptance Certificates, and any Green Township Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Green Township Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the Green Township Board of Education Local Unit Facilities and the land underlying the Green Township Board of Education Local Unit Facilities. There are no mortgages or other liens against the Green Township Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### **Section 2.2. Representations and Warranties of the Licensee.**

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Green Township Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### **Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.**

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Green Township Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Green Township Board of Education CIP Acceptance Certificate with respect to the Green Township Board of Education Capital Improvement Projects, if any, the Licensor shall own such Green Township Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Green Township Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Green Township Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Green Township Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Green Township Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Green Township Board of Education Renewable Energy Projects on, or as applicable, in the Green Township Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital

Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Green Township Board of Education Capital Improvement Projects on or as applicable, in the Green Township Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Green Township Board of Education Renewable Energy Projects on or as applicable, in or about the Green Township Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Green Township Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Green Township Board of Education Capital Improvement Projects on or as applicable, in or about the Green Township Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Green Township Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Green Township Board of Education Capital Improvement Projects under the Program Documents and any references herein to Green Township Board of Education Capital Improvement Projects, Green Township Board of Education Capital Improvement Project Fund, Green Township Board of Education CIP Acceptance Certificates or any other term defined by reference to Green Township Board of Education Capital Improvement Projects (without limiting the application of any such term to the extent not related to Green Township Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the County Reserve upon

issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Green Township Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Green Township Board of Education Local Unit License Agreement (each, an "**Green Township Board of Education Licensee**", and collectively, the "**Green Township Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Green Township Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Green Township Board of Education Licensee access to the Green Township Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Green Township Board of Education Local Unit License Agreement, a license (the "**Green Township Board of Education Local Unit License**") allowing each Green Township Board of Education Licensee to enter the Green Township Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Green Township Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Green Township Board of Education Capital Improvement Projects**"), and together with the Green Township Board of Education Renewable Energy Projects, the "**Green Township Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Green Township Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other Green Township Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Green Township Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Green Township Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Green Township Board of Education Local Unit Facilities.

(b) For all purposes of this Green Township Board of Education Local Unit License Agreement, the Green Township Board of Education Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall

include, as Green Township Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Green Township Board of Education Activities, which preliminary Green Township Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Green Township Board of Education Licensees shall have access to the Green Township Board of Education Local Unit Facilities to conduct Green Township Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Green Township Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Green Township Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Green Township Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Green Township Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Green Township Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Green Township Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the Green Township Board of Education Project Activities shall be undertaken on the Green Township Board of Education Local Unit Facilities by the Authority or any other Green Township Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensors shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensors are obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensors shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Green Township Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Green Township Board of Education Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Green Township Board of Education Local Unit License Agreement, the Green Township Board of Education Licensees shall permit the Green Township Board of Education Licensees to enter upon the Green Township Board of Education Local Unit Facilities to conduct the Green Township Board of Education Project Activities, at which time any such Green Township Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this Green Township Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Green Township Board of Education Project Activities, the Authority and/or any other Green Township Board of Education Licensee shall afford the Licensors and/or its representatives, the opportunity to observe all Green Township Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any Green Township Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensors hereby release and agree to indemnify, defend and hold harmless the Authority and each other Green Township Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensors', or its representatives' or consultant's entry or activities on the Green Township Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Green Township Board of Education Licensees, to promptly provide the Licensors with copies of any final written reports prepared, compiled or generated as part of the Green Township Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensors shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Green Township Board of Education Local Unit License, to inspect the Green Township Board of Education Local Unit Facilities and/or the Green Township Board of Education Renewable Energy Projects during the Term of this Green Township Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Green Township Board of Education Local Unit License under this Green Township Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Green Township Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Green Township Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Green Township Board of Education Project Activities on the Green Township Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Green Township Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the Green Township Board of Education Local Unit Facilities are unavailable to allow the Company to perform Green Township Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Green Township Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Green Township Board of Education Local Unit License for the Green Township Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Green Township Board of Education Renewable Energy Projects, with as similar physical conditions to the existing Green Township Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Green Township Board of Education Renewable Energy Project on the Green Township Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Green Township Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Green Township Board of Education Renewable Energy Projects located on, or as applicable in, the Green Township Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Green Township Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Green Township Board of Education Local Unit Facilities for all purposes of this Green Township Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new Green Township Board of Education Renewable Energy Projects on, or as applicable in, such new Green Township Board of Education Local Unit Facilities shall be deemed the new Green Township Board of Education Renewable Energy Projects for all purposes of this Green Township Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Green Township Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Green Township Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to

secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Green Township Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Green Township Board of Education Renewable Energy Projects been operating at the Green Township Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Green Township Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Green Township Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Green Township Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Green Township Board of Education Local Unit Facility as a result of which such Green Township Board of Education Local Unit Facility is unavailable to allow the Company to perform its Green Township Board of

Education Project Activities shall be deemed to be a revocation of the Green Township Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to Green Township Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Green Township Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Green Township Board of Education Renewable Energy Projects (the **"Revised Green Township Board of Education Renewable Energy Projects"**), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Green Township Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Green Township Board of Education Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Green Township Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Green Township Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Green Township Board of Education Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### **Green Township Board of Education DRAW PAPERS; Green Township Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. Green Township Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Green Township Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Green Township Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Green Township Board of Education Renewable Energy Projects and the Green Township Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Green Township Board of Education Renewable Energy Projects or the Green Township Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Green Township Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Green Township Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Green Township Board of Education Capital Improvement Projects. The Licensor shall promptly review the Green Township Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Green Township Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Green Township Board of Education Draw Papers where indicated, and promptly forward the original of such Green Township Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Green Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Green Township Board of Education Draw Papers, which delegation shall be conclusively evidenced by the

Licensors' filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Green Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Green Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Green Township Board of Education Draw Papers or (ii) delegate any such action to the Green Township Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Green Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Green Township Board of Education Draw Papers to the Green Township Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Green Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Green Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Green Township Board of Education Draw Papers or (ii) delegate any such action to the Green Township Board of Education Construction Manager.

**Section 4.2. Green Township Board of Education REP Acceptance Certificate Relating to the Green Township Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the Green Township Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Green Township Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Green Township Board of Education REP Acceptance Certificate applicable to such Green Township Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Green Township Board of Education REP Acceptance Certificate applicable to the Green Township Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Green Township Board of Education REP Acceptance

Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Green Township Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Green Township Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such Green Township Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Green Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Green Township Board of Education REP Acceptance Certificate to the Green Township Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Green Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Green Township Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Green Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Green Township Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Green Township Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Green Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Green Township Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Green Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Green Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Green Township Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Green Township Board of Education Construction Manager.

**Section 4.3. Green Township Board of Education CIP Acceptance Certificate Relating to the Green Township Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the Green Township Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Green Township Board of Education CIP Acceptance Certificate applicable to such Green Township Board of Education Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Green Township Board of Education CIP Acceptance Certificate applicable to the Green Township Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Green Township Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Green Township Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Green Township Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such Green Township Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Green Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Green Township Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Green Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Green Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Green Township Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Green Township Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Green Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Green Township Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Green Township Board of Education Construction Manager; provided, however, that any such

delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Green Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Green Township Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Green Township Board of Education Construction Manager.

**Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Green Township Board of Education Renewable Energy Projects and restoration of the Green Township Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Green Township Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the applicable Series

2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Green Township Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Green Township Board of Education Renewable Energy Projects located on, or as applicable, in the Green Township Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Green Township Board of Education Renewable Energy Projects installed on or, as applicable, in the Green Township Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Green Township Board of Education Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all

the facts and circumstances of the marketplace for such Green Township Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Green Township Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Green Township Board of Education Renewable Energy Projects from the Green Township Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Green Township Board of Education Licensees, and (ii) restore, within a reasonable period of time, the Green Township Board of Education Local Unit Facilities, as improved by the Green Township Board of Education Capital Improvement Projects, to the condition prior to the installation of the Green Township Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Green Township Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this Green Township Board of Education Local Unit License Agreement

shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Green Township Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Green Township Board of Education Renewable Energy Projects located on, or as applicable, in the Green Township Board of Education Local Unit Facilities from the Authority, as owner of the Green Township Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Green Township Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a

portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Green Township Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Green Township Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Green Township Board of Education Local Unit License Agreement:

(i) the Authority or any other Green Township Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Green Township Board of Education Licensee to be performed or observed under this Green Township Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Green Township Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Green Township Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Green Township Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part

of the Licensor to be performed or observed under this Green Township Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Green Township Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Green Township Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Green Township Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Green Township Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Green Township Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Green Township Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Green Township Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Green Township Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Green Township Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Green Township Board of Education Local Unit License Agreement and the Green Township Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all Green Township Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Green Township Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Green Township Board of Education Renewable Energy Projects shall have been removed from the Green Township Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Green Township Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Green Township Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate

this Green Township Board of Education Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this Green Township Board of Education Local Unit License Agreement].

(c) The “**Term**” of this Green Township Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Green Township Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other Green Township Board of Education Licensees shall have any further rights, duties or obligations with respect to the Green Township Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Green Township Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Green Township Board of Education Licensees to gain access under the Green Township Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Green Township Board of Education Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**Section 7.4. Successors and Assigns.** This Green Township Board of Education Local Unit License Agreement shall inure to the benefit of and be binding upon the parties and acknowledgment parties hereto, and their respective successors and/or assigns.

**Section 7.5. Entire Agreement; Third Party Beneficiaries and Obligors.** This Green Township Board of Education Local Unit License Agreement contains the entire agreement among the parties and may not be modified, amended, altered or cancelled except upon the prior express written consent of the parties hereto. This Green Township Board of Education Local Unit License Agreement and the duties and obligations contained herein shall be solely for the benefit of the parties hereto and, where specifically provided herein, the Company and the other Green Township Board of Education Licensees, which upon commencing any action contemplated hereunder, shall automatically also constitute third-party obligors hereunder.

**Section 7.6. Governing Law.** This Green Township Board of Education Local Unit License Agreement shall be governed by the laws of the State of New Jersey without regard to principles of conflicts of laws thereunder.

**Section 7.7. Severability.** If any provision of this Green Township Board of Education Local Unit License Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever. To the extent any provision of this Green Township Board of Education Local Unit License Agreement conflicts with the provisions of any other Program Document, the parties and acknowledgment parties hereto expressly acknowledge that the provisions of this Green Township Board of Education Local Unit License Agreement shall control.

**Section 7.8. Counterparts.** This Green Township Board of Education Local Unit License Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

**Section 7.9. Effective Date.** This Green Township Board of Education Local Unit License Agreement shall be effective as of the date hereof and shall terminate in accordance with the provisions hereof, including Section 7.1 hereof.

**Section 7.10. Waiver of Sovereign Immunity.** For the purposes of this Green Township Board of Education Local Unit License Agreement, each of the Authority and the Licensor acknowledge and agree that (a) its execution and delivery of this Green Township Board of Education Local Unit License Agreement and (b) its performance of the actions contemplated by this Green Township Board of Education Local Unit License Agreement, constitute private and commercial acts rather than public or governmental acts. To the extent that, in any jurisdiction, the Authority or the Licensor in respect of itself or its assets, properties

or revenues, shall be entitled to any contract immunity from suit, from the jurisdiction of any court, from attachment prior to judgment, from attachment in aid of execution of judgment, from execution, or enforcement of a judgment, or from any other legal or judicial process or remedy, such party hereby, except with respect to tort claims related to this License Agreement, (i) expressly and irrevocably agrees not to claim or assert, and expressly and irrevocably waives, any such immunity to the fullest extent permitted by the laws of such jurisdiction solely as to the Company and (ii) consents generally to the giving of any relief or the issue of any process in connection with any proceeding. This waiver does not apply to any Series 2011 Local Units tort immunity as established by law.

[Trustee]

Re: The Morris County Improvement Authority  
County Guaranteed Renewable Energy Program Lease Revenue Bonds,  
Series 2011 (the "Series 2011 Bonds")

Dear Sir or Madam:

Pursuant to (i) Section 510(c) of that certain "Lease Purchase Agreement (Morris County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") by and between The Morris County Improvement Authority (the "**Authority**"), as lessor, and SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), as lessee, and (ii) Section 5.02(2) of the Authority's bond resolution duly adopted July 20, 2011 and entitled "Resolution Authorizing the Issuance of County of Sussex Guaranteed Renewable Energy Program Lease Revenue Notes and Bonds, Series 2011 and Additional Bonds of The Morris County Improvement Authority", as amended and supplemented, and (iii) with respect to the [Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Green Township Board of Education Renewable Energy Projects**")] [Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "**Green Township Board of Education Capital Improvement Projects**")] being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensor**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), the Company, by its Authorized Officer stated below, **DOES HEREBY CERTIFY** and **REQUISITION** moneys on deposit in the Project Fund and held by U.S. Bank National Association, as trustee (the "**Trustee**") for the holders of the Series 2011 Bonds, as follows:

1. The Trustee is hereby requested to pay \$ \_\_\_\_\_ from moneys on deposit in the Project Fund equal to the aggregate Project Costs for which payment or reimbursement is being sought by this requisition.

(a) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_];

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]; and

(b) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_]

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]

{Please Note, Include Name and Address of any Contractor and the specific Development  
Contract pursuant to which this Requisition is submitted}

2. (a) Such funds requested in accordance with Section 1(a) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Green Township Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Green Township Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

(b) Such funds requested in accordance with Section 1(b) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Green Township Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Green Township Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

3. Such payment obligation, for which funds have been requested in accordance with Section [1(a)] [1(b)] of this Requisition, (i) has been properly incurred in accordance with the Plans and Specifications, (ii) is an item of the Cost of such Project, (iii) is a proper charge against the Project Fund, (iv) has not been the basis of any previous withdrawal, and (v) attached hereto is a bill, invoice, receipt or other evidence that payment on such Project Cost is due and owing or has been paid by or on behalf of the Company. This Requisition, together with any such attachments contemplated by clause (v) above, shall constitute Draw Papers submitted on a Draw

Date for all purposes of the Company Lease Agreement, the Bond Resolution and the Local Unit License Agreement for the Licensor.

4. This requisition may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

**EXHIBIT E-1**

**[Attach Green Township Board of Education REP Acceptance Certificate]**

I, the undersigned \_\_\_\_\_, a duly authorized officer of SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), pursuant to the terms of that certain "Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") between The Morris County Improvement Authority, as lessor (the "**Authority**"), and the Company, as lessee, and with reference to the Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Green Township Board of Education Renewable Energy Projects**") being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensor**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_\_, the Green Township Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use. Attached hereto are the required engineering certifications and / or reports evidencing same.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Green Township Board of Education Renewable Energy Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Green Township Board of Education Renewable Energy Projects, including the design, permitting, acquisition, construction and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction and installation thereof].

3. The Green Township Board of Education Renewable Energy Projects, having been designed, acquired, constructed and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, are hereby accepted for use by the Company, with title thereto as set forth in Section 609(a) of the Company Lease Agreement, to generate renewable energy therefrom to be sold through the Authority to the Licensor, all as set forth in the Program Documents. This Section 3, together with the Licensor's acknowledgment below by an Authorized Officer thereof, shall constitute the Company's and the Licensor's acceptance of the Green Township Board of Education Renewable Energy Projects for all purposes of Section 510(d)(i)(C) of the Company Lease Agreement and Section 5.02(3)(a)(i)(C) of the Bond Resolution.

4. Attached hereto is one or more duly authorized, fully executed and delivered copy or copies of the Green Township Board of Education Interconnection Agreement(s) with the applicable local electric utility distribution provider with respect to all of the Green Township Board of Education Renewable Energy Projects.

5. [Choose one, as applicable]

[This REP Acceptance Certificate is not the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and accordingly, any moneys on deposit in the Project Fund, if any, including interest, earmarked for the Green Township Board of Education Renewable Energy Projects shall remain on deposit in the Project Fund for Costs of other Projects.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall not have caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, nor has the Company acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered REP Acceptance Certificate, any moneys on deposit in the Project Fund, without further authorization, shall first be applied to reimburse the Company for its withheld retainage under the Company Lease Agreement, and the excess after such application shall be transferred by the Trustee to the Debt Service Fund and applied as a credit to the next due Basic Lease Payments owed by the Company, in accordance with the terms of the Bond Resolution and the Company Lease Agreement.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall have either caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, or the Company has acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered REP Acceptance Certificate, any moneys on deposit in the Project Fund, shall be applied as set forth in a Certificate of an Authorized Officer of the Authority.]

5. This REP Acceptance Certificate may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

## EXHIBIT E-2

### [Attach Green Township Board of Education CIP Acceptance Certificate]

I, the undersigned \_\_\_\_\_, a duly authorized officer of [COMPANY], [a Delaware limited liability company] (the “**Company**”), pursuant to the terms of that certain “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated as of December 1, 2011 (the “**Company Lease Agreement**”) between The Morris County Improvement Authority, as lessor (the “**Authority**”), and the Company, as lessee, and with reference to the Capital Improvement Projects, or as applicable, any Completion Project related thereto (the “**Green Township Board of Education Capital Improvement Projects**”) being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the “**Licensor**”) (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_\_, the Green Township Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Green Township Board of Education Capital Improvement Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Green Township Board of Education Capital Improvement Projects, including the design, permitting, acquisition, construction, renovation, and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction, renovation, and installation thereof].

3. By obtaining the Licensor’s execution of the acknowledgment below, the Company is satisfying the requirement regarding the Licensor’s acceptance of (a) the Green Township Board of Education Capital Improvement Projects for all purposes of Section 510(d)(ii)(C) of the Company Lease Agreement and Section 5.02(3)(a)(ii)(C) of the Bond Resolution, which Green Township Board of Education Capital Improvement Projects, were designed, acquired, constructed, renovated, and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, with title thereto as set forth in Section 609 of the Company Lease Agreement and (b) the CIP Acceptance State. This Section 3, together with the Licensor’s acknowledgment below by an Authorized Officer thereof, shall constitute the Licensor’s acceptance of the Green Township Board of Education Capital Improvement Projects for all purposes of Section 510(d)(ii)(C) of the Company Lease Agreement and Section 5.02(3)(a)(ii)(C) of the Bond Resolution.

4. [Choose one, as applicable]

[This CIP Acceptance Certificate is not the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and

accordingly, any moneys on deposit in the Project Fund, if any, including interest, earmarked for the Green Township Board of Education Capital Improvement Projects shall remain on deposit in the Project Fund for Costs of other Projects.]

[This CIP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall not have caused an Event of Default under the Company Lease Agreement as of the date of this CIP Acceptance Certificate, nor has the Company acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered CIP Acceptance Certificate, any moneys on deposit in the Project Fund, without further authorization, shall first be applied to reimburse the Company for its withheld retainage under the Company Lease Agreement, and the excess after such application shall be transferred by the Trustee to the Debt Service Fund and applied as a credit to the next due Basic Lease Payments owed by the Company, in accordance with the terms of the Bond Resolution and the Company Lease Agreement.]

[This CIP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall have either caused an Event of Default under the Company Lease Agreement as of the date of this CIP Acceptance Certificate, or the Company has acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered CIP Acceptance Certificate, any moneys on deposit in the Project Fund, shall be applied as set forth in a Certificate of an Authorized Officer of the Authority.]

5. This CIP Acceptance Certificate may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

Very truly yours,

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Hardyston Township Board of Education Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among **Hardyston Township Board of Education** (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

\_\_\_\_\_

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and biomass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Peariman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the “*Capital Improvement Projects*” and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the “*Projects*”), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the “*Municipal Series 2011 Local Units*”); and
- (ii) Byram Township School District, Frankford Township’s Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the “*Board of Education Series 2011 Local Units*”); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the “*County Series 2011 Local Units*”);

(each a “*Series 2011 Local Unit*”, and, collectively, the “*Series 2011 Local Units*”), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, “County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)” dated their date of delivery (the “*Series 2011A Bonds*”) the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the “*Series 2011A Bonds*”), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, “County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)” (the “*Series 2011B Note*”, and together with the Series 2011A Bonds, “*Series 2011 Bonds*”), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*);

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

(c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “County Documents”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**Term**

(d) The following defined terms shall, for all purposes of this Hardyston Township Board of Education Local Unit License Agreement, have the following meanings:

**“Hardyston Township Board of Education Acceptance Certificates”** shall mean individually or collectively, as the case may be, the Hardyston Township Board of Education CIP Acceptance Certificate and the Hardyston Township Board of Education REP Acceptance Certificate, each in the form attached as **Exhibit E** to the Hardyston Township Board of Education Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

**“Hardyston Township Board of Education CIP Acceptance Certificate”** shall mean the certificate applicable to the Hardyston Township Board of Education Capital Improvement Projects in the form attached as **Exhibit E-2** to the Hardyston Township Board of Education Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the Hardyston Township Board of Education Capital Improvement Projects, all as set forth in Section 4.3 of the Hardyston Township Board of Education Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Hardyston Township Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Hardyston

Township Board of Education Local Unit License Agreement. The Parties acknowledge and agree that no Hardyston Township Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**“Hardyston Township Board of Education Construction Manager”** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Hardyston Township Board of Education Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Hardyston Township Board of Education Renewable Energy Projects or (ii) Hardyston Township Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Hardyston Township Board of Education Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Hardyston Township Board of Education Renewable Energy Projects or the Hardyston Township Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the Hardyston Township Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Hardyston Township Board of Education Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Hardyston Township Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Hardyston Township Board of Education REP Acceptance Certificate”** shall mean the certificate applicable to the Hardyston Township Board of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the Hardyston Township Board of Education Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Hardyston Township Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the Hardyston Township Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the President, Chief School Administrator, Business Administrator or such other person designated as an Authorized Officer in the Hardyston Township Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Hardyston Township Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Hardyston Township Board of Education Draw Papers, the Hardyston Township Board of Education Acceptance Certificates, and any Hardyston Township Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Hardyston Township Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the Hardyston Township Board of Education Local Unit Facilities and the land underlying the Hardyston Township Board of Education Local Unit Facilities. There are no mortgages or other liens against the Hardyston Township Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Hardyston Township Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Hardyston Township Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Hardyston Township Board of Education CIP Acceptance Certificate with respect to the Hardyston Township Board of Education Capital Improvement Projects, if any, the Licensor shall own such Hardyston Township Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Hardyston Township Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Hardyston Township Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Hardyston Township Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Hardyston Township Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Hardyston Township Board of Education Renewable Energy Projects on, or as applicable, in the Hardyston Township Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital

Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Hardyston Township Board of Education Capital Improvement Projects on or as applicable, in the Hardyston Township Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Hardyston Township Board of Education Renewable Energy Projects on or as applicable, in or about the Hardyston Township Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Hardyston Township Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Hardyston Township Board of Education Capital Improvement Projects on or as applicable, in or about the Hardyston Township Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Hardyston Township Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Hardyston Township Board of Education Capital Improvement Projects under the Program Documents and any references herein to Hardyston Township Board of Education Capital Improvement Projects, Hardyston Township Board of Education Capital Improvement Project Fund, Hardyston Township Board of Education CIP Acceptance Certificates or any other term defined by reference to Hardyston Township Board of Education Capital Improvement Projects (without limiting the application of any such term to the extent not related to Hardyston Township Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding

of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Hardyston Township Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Hardyston Township Board of Education Local Unit License Agreement (each, an "**Hardyston Township Board of Education Licensee**", and collectively, the "**Hardyston Township Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Hardyston Township Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Hardyston Township Board of Education Licensee access to the Hardyston Township Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Hardyston Township Board of Education Local Unit License Agreement, a license (the "**Hardyston Township Board of Education Local Unit License**") allowing each Hardyston Township Board of Education Licensee to enter the Hardyston Township Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Hardyston Township Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Hardyston Township Board of Education Capital Improvement Projects**", and together with the Hardyston Township Board of Education Renewable Energy Projects, the "**Hardyston Township Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Hardyston Township Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other Hardyston Township Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Hardyston Township Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Hardyston Township Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Hardyston Township Board of Education Local Unit Facilities.

(b) For all purposes of this Hardyston Township Board of Education Local Unit License Agreement, the Hardyston Township Board of Education Local Unit License shall

be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as Hardyston Township Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Hardyston Township Board of Education Activities, which preliminary Hardyston Township Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Hardyston Township Board of Education Licensees shall have access to the Hardyston Township Board of Education Local Unit Facilities to conduct Hardyston Township Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Hardyston Township Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Hardyston Township Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Hardyston Township Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Hardyston Township Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Hardyston Township Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Hardyston Township Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the Hardyston Township Board of Education Project Activities shall be undertaken on the Hardyston Township Board of Education Local Unit Facilities by the Authority or any other Hardyston Township Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensor shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensor is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensor shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Hardyston Township Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Hardyston Township Board of Education Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Hardyston Township Board of Education Local Unit License Agreement, the Hardyston Township Board of Education License shall permit the Hardyston Township Board of Education Licensees to enter upon the Hardyston Township Board of Education Local Unit Facilities to conduct the Hardyston Township Board of Education Project Activities, at which time any such Hardyston Township Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this Hardyston Township Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Hardyston Township Board of Education Project Activities, the Authority and/or any other Hardyston Township Board of Education Licensee shall afford the Licensor and/or its representatives, the opportunity to observe all Hardyston Township Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any Hardyston Township Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensor hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Hardyston Township Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensor's, or its representatives' or consultant's entry or activities on the Hardyston Township Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Hardyston Township Board of Education Licensees, to promptly provide the Licensor with copies of any final written reports prepared, compiled or generated as part of the Hardyston Township Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensor shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Hardyston Township Board of Education Local Unit License, to inspect the Hardyston Township Board of Education Local Unit Facilities and/or the Hardyston Township Board of Education Renewable Energy Projects during the Term of this Hardyston Township Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Hardyston Township Board of Education Local Unit License under this Hardyston Township Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Hardyston Township Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Hardyston Township Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Hardyston Township Board of Education Project Activities on the Hardyston Township Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Hardyston Township Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the Hardyston Township Board of Education Local Unit Facilities are unavailable to allow the Company to perform Hardyston Township Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Hardyston Township Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Hardyston Township Board of Education Local Unit License for the Hardyston Township Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Hardyston Township Board of Education Renewable Energy Projects, with as similar physical conditions to the existing Hardyston Township Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Hardyston Township Board of Education Renewable Energy Project on the Hardyston Township Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Hardyston Township Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Hardyston Township Board of Education Renewable Energy Projects located on, or as applicable in, the Hardyston Township Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Hardyston Township Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Hardyston Township Board of Education Local Unit Facilities for all purposes of this Hardyston Township Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new Hardyston Township Board of Education Renewable Energy Projects on, or as applicable in, such new Hardyston Township Board of Education Local Unit Facilities shall be deemed the new Hardyston Township Board of Education Renewable Energy Projects for all purposes of this Hardyston Township Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Hardyston Township Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Hardyston Township Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Hardyston Township Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Hardyston Township Board of Education Renewable Energy Projects been operating at the Hardyston Township Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Hardyston Township Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Hardyston Township Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Hardyston Township Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Hardyston Township Board of Education Local Unit Facility as a result of which such Hardyston Township Board of Education Local Unit Facility is unavailable to allow the Company to perform its Hardyston Township Board of Education Project Activities shall be deemed to be a revocation of the Hardyston Township Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to Hardyston Township Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Hardyston Township Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Hardyston Township Board of Education Renewable Energy Projects (the “**Revised Hardyston Township Board of Education Renewable Energy Projects**”), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Hardyston Township Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Hardyston Township Board of Education Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Hardyston Township Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Hardyston Township Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Hardyston Township Board of Education Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### **Hardyston Township Board of Education DRAW PAPERS; Hardyston Township Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. Hardyston Township Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Hardyston Township Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Hardyston Township Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Hardyston Township Board of Education Renewable Energy Projects and the Hardyston Township Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Hardyston Township Board of Education Renewable Energy Projects or the Hardyston Township Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Hardyston Township Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Hardyston Township Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Hardyston Township Board of Education Capital Improvement Projects. The Licensor shall promptly review the Hardyston Township Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Hardyston Township Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Hardyston Township Board of Education Draw Papers where indicated, and promptly forward the original of such Hardyston Township Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Hardyston Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Hardyston Township

Board of Education Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Hardyston Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Hardyston Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Hardyston Township Board of Education Draw Papers or (ii) delegate any such action to the Hardyston Township Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Hardyston Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Hardyston Township Board of Education Draw Papers to the Hardyston Township Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Hardyston Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Hardyston Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Hardyston Township Board of Education Draw Papers or (ii) delegate any such action to the Hardyston Township Board of Education Construction Manager.

**Section 4.2. Hardyston Township Board of Education REP Acceptance Certificate Relating to the Hardyston Township Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the Hardyston Township Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Hardyston Township Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Hardyston Township Board of Education REP Acceptance Certificate applicable to such Hardyston Township Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Hardyston Township Board of Education REP Acceptance Certificate applicable to the Hardyston Township Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact

the Company to clarify or otherwise change the Hardyston Township Board of Education REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Hardyston Township Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Hardyston Township Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such Hardyston Township Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Hardyston Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Hardyston Township Board of Education REP Acceptance Certificate to the Hardyston Township Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Hardyston Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Hardyston Township Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Hardyston Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Hardyston Township Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Hardyston Township Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Hardyston Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Hardyston Township Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Hardyston Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Hardyston Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Hardyston Township Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Hardyston Township Board of Education Construction Manager.

**Section 4.3. Hardyston Township Board of Education CIP Acceptance Certificate Relating to the Hardyston Township Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the Hardyston Township Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Hardyston Township Board of Education CIP Acceptance Certificate applicable to such Hardyston Township Board of Education Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Hardyston Township Board of Education CIP Acceptance Certificate applicable to the Hardyston Township Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Hardyston Township Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Hardyston Township Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Hardyston Township Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such Hardyston Township Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Hardyston Township Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Hardyston Township Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Hardyston Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Hardyston Township Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Hardyston Township Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Hardyston Township Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Hardyston Township Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Hardyston Township Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the

Hardyston Township Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Hardyston Township Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Hardyston Township Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Hardyston Township Board of Education Construction Manager.

**Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Hardyston Township Board of Education Renewable Energy Projects and restoration of the Hardyston Township Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Hardyston Township Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the

applicable Series 2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Hardyston Township Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Hardyston Township Board of Education Renewable Energy Projects located on, or as applicable, in the Hardyston Township Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Hardyston Township Board of Education Renewable Energy Projects installed on or, as applicable, in the Hardyston Township Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Hardyston Township Board of Education Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall

take into account all the facts and circumstances of the marketplace for such Hardyston Township Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Hardyston Township Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Hardyston Township Board of Education Renewable Energy Projects from the Hardyston Township Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Hardyston Township Board of Education Licensees, and (ii) restore, within a reasonable period of time, the Hardyston Township Board of Education Local Unit Facilities, as improved by the Hardyston Township Board of Education Capital Improvement Projects, to the condition prior to the installation of the Hardyston Township Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Hardyston Township Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on

time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this Hardyston Township Board of Education Local Unit License Agreement shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Hardyston Township Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Hardyston Township Board of Education Renewable Energy Projects located on, or as applicable, in the Hardyston Township Board of Education Local Unit Facilities from the Authority, as owner of the Hardyston Township Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Hardyston Township Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement,

or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Hardyston Township Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Hardyston Township Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Hardyston Township Board of Education Local Unit License Agreement:

(i) the Authority or any other Hardyston Township Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Hardyston Township Board of Education Licensee to be performed or observed under this Hardyston Township Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Hardyston Township Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Hardyston Township Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Hardyston Township Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part

of the Licensor to be performed or observed under this Hardyston Township Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Hardyston Township Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Hardyston Township Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Hardyston Township Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Hardyston Township Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Hardyston Township Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Hardyston Township Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Hardyston Township Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Hardyston Township Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Hardyston Township Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Hardyston Township Board of Education Local Unit License Agreement and the Hardyston Township Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all Hardyston Township Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Hardyston Township Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Hardyston Township Board of Education Renewable Energy Projects shall have been removed from the Hardyston Township Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Hardyston Township Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Hardyston Township Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate

this Hardyston Township Board of Education Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this Hardyston Township Board of Education Local Unit License Agreement].

(c) The “**Term**” of this Hardyston Township Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Hardyston Township Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other Hardyston Township Board of Education Licensees shall have any further rights, duties or obligations with respect to the Hardyston Township Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Hardyston Township Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Hardyston Township Board of Education Licensees to gain access under the Hardyston Township Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Hardyston Township Board of Education Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

Dear Sir or Madam:

Pursuant to (i) Section 510(c) of that certain "Lease Purchase Agreement (Morris County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") by and between The Morris County Improvement Authority (the "**Authority**"), as lessor, and SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), as lessee, and (ii) Section 5.02(2) of the Authority's bond resolution duly adopted July 20, 2011 and entitled "Resolution Authorizing the Issuance of County of Sussex Guaranteed Renewable Energy Program Lease Revenue Notes and Bonds, Series 2011 and Additional Bonds of The Morris County Improvement Authority", as amended and supplemented, and (iii) with respect to the [Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Hardyston Township Board of Education Renewable Energy Projects**") [Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "**Hardyston Township Board of Education Capital Improvement Projects**")]] being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensors**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), the Company, by its Authorized Officer stated below, **DOES HEREBY CERTIFY** and **REQUISITION** moneys on deposit in the Project Fund and held by U.S. Bank National Association, as trustee (the "**Trustee**") for the holders of the Series 2011 Bonds, as follows:

1. The Trustee is hereby requested to pay \$ \_\_\_\_\_ from moneys on deposit in the Project Fund equal to the aggregate Project Costs for which payment or reimbursement is being sought by this requisition.

(a) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_];

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]; and

(b) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_]

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]

{Please Note, Include Name and Address of any Contractor and the specific Development  
Contract pursuant to which this Requisition is submitted}

2. (a) Such funds requested in accordance with Section 1(a) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Hardyston Township Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Hardyston Township Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

(b) Such funds requested in accordance with Section 1(b) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Hardyston Township Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Hardyston Township Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

3. Such payment obligation, for which funds have been requested in accordance with Section [1(a)] [1(b)] of this Requisition, (i) has been properly incurred in accordance with the Plans and Specifications, (ii) is an item of the Cost of such Project, (iii) is a proper charge against the Project Fund, (iv) has not been the basis of any previous withdrawal, and (v) attached hereto is a bill, invoice, receipt or other evidence that payment on such Project Cost is due and owing or has been paid by or on behalf of the Company. This Requisition, together with any such attachments contemplated by clause (v) above, shall constitute Draw Papers submitted on a Draw

Date for all purposes of the Company Lease Agreement, the Bond Resolution and the Local Unit License Agreement for the Licensor.

4. This requisition may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS "LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)" (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this "*High Point Regional Board of Education Local Unit License Agreement*"), dated as of December 1, 2011, is made by and among **High Point Regional Board of Education** (the "*Licensor*"), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the "*County*"), State of New Jersey ("*State*") and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the "*Authority*" or the "*Licensee*"), duly created by resolution of the Board of Chosen Freeholders ("*Board of Freeholders*") of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the "*Act*") and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the "*County*") desires to undertake the development and implementation of a renewable energy program (the "*Renewable Energy Program*") for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and biomass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the "*Renewable Energy Projects*") for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the "*Local Units*");

**WHEREAS**, the Morris County Improvement Authority (the "*Authority*") has been duly created by resolution no. 42 entitled "Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority" duly adopted by the Board of Chosen Freeholders (the "*Morris County Board of Freeholders*") of the County of Morris (the "*Morris County*") in the State of New Jersey (the "*State*") on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the "*Act*"), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*" and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*");

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

(c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the "*Continuing Disclosure Agreements*"; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the "County Documents") with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the "*Local Finance Board Application*") to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the "*Local Finance Board*") in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement "deemed final" within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the "*Preliminary Official Statement*"); and (ii) the execution and delivery of a bond purchase agreement (the "*Bond Purchase Agreement*") with an underwriter to be selected by the Authority through a fair and open process (alternatively, the "*Underwriter*") to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the "*Official Statement*", and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County "*Sale Documents*");

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 ("*Section 13*") of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the "Sussex County Board of Freeholders") and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the "*Program Documents*"), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**NOW, THEREFORE,** for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agrees as follows:

**Term**

(d) The following defined terms shall, for all purposes of this High Point Regional Board of Education Local Unit License Agreement, have the following meanings:

“**High Point Regional Board of Education Acceptance Certificates**” shall mean individually or collectively, as the case may be, the High Point Regional Board of Education CIP Acceptance Certificate and the High Point Regional Board of Education REP Acceptance Certificate, each in the form attached as **Exhibit E** to the High Point Regional Board of Education Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

“**High Point Regional Board of Education CIP Acceptance Certificate**” shall mean the certificate applicable to the High Point Regional Board of Education Capital Improvement Projects in the form attached as **Exhibit E-2** to the High Point Regional Board of Education Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the High Point Regional Board of Education Capital Improvement Projects, all as set forth in Section 4.3 of the High Point Regional Board of Education Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no High Point Regional Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this High Point Regional Board of Education Local Unit License Agreement. The Parties acknowledge and agree

that no High Point Regional Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**“High Point Regional Board of Education Construction Manager”** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“High Point Regional Board of Education Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) High Point Regional Board of Education Renewable Energy Projects or (ii) High Point Regional Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the High Point Regional Board of Education Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the High Point Regional Board of Education Renewable Energy Projects or the High Point Regional Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the High Point Regional Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“High Point Regional Board of Education Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed High Point Regional Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“High Point Regional Board of Education REP Acceptance Certificate”** shall mean the certificate applicable to the High Point Regional Board of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the High Point Regional Board of Education Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the High Point Regional Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the High Point Regional Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the Board President, School Business Administrator or such other person designated as an Authorized Officer in the High Point Regional Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this High Point Regional Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the High Point Regional Board of Education Draw Papers, the High Point Regional Board of Education Acceptance Certificates, and any High Point Regional Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the High Point Regional Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the High Point Regional Board of Education Local Unit Facilities and the land underlying the High Point Regional Board of Education Local Unit Facilities. There are no mortgages or other liens against the High Point Regional Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this High Point Regional Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this High Point Regional Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the High Point Regional Board of Education CIP Acceptance Certificate with respect to the High Point Regional Board of Education Capital Improvement Projects, if any, the Licensor shall own such High Point Regional Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the High Point Regional Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the High Point Regional Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the High Point Regional Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **High Point Regional Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the High Point Regional Board of Education Renewable Energy Projects on, or as applicable, in the High Point Regional Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital

Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the High Point Regional Board of Education Capital Improvement Projects on or as applicable, in the High Point Regional Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the High Point Regional Board of Education Renewable Energy Projects on or as applicable, in or about the High Point Regional Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such High Point Regional Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the High Point Regional Board of Education Capital Improvement Projects on or as applicable, in or about the High Point Regional Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such High Point Regional Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any High Point Regional Board of Education Capital Improvement Projects under the Program Documents and any references herein to High Point Regional Board of Education Capital Improvement Projects, High Point Regional Board of Education Capital Improvement Project Fund, High Point Regional Board of Education CIP Acceptance Certificates or any other term defined by reference to High Point Regional Board of Education Capital Improvement Projects (without limiting the application of any such term to the extent not related to High Point Regional Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding

of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this High Point Regional Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this High Point Regional Board of Education Local Unit License Agreement (each, an "**High Point Regional Board of Education Licensee**", and collectively, the "**High Point Regional Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**High Point Regional Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other High Point Regional Board of Education Licensee access to the High Point Regional Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this High Point Regional Board of Education Local Unit License Agreement, a license (the "**High Point Regional Board of Education Local Unit License**") allowing each High Point Regional Board of Education Licensee to enter the High Point Regional Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**High Point Regional Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**High Point Regional Board of Education Capital Improvement Projects**"), and together with the High Point Regional Board of Education Renewable Energy Projects, the "**High Point Regional Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**High Point Regional Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other High Point Regional Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no High Point Regional Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this High Point Regional Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its High Point Regional Board of Education Local Unit Facilities.

(b) For all purposes of this High Point Regional Board of Education Local Unit License Agreement, the High Point Regional Board of Education Local Unit License shall

be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as High Point Regional Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive High Point Regional Board of Education Activities, which preliminary High Point Regional Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The High Point Regional Board of Education Licensees shall have access to the High Point Regional Board of Education Local Unit Facilities to conduct High Point Regional Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the High Point Regional Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the High Point Regional Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the High Point Regional Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the High Point Regional Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the High Point Regional Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the High Point Regional Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the High Point Regional Board of Education Project Activities shall be undertaken on the High Point Regional Board of Education Local Unit Facilities by the Authority or any other High Point Regional Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensor shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensor is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensor shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this High Point Regional Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. High Point Regional Board of Education Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this High Point Regional Board of Education Local Unit License Agreement, the High Point Regional Board of Education License shall permit the High Point Regional Board of Education Licensees to enter upon the High Point Regional Board of Education Local Unit Facilities to conduct the High Point Regional Board of Education Project Activities, at which time any such High Point Regional Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this High Point Regional Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all High Point Regional Board of Education Project Activities, the Authority and/or any other High Point Regional Board of Education Licensee shall afford the Licensor and/or its representatives, the opportunity to observe all High Point Regional Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any High Point Regional Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensor hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other High Point Regional Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensor's, or its representatives' or consultant's entry or activities on the High Point Regional Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all High Point Regional Board of Education Licensees, to promptly provide the Licensor with copies of any final written reports prepared, compiled or generated as part of the High Point Regional Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensor shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the High Point Regional Board of Education Local Unit License, to inspect the High Point Regional Board of Education Local Unit Facilities and/or the High Point Regional Board of Education Renewable Energy Projects during the Term of this High Point Regional Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the High Point Regional Board of Education Local Unit License under this High Point Regional Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other High Point Regional Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the High Point Regional Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing High Point Regional Board of Education Project Activities on the High Point Regional Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the High Point Regional Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the High Point Regional Board of Education Local Unit Facilities are unavailable to allow the Company to perform High Point Regional Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the High Point Regional Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its High Point Regional Board of Education Local Unit License for the High Point Regional Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the High Point Regional Board of Education Renewable Energy Projects, with as similar physical conditions to the existing High Point Regional Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute High Point Regional Board of Education Renewable Energy Project on the High Point Regional Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this High Point Regional Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the High Point Regional Board of Education Renewable Energy Projects located on, or as applicable in, the High Point Regional Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the High Point Regional Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new High Point Regional Board of Education Local Unit Facilities for all purposes of this High Point Regional Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new High Point Regional Board of Education Renewable Energy Projects on, or as applicable in, such new High Point Regional Board of Education Local Unit Facilities shall be deemed the new High Point Regional Board of Education Renewable Energy Projects for all purposes of this High Point Regional Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the High Point Regional Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this High Point Regional Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the High Point Regional Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the High Point Regional Board of Education Renewable Energy Projects been operating at the High Point Regional Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the High Point Regional Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the High Point Regional Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the High Point Regional Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any High Point Regional Board of Education Local Unit Facility as a result of which such High Point Regional Board of Education Local Unit Facility is unavailable to allow the Company to perform its High Point Regional Board of Education Project Activities shall be deemed to be a revocation of the High Point Regional Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to High Point Regional Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the High Point Regional Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the High Point Regional Board of Education Renewable Energy Projects (the “**Revised High Point Regional Board of Education Renewable Energy Projects**”), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised High Point Regional Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the High Point Regional Board of Education Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any High Point Regional Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this High Point Regional Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such High Point Regional Board of Education Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### **High Point Regional Board of Education DRAW PAPERS; High Point Regional Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. High Point Regional Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the High Point Regional Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the High Point Regional Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the High Point Regional Board of Education Renewable Energy Projects and the High Point Regional Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the High Point Regional Board of Education Renewable Energy Projects or the High Point Regional Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the High Point Regional Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the High Point Regional Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the High Point Regional Board of Education Capital Improvement Projects. The Licensor shall promptly review the High Point Regional Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the High Point Regional Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such High Point Regional Board of Education Draw Papers where indicated, and promptly forward the original of such High Point Regional Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the High Point Regional Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any High Point Regional

Board of Education Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the High Point Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this High Point Regional Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any High Point Regional Board of Education Draw Papers or (ii) delegate any such action to the High Point Regional Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the High Point Regional Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any High Point Regional Board of Education Draw Papers to the High Point Regional Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the High Point Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this High Point Regional Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any High Point Regional Board of Education Draw Papers or (ii) delegate any such action to the High Point Regional Board of Education Construction Manager.

**Section 4.2. High Point Regional Board of Education REP Acceptance Certificate Relating to the High Point Regional Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the High Point Regional Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the High Point Regional Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the High Point Regional Board of Education REP Acceptance Certificate applicable to such High Point Regional Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form High Point Regional Board of Education REP Acceptance Certificate applicable to the High Point Regional Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company

to clarify or otherwise change the High Point Regional Board of Education REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the High Point Regional Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such High Point Regional Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such High Point Regional Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the High Point Regional Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the High Point Regional Board of Education REP Acceptance Certificate to the High Point Regional Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the High Point Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The High Point Regional Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this High Point Regional Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the High Point Regional Board of Education REP Acceptance Certificate or (ii) delegate any such action to the High Point Regional Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the High Point Regional Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the High Point Regional Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the High Point Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this High Point Regional Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the High Point Regional Board of Education REP Acceptance Certificate or (ii) delegate any such action to the High Point Regional Board of Education Construction Manager.

**Section 4.3. High Point Regional Board of Education CIP Acceptance Certificate Relating to the High Point Regional Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the High Point Regional Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the High Point Regional Board of Education CIP Acceptance Certificate applicable to such High Point Regional Board of Education Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form High Point Regional Board of Education CIP Acceptance Certificate applicable to the High Point Regional Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the High Point Regional Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the High Point Regional Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such High Point Regional Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such High Point Regional Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the High Point Regional Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the High Point Regional Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the High Point Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this High Point Regional Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the High Point Regional Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the High Point Regional Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the High Point Regional Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the High Point Regional Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the

High Point Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this High Point Regional Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the High Point Regional Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the High Point Regional Board of Education Construction Manager.

**Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the High Point Regional Board of Education Renewable Energy Projects and restoration of the High Point Regional Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this High Point Regional Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the

applicable Series 2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the High Point Regional Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the High Point Regional Board of Education Renewable Energy Projects located on, or as applicable, in the High Point Regional Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the High Point Regional Board of Education Renewable Energy Projects installed on or, as applicable, in the High Point Regional Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the High Point Regional Board of Education Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall

take into account all the facts and circumstances of the marketplace for such High Point Regional Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other High Point Regional Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the High Point Regional Board of Education Renewable Energy Projects from the High Point Regional Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other High Point Regional Board of Education Licensees, and (ii) restore, within a reasonable period of time, the High Point Regional Board of Education Local Unit Facilities, as improved by the High Point Regional Board of Education Capital Improvement Projects, to the condition prior to the installation of the High Point Regional Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the High Point Regional Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power

Purchase Agreement, this High Point Regional Board of Education Local Unit License Agreement shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its High Point Regional Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the High Point Regional Board of Education Renewable Energy Projects located on, or as applicable, in the High Point Regional Board of Education Local Unit Facilities from the Authority, as owner of the High Point Regional Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the High Point Regional Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase

Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the High Point Regional Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the High Point Regional Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this High Point Regional Board of Education Local Unit License Agreement:

(i) the Authority or any other High Point Regional Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other High Point Regional Board of Education Licensee to be performed or observed under this High Point Regional Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other High Point Regional Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this High Point Regional Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the High Point Regional Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part

of the Licensor to be performed or observed under this High Point Regional Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this High Point Regional Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the High Point Regional Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this High Point Regional Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this High Point Regional Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this High Point Regional Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the High Point Regional Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such High Point Regional Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the High Point Regional Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This High Point Regional Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This High Point Regional Board of Education Local Unit License Agreement and the High Point Regional Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all High Point Regional Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the High Point Regional Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the High Point Regional Board of Education Renewable Energy Projects shall have been removed from the High Point Regional Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the High Point Regional Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the High Point Regional Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate

this High Point Regional Board of Education Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this High Point Regional Board of Education Local Unit License Agreement].

(c) The “**Term**” of this High Point Regional Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this High Point Regional Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other High Point Regional Board of Education Licensees shall have any further rights, duties or obligations with respect to the High Point Regional Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this High Point Regional Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the High Point Regional Board of Education Licensees to gain access under the High Point Regional Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Dear Sir or Madam:

Pursuant to (i) Section 510(c) of that certain "Lease Purchase Agreement (Morris County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") by and between The Morris County Improvement Authority (the "**Authority**"), as lessor, and SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), as lessee, and (ii) Section 5.02(2) of the Authority's bond resolution duly adopted July 20, 2011 and entitled "Resolution Authorizing the Issuance of County of Sussex Guaranteed Renewable Energy Program Lease Revenue Notes and Bonds, Series 2011 and Additional Bonds of The Morris County Improvement Authority", as amended and supplemented, and (iii) with respect to the [Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**High Point Regional Board of Education Renewable Energy Projects**")] [Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "**High Point Regional Board of Education Capital Improvement Projects**")] being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensors**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), the Company, by its Authorized Officer stated below, **DOES HEREBY CERTIFY** and **REQUISITION** moneys on deposit in the Project Fund and held by U.S. Bank National Association, as trustee (the "**Trustee**") for the holders of the Series 2011 Bonds, as follows:

1. The Trustee is hereby requested to pay \$\_\_\_\_\_ from moneys on deposit in the Project Fund equal to the aggregate Project Costs for which payment or reimbursement is being sought by this requisition.

(a) \$\_\_\_\_\_ of which aggregate amount shall be payable to:

[\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_];

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]; and

(b) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

[\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_]

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]

{Please Note, Include Name and Address of any Contractor and the specific Development  
Contract pursuant to which this Requisition is submitted}

2. (a) Such funds requested in accordance with Section 1(a) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the High Point Regional Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the High Point Regional Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

(b) Such funds requested in accordance with Section 1(b) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the High Point Regional Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the High Point Regional Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

3. Such payment obligation, for which funds have been requested in accordance with Section [1(a)] [1(b)] of this Requisition, (i) has been properly incurred in accordance with the Plans and Specifications, (ii) is an item of the Cost of such Project, (iii) is a proper charge against the Project Fund, (iv) has not been the basis of any previous withdrawal, and (v) attached hereto is a bill, invoice, receipt or other evidence that payment on such Project Cost is due and owing or has been paid by or on behalf of the Company. This Requisition, together with any such attachments contemplated by clause (v) above, shall constitute Draw Papers submitted on a Draw

Date for all purposes of the Company Lease Agreement, the Bond Resolution and the Local Unit License Agreement for the Licensor.

4. This requisition may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Kittatinny Regional Board of Education Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among **Kittatinny Regional Board of Education** (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and biomass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the “*Capital Improvement Projects*” and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the “*Projects*”), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the “*Municipal Series 2011 Local Units*”); and
- (ii) Byram Township School District, Frankford Township’s Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the “*Board of Education Series 2011 Local Units*”); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the “*County Series 2011 Local Units*”);

(each a “*Series 2011 Local Unit*”, and, collectively, the “*Series 2011 Local Units*”), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, “County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)” dated their date of delivery (the “*Series 2011A Bonds*”) the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the “*Series 2011A Bonds*”), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, “County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)” (the “*Series 2011B Note*”, and together with the Series 2011A Bonds, “*Series 2011 Bonds*”), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*);

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

(c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “*County Documents*”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agrees as follows:

(c) The following defined terms shall, for all purposes of this Kittatinny Regional Board of Education Local Unit License Agreement, have the meanings ascribed to such terms in the following Sections hereof.

(i) Section 3.1(a):

**Projects**

**Kittatinny Regional Board of Education Capital Improvement**  
**Kittatinny Regional Board of Education Licensee**  
**Kittatinny Regional Board of Education Licensees**  
**Kittatinny Regional Board of Education Local Unit Facilities**  
**Kittatinny Regional Board of Education Local Unit License**  
**Kittatinny Regional Board of Education Project Activities**  
**Kittatinny Regional Board of Education Projects**

that no Kittatinny Regional Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**“Kittatinny Regional Board of Education Construction Manager”** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Kittatinny Regional Board of Education Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Kittatinny Regional Board of Education Renewable Energy Projects or (ii) Kittatinny Regional Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Kittatinny Regional Board of Education Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Kittatinny Regional Board of Education Renewable Energy Projects or the Kittatinny Regional Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the Kittatinny Regional Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Kittatinny Regional Board of Education Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Kittatinny Regional Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Kittatinny Regional Board of Education REP Acceptance Certificate”** shall mean the certificate applicable to the Kittatinny Regional Board of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the Kittatinny Regional Board of Education Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Kittatinny Regional Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the Kittatinny Regional Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the Jack McDonald, Interim Business Administrator/Board Secretary or such other person designated as an Authorized Officer in the Kittatinny Regional Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Kittatinny Regional Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Kittatinny Regional Board of Education Draw Papers, the Kittatinny Regional Board of Education Acceptance Certificates, and any Kittatinny Regional Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Kittatinny Regional Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the Kittatinny Regional Board of Education Local Unit Facilities and the land underlying the Kittatinny Regional Board of Education Local Unit Facilities. There are no mortgages or other liens against the Kittatinny Regional Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Kittatinny Regional Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Kittatinny Regional Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Kittatinny Regional Board of Education CIP Acceptance Certificate with respect to the Kittatinny Regional Board of Education Capital Improvement Projects, if any, the Licensor shall own such Kittatinny Regional Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Kittatinny Regional Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Kittatinny Regional Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Kittatinny Regional Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Kittatinny Regional Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Kittatinny Regional Board of Education Renewable Energy Projects on, or as applicable, in the Kittatinny Regional Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital

Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Kittatinny Regional Board of Education Capital Improvement Projects on or as applicable, in the Kittatinny Regional Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Kittatinny Regional Board of Education Renewable Energy Projects on or as applicable, in or about the Kittatinny Regional Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Kittatinny Regional Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Kittatinny Regional Board of Education Capital Improvement Projects on or as applicable, in or about the Kittatinny Regional Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Kittatinny Regional Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Kittatinny Regional Board of Education Capital Improvement Projects under the Program Documents and any references herein to Kittatinny Regional Board of Education Capital Improvement Projects, Kittatinny Regional Board of Education Capital Improvement Project Fund, Kittatinny Regional Board of Education CIP Acceptance Certificates or any other term defined by reference to Kittatinny Regional Board of Education Capital Improvement Projects (without limiting the application of any such term to the extent not related to Kittatinny Regional Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the

County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Kittatinny Regional Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Kittatinny Regional Board of Education Local Unit License Agreement (each, an "**Kittatinny Regional Board of Education Licensee**", and collectively, the "**Kittatinny Regional Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Kittatinny Regional Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Kittatinny Regional Board of Education Licensee access to the Kittatinny Regional Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Kittatinny Regional Board of Education Local Unit License Agreement, a license (the "**Kittatinny Regional Board of Education Local Unit License**") allowing each Kittatinny Regional Board of Education Licensee to enter the Kittatinny Regional Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Kittatinny Regional Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Kittatinny Regional Board of Education Capital Improvement Projects**"), and together with the Kittatinny Regional Board of Education Renewable Energy Projects, the "**Kittatinny Regional Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Kittatinny Regional Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other Kittatinny Regional Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Kittatinny Regional Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Kittatinny Regional Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Kittatinny Regional Board of Education Local Unit Facilities.

(b) For all purposes of this Kittatinny Regional Board of Education Local Unit License Agreement, the Kittatinny Regional Board of Education Local Unit License shall

be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as Kittatinny Regional Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Kittatinny Regional Board of Education Activities, which preliminary Kittatinny Regional Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Kittatinny Regional Board of Education Licensees shall have access to the Kittatinny Regional Board of Education Local Unit Facilities to conduct Kittatinny Regional Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Kittatinny Regional Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Kittatinny Regional Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Kittatinny Regional Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Kittatinny Regional Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Kittatinny Regional Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Kittatinny Regional Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the Kittatinny Regional Board of Education Project Activities shall be undertaken on the Kittatinny Regional Board of Education Local Unit Facilities by the Authority or any other Kittatinny Regional Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensors shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensors is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensors shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Kittatinny Regional Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Kittatinny Regional Board of Education Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Kittatinny Regional Board of Education Local Unit License Agreement, the Kittatinny Regional Board of Education Licensee shall permit the Kittatinny Regional Board of Education Licensees to enter upon the Kittatinny Regional Board of Education Local Unit Facilities to conduct the Kittatinny Regional Board of Education Project Activities, at which time any such Kittatinny Regional Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this Kittatinny Regional Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Kittatinny Regional Board of Education Project Activities, the Authority and/or any other Kittatinny Regional Board of Education Licensee shall afford the Licensors and/or its representatives, the opportunity to observe all Kittatinny Regional Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any Kittatinny Regional Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensors hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Kittatinny Regional Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensors', or its representatives' or consultant's entry or activities on the Kittatinny Regional Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Kittatinny Regional Board of Education Licensees, to promptly provide the Licensors with copies of any final written reports prepared, compiled or generated as part of the Kittatinny Regional Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensors shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Kittatinny Regional Board of Education Local Unit License, to inspect the Kittatinny Regional Board of Education Local Unit Facilities and/or the Kittatinny Regional Board of Education Renewable Energy Projects during the Term of this Kittatinny Regional Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Kittatinny Regional Board of Education Local Unit License under this Kittatinny Regional Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Kittatinny Regional Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Kittatinny Regional Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Kittatinny Regional Board of Education Project Activities on the Kittatinny Regional Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Kittatinny Regional Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the Kittatinny Regional Board of Education Local Unit Facilities are unavailable to allow the Company to perform Kittatinny Regional Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Kittatinny Regional Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Kittatinny Regional Board of Education Local Unit License for the Kittatinny Regional Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Kittatinny Regional Board of Education Renewable Energy Projects, with as similar physical conditions to the existing Kittatinny Regional Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Kittatinny Regional Board of Education Renewable Energy Project on the Kittatinny Regional Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Kittatinny Regional Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Kittatinny Regional Board of Education Renewable Energy Projects located on, or as applicable in, the Kittatinny Regional Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Kittatinny Regional Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Kittatinny Regional Board of Education Local Unit Facilities for all purposes of this Kittatinny Regional Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new Kittatinny Regional Board of Education Renewable Energy Projects on, or as applicable in, such new Kittatinny Regional Board of Education Local Unit Facilities shall be deemed the new Kittatinny Regional Board of Education Renewable Energy Projects for all purposes of this Kittatinny Regional Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Kittatinny Regional Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Kittatinny Regional Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Kittatinny Regional Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Kittatinny Regional Board of Education Renewable Energy Projects been operating at the Kittatinny Regional Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Kittatinny Regional Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Kittatinny Regional Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Kittatinny Regional Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Kittatinny Regional Board of Education Local Unit Facility as a result of which such Kittatinny Regional Board of Education Local Unit Facility is unavailable to allow the Company to perform its Kittatinny Regional Board of Education Project Activities shall be deemed to be a revocation of the Kittatinny Regional Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to Kittatinny Regional Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Kittatinny Regional Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Kittatinny Regional Board of Education Renewable Energy Projects (the “**Revised Kittatinny Regional Board of Education Renewable Energy Projects**”), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Kittatinny Regional Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Kittatinny Regional Board of Education Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Kittatinny Regional Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Kittatinny Regional Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Kittatinny Regional Board of Education Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### **Kittatinny Regional Board of Education DRAW PAPERS; Kittatinny Regional Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. Kittatinny Regional Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Kittatinny Regional Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Kittatinny Regional Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Kittatinny Regional Board of Education Renewable Energy Projects and the Kittatinny Regional Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Kittatinny Regional Board of Education Renewable Energy Projects or the Kittatinny Regional Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Kittatinny Regional Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Kittatinny Regional Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Kittatinny Regional Board of Education Capital Improvement Projects. The Licensor shall promptly review the Kittatinny Regional Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Kittatinny Regional Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Kittatinny Regional Board of Education Draw Papers where indicated, and promptly forward the original of such Kittatinny Regional Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Kittatinny Regional Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Kittatinny Regional

Board of Education Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Kittatinny Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Kittatinny Regional Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Kittatinny Regional Board of Education Draw Papers or (ii) delegate any such action to the Kittatinny Regional Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Kittatinny Regional Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Kittatinny Regional Board of Education Draw Papers to the Kittatinny Regional Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Kittatinny Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Kittatinny Regional Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Kittatinny Regional Board of Education Draw Papers or (ii) delegate any such action to the Kittatinny Regional Board of Education Construction Manager.

**Section 4.2. Kittatinny Regional Board of Education REP Acceptance Certificate Relating to the Kittatinny Regional Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the Kittatinny Regional Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Kittatinny Regional Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Kittatinny Regional Board of Education REP Acceptance Certificate applicable to such Kittatinny Regional Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Kittatinny Regional Board of Education REP Acceptance Certificate applicable to the Kittatinny Regional Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company

to clarify or otherwise change the Kittatinny Regional Board of Education REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Kittatinny Regional Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Kittatinny Regional Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such Kittatinny Regional Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Kittatinny Regional Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Kittatinny Regional Board of Education REP Acceptance Certificate to the Kittatinny Regional Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Kittatinny Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Kittatinny Regional Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Kittatinny Regional Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Kittatinny Regional Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Kittatinny Regional Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Kittatinny Regional Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Kittatinny Regional Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Kittatinny Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Kittatinny Regional Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Kittatinny Regional Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Kittatinny Regional Board of Education Construction Manager.

**Section 4.3. Kittatinny Regional Board of Education CIP Acceptance Certificate Relating to the Kittatinny Regional Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the Kittatinny Regional Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Kittatinny Regional Board of Education CIP Acceptance Certificate applicable to such Kittatinny Regional Board of Education Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Kittatinny Regional Board of Education CIP Acceptance Certificate applicable to the Kittatinny Regional Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Kittatinny Regional Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Kittatinny Regional Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Kittatinny Regional Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such Kittatinny Regional Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Kittatinny Regional Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Kittatinny Regional Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Kittatinny Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Kittatinny Regional Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Kittatinny Regional Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Kittatinny Regional Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Kittatinny Regional Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Kittatinny Regional Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the

Kittatinny Regional Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Kittatinny Regional Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Kittatinny Regional Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Kittatinny Regional Board of Education Construction Manager.

**Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Kittatinny Regional Board of Education Renewable Energy Projects and restoration of the Kittatinny Regional Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Kittatinny Regional Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the

applicable Series 2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Kittatinny Regional Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Kittatinny Regional Board of Education Renewable Energy Projects located on, or as applicable, in the Kittatinny Regional Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Kittatinny Regional Board of Education Renewable Energy Projects installed on or, as applicable, in the Kittatinny Regional Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Kittatinny Regional Board of Education Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all

the facts and circumstances of the marketplace for such Kittatinny Regional Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Kittatinny Regional Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Kittatinny Regional Board of Education Renewable Energy Projects from the Kittatinny Regional Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Kittatinny Regional Board of Education Licensees, and (ii) restore, within a reasonable period of time, the Kittatinny Regional Board of Education Local Unit Facilities, as improved by the Kittatinny Regional Board of Education Capital Improvement Projects, to the condition prior to the installation of the Kittatinny Regional Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Kittatinny Regional Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power

Purchase Agreement, this Kittatinny Regional Board of Education Local Unit License Agreement shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Kittatinny Regional Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Kittatinny Regional Board of Education Renewable Energy Projects located on, or as applicable, in the Kittatinny Regional Board of Education Local Unit Facilities from the Authority, as owner of the Kittatinny Regional Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Kittatinny Regional Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase

Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Kittatinny Regional Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Kittatinny Regional Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Kittatinny Regional Board of Education Local Unit License Agreement:

(i) the Authority or any other Kittatinny Regional Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Kittatinny Regional Board of Education Licensee to be performed or observed under this Kittatinny Regional Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Kittatinny Regional Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Kittatinny Regional Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Kittatinny Regional Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part

of the Licensor to be performed or observed under this Kittatinny Regional Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Kittatinny Regional Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Kittatinny Regional Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Kittatinny Regional Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Kittatinny Regional Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Kittatinny Regional Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Kittatinny Regional Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Kittatinny Regional Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Kittatinny Regional Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Kittatinny Regional Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Kittatinny Regional Board of Education Local Unit License Agreement and the Kittatinny Regional Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all Kittatinny Regional Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Kittatinny Regional Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Kittatinny Regional Board of Education Renewable Energy Projects shall have been removed from the Kittatinny Regional Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Kittatinny Regional Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Kittatinny Regional Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate

this Kittatinny Regional Board of Education Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this Kittatinny Regional Board of Education Local Unit License Agreement].

(c) The “**Term**” of this Kittatinny Regional Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Kittatinny Regional Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other Kittatinny Regional Board of Education Licensees shall have any further rights, duties or obligations with respect to the Kittatinny Regional Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Kittatinny Regional Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Kittatinny Regional Board of Education Licensees to gain access under the Kittatinny Regional Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Kittatinny Regional Board of Education Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**EXHIBIT E-1**

**[Attach Kittatinny Regional Board of Education REP Acceptance Certificate]**

I, the undersigned \_\_\_\_\_, a duly authorized officer of SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the “**Company**”), pursuant to the terms of that certain “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated as of December 1, 2011 (the “**Company Lease Agreement**”) between The Morris County Improvement Authority, as lessor (the “**Authority**”), and the Company, as lessee, and with reference to the Renewable Energy Projects, or as applicable, any Completion Project related thereto (the “**Kittatinny Regional Board of Education Renewable Energy Projects**”) being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the “**Licensor**”) (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_, the Kittatinny Regional Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use. Attached hereto are the required engineering certifications and / or reports evidencing same.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Kittatinny Regional Board of Education Renewable Energy Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Kittatinny Regional Board of Education Renewable Energy Projects, including the design, permitting, acquisition, construction and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction and installation thereof].

3. The Kittatinny Regional Board of Education Renewable Energy Projects, having been designed, acquired, constructed and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, are hereby accepted for use by the Company, with title thereto as set forth in Section 609(a) of the Company Lease Agreement, to generate renewable energy therefrom to be sold through the Authority to the Licensor, all as set forth in the Program Documents. This Section 3, together with the Licensor’s acknowledgment below by an Authorized Officer thereof, shall constitute the Company’s and the Licensor’s acceptance of the Kittatinny Regional Board of Education Renewable Energy Projects for all purposes of Section 510(d)(i)(C) of the Company Lease Agreement and Section 5.02(3)(a)(i)(C) of the Bond Resolution.

4. Attached hereto is one or more duly authorized, fully executed and delivered copy or copies of the Kittatinny Regional Board of Education Interconnection Agreement(s) with the applicable local electric utility distribution provider with respect to all of the Kittatinny Regional Board of Education Renewable Energy Projects.

5. [Choose one, as applicable]

[This REP Acceptance Certificate is not the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and accordingly, any moneys on deposit in the Project Fund, if any, including interest, earmarked for the Kittatinny Regional Board of Education Renewable Energy Projects shall remain on deposit in the Project Fund for Costs of other Projects.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall not have caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, nor has the Company acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. **[Attach Kittatinny Regional Board of Education CIP Acceptance Certificate]**

I, the undersigned \_\_\_\_\_, a duly authorized officer of [COMPANY], [a Delaware limited liability company] (the “**Company**”), pursuant to the terms of that certain “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated as of December 1, 2011 (the “**Company Lease Agreement**”) between The Morris County Improvement Authority, as lessor (the “**Authority**”), and the Company, as lessee, and with reference to the Capital Improvement Projects, or as applicable, any Completion Project related thereto (the “**Kittatinny Regional Board of Education Capital Improvement Projects**”) being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the “**Licensor**”) (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_, the Kittatinny Regional Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Kittatinny Regional Board of Education Capital Improvement Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Kittatinny Regional Board of Education Capital Improvement Projects, including the design, permitting, acquisition, construction, renovation, and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction, renovation, and installation thereof].

3. By obtaining the Licensor’s execution of the acknowledgment below, the Company is satisfying the requirement regarding the Licensor’s acceptance of (a) the Kittatinny Regional Board of Education Capital Improvement Projects for all purposes of Section 510(d)(ii)(C) of the Company Lease Agreement and Section 5.02(3)(a)(ii)(C) of the Bond Resolution, which Kittatinny Regional Board of Education Capital Improvement Projects, were designed, acquired, constructed, renovated, and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, with title thereto as set forth in Section 609 of the Company Lease Agreement and (b) the CIP Acceptance State. This Section 3, together with the Licensor’s acknowledgment below by an Authorized Officer thereof, shall constitute the Licensor’s acceptance of the Kittatinny Regional Board of Education Capital Improvement Projects for all purposes of Section 510(d)(ii)(C) of the Company Lease Agreement and Section 5.02(3)(a)(ii)(C) of the Bond Resolution.

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS "**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**" (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this "*Newton Board of Education Local Unit License Agreement*"), dated as of December 1, 2011, is made by and among **Newton Board of Education** (the "*Licensor*"), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the "*County*"), State of New Jersey ("*State*") and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the "*Authority*" or the "*Licensee*"), duly created by resolution of the Board of Chosen Freeholders ("*Board of Freeholders*") of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the "*Act*") and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the "*County*") desires to undertake the development and implementation of a renewable energy program (the "*Renewable Energy Program*") for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and bio-mass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the "*Renewable Energy Projects*") for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the "*Local Units*");

**WHEREAS**, the Morris County Improvement Authority (the "*Authority*") has been duly created by resolution no. 42 entitled "Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority" duly adopted by the Board of Chosen Freeholders (the "*Morris County Board of Freeholders*") of the County of Morris (the "*Morris County*") in the State of New Jersey (the "*State*") on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the "*Act*"), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*" and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*);

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

(c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the "*Continuing Disclosure Agreements*"; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the "County Documents") with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the "*Local Finance Board Application*") to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the "*Local Finance Board*") in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement "deemed final" within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the "*Preliminary Official Statement*"); and (ii) the execution and delivery of a bond purchase agreement (the "*Bond Purchase Agreement*") with an underwriter to be selected by the Authority through a fair and open process (alternatively, the "*Underwriter*") to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the "*Official Statement*", and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County "*Sale Documents*");

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 ("*Section 13*") of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the "*Sussex County Board of Freeholders*") and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the "*Program Documents*"), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**Term**

(d) The following defined terms shall, for all purposes of this Newton Board of Education Local Unit License Agreement, have the following meanings:

“**Newton Board of Education Acceptance Certificates**” shall mean individually or collectively, as the case may be, the Newton Board of Education CIP Acceptance Certificate and the Newton Board of Education REP Acceptance Certificate, each in the form attached as **Exhibit E** to the Newton Board of Education Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

“**Newton Board of Education CIP Acceptance Certificate**” shall mean the certificate applicable to the Newton Board of Education Capital Improvement Projects in the form attached as **Exhibit E-2** to the Newton Board of Education Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the Newton Board of Education Capital Improvement Projects, all as set forth in Section 4.3 of the Newton Board of Education Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Newton Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Newton Board of Education Local Unit License Agreement. The Parties acknowledge and agree that no Newton Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**“Newton Board of Education Construction Manager”** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“Newton Board of Education Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) Newton Board of Education Renewable Energy Projects or (ii) Newton Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Newton Board of Education Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Newton Board of Education Renewable Energy Projects or the Newton Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the Newton Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“Newton Board of Education Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Newton Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“Newton Board of Education REP Acceptance Certificate”** shall mean the certificate applicable to the Newton Board of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the Newton Board of Education Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Newton Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the Newton Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen

signatures of each such person; (ii) with respect to the Licensor: the Business Administrator/Board Secretary, Superintendent or such other person designated as an Authorized Officer in the Newton Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Newton Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Newton Board of Education Draw Papers, the Newton Board of Education Acceptance Certificates, and any Newton Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Newton Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the Newton Board of Education Local Unit Facilities and the land underlying the Newton Board of Education Local Unit Facilities. There are no mortgages or other liens against the Newton Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Newton Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late

or insufficient payment of Basic Lease Payments by the Company thereunder, this Newton Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Newton Board of Education CIP Acceptance Certificate with respect to the Newton Board of Education Capital Improvement Projects, if any, the Licensor shall own such Newton Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Newton Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Newton Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Newton Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Newton Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Newton Board of Education Renewable Energy Projects on, or as applicable, in the Newton Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Newton Board of

Education Capital Improvement Projects on or as applicable, in the Newton Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Newton Board of Education Renewable Energy Projects on or as applicable, in or about the Newton Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Newton Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Newton Board of Education Capital Improvement Projects on or as applicable, in or about the Newton Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Newton Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Newton Board of Education Capital Improvement Projects under the Program Documents and any references herein to Newton Board of Education Capital Improvement Projects, Newton Board of Education Capital Improvement Project Fund, Newton Board of Education CIP Acceptance Certificates or any other term defined by reference to Newton Board of Education Capital Improvement Projects (without limiting the application of any such term to the extent not related to Newton Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Newton Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Newton Board of Education Local Unit License Agreement (each, an "**Newton Board of Education Licensee**", and collectively, the "**Newton Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Newton Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Newton Board of Education Licensee access to the Newton Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Newton Board of Education Local Unit License Agreement, a license (the "**Newton Board of Education Local Unit License**") allowing each Newton Board of Education Licensee to enter the Newton Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Newton Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Newton Board of Education Capital Improvement Projects**", and together with the Newton Board of Education Renewable Energy Projects, the "**Newton Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Newton Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other Newton Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Newton Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Newton Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Newton Board of Education Local Unit Facilities.

(b) For all purposes of this Newton Board of Education Local Unit License Agreement, the Newton Board of Education Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as Newton Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the

Licensors, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Newton Board of Education Activities, which preliminary Newton Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Newton Board of Education Licensees shall have access to the Newton Board of Education Local Unit Facilities to conduct Newton Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Newton Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Newton Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Newton Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Newton Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Newton Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Newton Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the Newton Board of Education Project Activities shall be undertaken on the Newton Board of Education Local Unit Facilities by the Authority or any other Newton Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensor shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance

agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensor is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensor shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Newton Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Newton Board of Education Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Newton Board of Education Local Unit License Agreement, the Newton Board of Education License shall permit the Newton Board of Education Licensees to enter upon the Newton Board of Education Local Unit Facilities to conduct the Newton Board of Education Project Activities, at which time any such Newton Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this Newton Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Newton Board of Education Project Activities, the Authority and/or any other Newton Board of Education Licensee shall afford the Licensor and/or its representatives, the opportunity to observe all Newton Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any Newton Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensor hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Newton Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensor's, or its representatives' or consultant's entry or activities on the Newton Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Newton Board of Education Licensees, to promptly provide the Licensor with copies of any final written reports prepared, compiled or generated as part of the Newton Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensor shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Newton Board of Education Local Unit License, to inspect the Newton Board of Education Local Unit Facilities and/or the Newton Board of Education Renewable Energy Projects during the Term of this Newton Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Newton Board of Education Local Unit License under this Newton Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Newton Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of

the Newton Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Newton Board of Education Project Activities on the Newton Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Newton Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the Newton Board of Education Local Unit Facilities are unavailable to allow the Company to perform Newton Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Newton Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Newton Board of Education Local Unit License for the Newton Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Newton Board of Education Renewable Energy Projects, with as similar physical conditions to the existing Newton Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Newton Board of Education Renewable Energy Project on the Newton Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any

electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Newton Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Newton Board of Education Renewable Energy Projects located on, or as applicable in, the Newton Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Newton Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Newton Board of Education Local Unit Facilities for all purposes of this Newton Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new Newton Board of Education Renewable Energy Projects on, or as applicable in, such new Newton Board of Education Local Unit Facilities shall be deemed the new Newton Board of Education Renewable Energy Projects for all purposes of this Newton Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Newton Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Newton Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Newton Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program

Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Newton Board of Education Renewable Energy Projects been operating at the Newton Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Newton Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Newton Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Newton Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Newton Board of Education Local Unit Facility as a result of which such Newton Board of Education Local Unit Facility is unavailable to allow the Company to perform its Newton Board of Education Project Activities shall be deemed to be a revocation of the Newton Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

### **Section 3.8. Material Change to Newton Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Newton Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material

changes to the Newton Board of Education Renewable Energy Projects (the “**Revised Newton Board of Education Renewable Energy Projects**”), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Newton Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Newton Board of Education Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Newton Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Newton Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Newton Board of Education Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### **Newton Board of Education DRAW PAPERS; Newton Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. Newton Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Newton Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Newton Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Newton Board of Education Renewable Energy Projects and the Newton Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Newton Board of Education Renewable Energy Projects or the Newton Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Newton Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Newton Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Newton Board of Education Capital Improvement Projects. The Licensor shall promptly review the Newton Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Newton Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Newton Board of Education Draw Papers where indicated, and promptly forward the original of such Newton Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Newton Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Newton Board of Education Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies

to the Authority, the Company, and the Newton Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Newton Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Newton Board of Education Draw Papers or (ii) delegate any such action to the Newton Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Newton Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Newton Board of Education Draw Papers to the Newton Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Newton Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Newton Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Newton Board of Education Draw Papers or (ii) delegate any such action to the Newton Board of Education Construction Manager.

**Section 4.2. Newton Board of Education REP Acceptance Certificate Relating to the Newton Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the Newton Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Newton Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Newton Board of Education REP Acceptance Certificate applicable to such Newton Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Newton Board of Education REP Acceptance Certificate applicable to the Newton Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Newton Board of Education REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Newton Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor,

the Licensor shall execute the acknowledgment form to such Newton Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such Newton Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Newton Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Newton Board of Education REP Acceptance Certificate to the Newton Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Newton Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Newton Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Newton Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Newton Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Newton Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Newton Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Newton Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Newton Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Newton Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Newton Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Newton Board of Education Construction Manager.

**Section 4.3. Newton Board of Education CIP Acceptance Certificate Relating to the Newton Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the Newton Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Newton Board of Education CIP Acceptance Certificate applicable to such Newton Board of Education Capital Improvement

Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Newton Board of Education CIP Acceptance Certificate applicable to the Newton Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Newton Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Newton Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Newton Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such Newton Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Newton Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Newton Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Newton Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Newton Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Newton Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Newton Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Newton Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Newton Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Newton Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Newton Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Newton Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Newton Board of Education Construction Manager.

**Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Newton Board of Education Renewable Energy Projects and restoration of the Newton Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Newton Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the applicable Series

2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Newton Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Newton Board of Education Renewable Energy Projects located on, or as applicable, in the Newton Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Newton Board of Education Renewable Energy Projects installed on or, as applicable, in the Newton Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Newton Board of Education Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all the facts and circumstances

of the marketplace for such Newton Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Newton Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Newton Board of Education Renewable Energy Projects from the Newton Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Newton Board of Education Licensees, and (ii) restore, within a reasonable period of time, the Newton Board of Education Local Unit Facilities, as improved by the Newton Board of Education Capital Improvement Projects, to the condition prior to the installation of the Newton Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Newton Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

## **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this Newton Board of Education Local Unit License Agreement shall

continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Newton Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Newton Board of Education Renewable Energy Projects located on, or as applicable, in the Newton Board of Education Local Unit Facilities from the Authority, as owner of the Newton Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Newton Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or

directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Newton Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Newton Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Newton Board of Education Local Unit License Agreement:

(i) the Authority or any other Newton Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Newton Board of Education Licensee to be performed or observed under this Newton Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Newton Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Newton Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Newton Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part

of the Licensor to be performed or observed under this Newton Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Newton Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Newton Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this Newton Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Newton Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Newton Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Newton Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Newton Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Newton Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Newton Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Newton Board of Education Local Unit License Agreement and the Newton Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all Newton Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Newton Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Newton Board of Education Renewable Energy Projects shall have been removed from the Newton Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Newton Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Newton Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate this Newton Board of Education Local Unit License Agreement, which

termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this Newton Board of Education Local Unit License Agreement].

(c) The “**Term**” of this Newton Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Newton Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other Newton Board of Education Licensees shall have any further rights, duties or obligations with respect to the Newton Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Newton Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Newton Board of Education Licensees to gain access under the Newton Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Newton Board of Education Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**Section 7.4. Successors and Assigns.** This Newton Board of Education Local Unit License Agreement shall inure to the benefit of and be binding upon the parties and acknowledgment parties hereto, and their respective successors and/or assigns.

**Section 7.5. Entire Agreement; Third Party Beneficiaries and Obligors.** This Newton Board of Education Local Unit License Agreement contains the entire agreement among the parties and may not be modified, amended, altered or cancelled except upon the prior express written consent of the parties hereto. This Newton Board of Education Local Unit License Agreement and the duties and obligations contained herein shall be solely for the benefit of the parties hereto and, where specifically provided herein, the Company and the other Newton Board of Education Licensees, which upon commencing any action contemplated hereunder, shall automatically also constitute third-party obligors hereunder.

**Section 7.6. Governing Law.** This Newton Board of Education Local Unit License Agreement shall be governed by the laws of the State of New Jersey without regard to principles of conflicts of laws thereunder.

**Section 7.7. Severability.** If any provision of this Newton Board of Education Local Unit License Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever. To the extent any provision of this Newton Board of Education Local Unit License Agreement conflicts with the provisions of any other Program Document, the parties and acknowledgment parties hereto expressly acknowledge that the provisions of this Newton Board of Education Local Unit License Agreement shall control.

**Section 7.8. Counterparts.** This Newton Board of Education Local Unit License Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

**Section 7.9. Effective Date.** This Newton Board of Education Local Unit License Agreement shall be effective as of the date hereof and shall terminate in accordance with the provisions hereof, including Section 7.1 hereof.

**Section 7.10. Waiver of Sovereign Immunity.** For the purposes of this Newton Board of Education Local Unit License Agreement, each of the Authority and the Licensor acknowledge and agree that (a) its execution and delivery of this Newton Board of Education Local Unit License Agreement and (b) its performance of the actions contemplated by this Newton Board of Education Local Unit License Agreement, constitute private and commercial acts rather than public or governmental acts. To the extent that, in any jurisdiction, the Authority or the Licensor in respect of itself or its assets, properties or revenues, shall be entitled to any contract immunity from suit, from the jurisdiction of any court, from attachment prior to judgment, from attachment in aid of execution of judgment, from execution, or enforcement of a

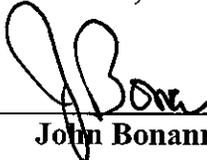

judgment, or from any other legal or judicial process or remedy, such party hereby, except with respect to tort claims related to this License Agreement, (i) expressly and irrevocably agrees not to claim or assert, and expressly and irrevocably waives, any such immunity to the fullest extent permitted by the laws of such jurisdiction solely as to the Company and (ii) consents generally to the giving of any relief or the issue of any process in connection with any proceeding. This waiver does not apply to any Series 2011 Local Units tort immunity as established by law.

Series 2011 (the "Series 2011 Bonds")

Dear Sir or Madam:

Pursuant to (i) Section 510(c) of that certain "Lease Purchase Agreement (Morris County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") by and between The Morris County Improvement Authority (the "**Authority**"), as lessor, and SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), as lessee, and (ii) Section 5.02(2) of the Authority's bond resolution duly adopted July 20, 2011 and entitled "Resolution Authorizing the Issuance of County of Sussex Guaranteed Renewable Energy Program Lease Revenue Notes and Bonds, Series 2011 and Additional Bonds of The Morris County Improvement Authority", as amended and supplemented, and (iii) with respect to the [Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Newton Board of Education Renewable Energy Projects**")] [Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "**Newton Board of Education Capital Improvement Projects**")] being developed for [\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensor**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), the Company, by its Authorized Officer stated below, **DOES HEREBY CERTIFY** and **REQUISITION** moneys on deposit in the Project Fund and held by U.S. Bank National Association, as trustee (the "**Trustee**") for the holders of the Series 2011 Bonds, as follows:

1. The Trustee is hereby requested to pay \$ \_\_\_\_\_ from moneys on deposit in the Project Fund equal to the aggregate Project Costs for which payment or reimbursement is being sought by this requisition.

(a) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_];

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]; and

(b) \$\_\_\_\_\_ of which aggregate amount shall be payable to:

\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_]

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]

{Please Note, Include Name and Address of any Contractor and the specific Development  
Contract pursuant to which this Requisition is submitted}

2. (a) Such funds requested in accordance with Section 1(a) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Newton Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Newton Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

(b) Such funds requested in accordance with Section 1(b) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Newton Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Newton Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor: \_\_\_\_\_.

3. Such payment obligation, for which funds have been requested in accordance with Section [1(a)] [1(b)] of this Requisition, (i) has been properly incurred in accordance with the Plans and Specifications, (ii) is an item of the Cost of such Project, (iii) is a proper charge against the Project Fund, (iv) has not been the basis of any previous withdrawal, and (v) attached hereto is a bill, invoice, receipt or other evidence that payment on such Project Cost is due and owing or has been paid by or on behalf of the Company. This Requisition, together with any such attachments contemplated by clause (v) above, shall constitute Draw Papers submitted on a Draw

Date for all purposes of the Company Lease Agreement, the Bond Resolution and the Local Unit License Agreement for the Licensor.

4. This requisition may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

### [Attach Newton Board of Education REP Acceptance Certificate]

I, the undersigned \_\_\_\_\_, a duly authorized officer of SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the “**Company**”), pursuant to the terms of that certain “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated as of December 1, 2011 (the “**Company Lease Agreement**”) between The Morris County Improvement Authority, as lessor (the “**Authority**”), and the Company, as lessee, and with reference to the Renewable Energy Projects, or as applicable, any Completion Project related thereto (the “**Newton Board of Education Renewable Energy Projects**”) being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the “**Licensor**”) (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_, the Newton Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use. Attached hereto are the required engineering certifications and / or reports evidencing same.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Newton Board of Education Renewable Energy Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Newton Board of Education Renewable Energy Projects, including the design, permitting, acquisition, construction and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction and installation thereof].

3. The Newton Board of Education Renewable Energy Projects, having been designed, acquired, constructed and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, are hereby accepted for use by the Company, with title thereto as set forth in Section 609(a) of the Company Lease Agreement, to generate renewable energy therefrom to be sold through the Authority to the Licensor, all as set forth in the Program Documents. This Section 3, together with the Licensor’s acknowledgment below by an Authorized Officer thereof, shall constitute the Company’s and the Licensor’s acceptance of the Newton Board of Education Renewable Energy Projects for all purposes of Section 510(d)(i)(C) of the Company Lease Agreement and Section 5.02(3)(a)(i)(C) of the Bond Resolution.

4. Attached hereto is one or more duly authorized, fully executed and delivered copy or copies of the Newton Board of Education Interconnection Agreement(s) with the applicable local electric utility distribution provider with respect to all of the Newton Board of Education Renewable Energy Projects.

5. [Choose one, as applicable]

[This REP Acceptance Certificate is not the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and accordingly, any moneys on deposit in the Project Fund, if any, including interest, earmarked for the Newton Board of Education Renewable Energy Projects shall remain on deposit in the Project Fund for Costs of other Projects.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall not have caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, nor has the Company acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered REP Acceptance Certificate, any moneys on deposit in the Project Fund, without further authorization, shall first be applied to reimburse the Company for its withheld retainage under the Company Lease Agreement, and the excess after such application shall be transferred by the Trustee to the Debt Service Fund and applied as a credit to the next due Basic Lease Payments owed by the Company, in accordance with the terms of the Bond Resolution and the Company Lease Agreement.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall have either caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, or the Company has acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered REP Acceptance Certificate, any moneys on deposit in the Project Fund, shall be applied as set forth in a Certificate of an Authorized Officer of the Authority.]

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*County of Sussex Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among County of Sussex (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and biomass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*" and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*");

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

- (c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “County Documents”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**Term**

(d) The following defined terms shall, for all purposes of this County of Sussex Local Unit License Agreement, have the following meanings:

“**County of Sussex Acceptance Certificates**” shall mean individually or collectively, as the case may be, the County of Sussex CIP Acceptance Certificate and the County of Sussex REP Acceptance Certificate, each in the form attached as **Exhibit E** to the County of Sussex Local Unit License Agreement and Exhibit B to the Company Lease Agreement.

“**County of Sussex CIP Acceptance Certificate**” shall mean the certificate applicable to the County of Sussex Capital Improvement Projects in the form attached as **Exhibit E-2** to the County of Sussex Local Unit License Agreement and Exhibit B-2 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor’s acceptance of all of the County of Sussex Capital Improvement Projects, all as set forth in Section 4.3 of the County of Sussex Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no County of Sussex Capital Improvement Projects for the Licensor, this definition shall have no effect in this County of Sussex Local Unit License Agreement. The Parties acknowledge and agree that no County of Sussex Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

“**County of Sussex Construction Manager**” shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by

either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**“County of Sussex Draw Papers”** shall mean the requisitions, and attachments thereto, applicable to either the (i) County of Sussex Renewable Energy Projects or (ii) County of Sussex Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the County of Sussex Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the County of Sussex Renewable Energy Projects or the County of Sussex Capital Improvement Projects, all as set forth in Section 4.1 of the County of Sussex Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**“County of Sussex Interconnection Agreement”** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed County of Sussex Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**“County of Sussex REP Acceptance Certificate”** shall mean the certificate applicable to the County of Sussex Renewable Energy Projects in the form attached as **Exhibit E-1** to the County of Sussex Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the County of Sussex Renewable Energy Projects, all as set forth in Section 4.2 of the County of Sussex Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the Richard A Zeoli (Freehold Director), John H. Eskilson (County administrator) and Elaine A. Morgan, (Clerk, Board of Chosen Freeholders) or such other person designated as an Authorized Officer in the County of Sussex Local Unit License Agreement or any other person or persons who shall be authorized to

act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this County of Sussex Local Unit License Agreement (and any documents contemplated hereby, including without limitation the County of Sussex Draw Papers, the County of Sussex Acceptance Certificates, and any County of Sussex Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the County of Sussex Local Unit Facilities. Licensor holds good, record and marketable title to each of the County of Sussex Local Unit Facilities and the land underlying the County of Sussex Local Unit Facilities. There are no mortgages or other liens against the County of Sussex Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this County of Sussex Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this County of

Sussex Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

**Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the County of Sussex CIP Acceptance Certificate with respect to the County of Sussex Capital Improvement Projects, if any, the Licensor shall own such County of Sussex Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the County of Sussex Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the County of Sussex Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the County of Sussex Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **County of Sussex** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

**Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the County of Sussex Renewable Energy Projects on, or as applicable, in the County of Sussex Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the County of Sussex Capital Improvement Projects on or as applicable, in the County of Sussex Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the County of Sussex Renewable Energy Projects on or as applicable, in or about the County of Sussex Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such County of Sussex Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the County of Sussex Capital Improvement Projects on or as applicable, in or about the County of Sussex Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such County of Sussex Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any County of Sussex Capital Improvement Projects under the Program Documents and any references herein to County of Sussex Capital Improvement Projects, County of Sussex Capital Improvement Project Fund, County of Sussex CIP Acceptance Certificates or any other term defined by reference to County of Sussex Capital Improvement Projects (without limiting the application of any such term to the extent not related to County of Sussex Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this County of Sussex Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this County of Sussex Local Unit License Agreement (each, an **"County of Sussex Licensee"**, and collectively, the **"County of Sussex Licensees"**), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the **"County of Sussex Local Unit Facilities"**), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other County of Sussex Licensee access to the County of Sussex Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this County of Sussex Local Unit License Agreement, a license (the **"County of Sussex Local Unit License"**) allowing each County of Sussex Licensee to enter the County of Sussex Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the **"County of Sussex Renewable Energy Projects"**), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the **"County of Sussex Capital Improvement Projects"**, and together with the County of Sussex Renewable Energy Projects, the **"County of Sussex Projects"**) and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the **"County of Sussex Project Activities"**), all at the sole cost and expense of the Authority or any other County of Sussex Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no County of Sussex Capital Improvement Projects for the Licensor, this definition shall have no effect in this County of Sussex Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its County of Sussex Local Unit Facilities.

(b) For all purposes of this County of Sussex Local Unit License Agreement, the County of Sussex Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as County of Sussex Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to

constitute permissive County of Sussex Activities, which preliminary County of Sussex Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The County of Sussex Licensees shall have access to the County of Sussex Local Unit Facilities to conduct County of Sussex Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the County of Sussex Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the County of Sussex Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the County of Sussex Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the County of Sussex Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the County of Sussex Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the County of Sussex Local Unit Facilities.

(d) No other activities beyond the scope of the County of Sussex Project Activities shall be undertaken on the County of Sussex Local Unit Facilities by the Authority or any other County of Sussex Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensor shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensor is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensor shall use commercially reasonable efforts to avoid interfering

with the Company's performance of its obligations under this County of Sussex Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. County of Sussex Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this County of Sussex Local Unit License Agreement, the County of Sussex License shall permit the County of Sussex Licensees to enter upon the County of Sussex Local Unit Facilities to conduct the County of Sussex Project Activities, at which time any such County of Sussex Licensees shall automatically, without any further action, be bound by the provisions of this County of Sussex Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all County of Sussex Project Activities, the Authority and/or any other County of Sussex Licensee shall afford the Licensor and/or its representatives, the opportunity to observe all County of Sussex Project Activities; provided, however, that such observation activities shall not interfere with any County of Sussex Project Activities or delay construction of the Projects; and provided, further, that the Licensor hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other County of Sussex Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensor's, or its representatives' or consultant's entry or activities on the County of Sussex Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all County of Sussex Licensees, to promptly provide the Licensor with copies of any final written reports prepared, compiled or generated as part of the County of Sussex Project Activities, if any [list of reports can be added here]. Further, the Licensor shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the County of Sussex Local Unit License, to inspect the County of Sussex Local Unit Facilities and/or the County of Sussex Renewable Energy Projects during the Term of this County of Sussex Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the County of Sussex Local Unit License under this County of Sussex Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other County of Sussex Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the County of Sussex Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing County of Sussex Project Activities on the

County of Sussex Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

### **Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the County of Sussex Local Unit License cannot be revoked (including deemed revocation situations where the County of Sussex Local Unit Facilities are unavailable to allow the Company to perform County of Sussex Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the County of Sussex Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its County of Sussex Local Unit License for the County of Sussex Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the County of Sussex Renewable Energy Projects, with as similar physical conditions to the existing County of Sussex Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute County of Sussex Renewable Energy Project on the County of Sussex Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this County of Sussex Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the County of Sussex Renewable Energy Projects located on, or as applicable in, the County of Sussex Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the County of Sussex Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new County of Sussex Local Unit Facilities for all purposes of this County of Sussex Local Unit License Agreement and the other Program Documents, and similarly, the new County of Sussex Renewable Energy Projects on, or as applicable in, such new County of Sussex Local Unit Facilities shall be deemed the new County of Sussex Renewable Energy Projects for all purposes of this County of Sussex Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the County of Sussex Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this County of Sussex Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the County of Sussex Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the County of Sussex Renewable Energy Projects been operating at the County of Sussex Local Unit Facilities for the remainder of such

then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the County of Sussex Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the County of Sussex Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the County of Sussex Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any County of Sussex Local Unit Facility as a result of which such County of Sussex Local Unit Facility is unavailable to allow the Company to perform its County of Sussex Project Activities shall be deemed to be a revocation of the County of Sussex Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

### **Section 3.8. Material Change to County of Sussex Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the County of Sussex Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the County of Sussex Renewable Energy Projects (the "**Revised County of Sussex Renewable Energy Projects**"), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised County of Sussex Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the County of Sussex Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any County of Sussex Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this County of Sussex Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such County of Sussex Renewable Energy Project, be deemed terminated and discharged.

## ARTICLE IV

### County of Sussex DRAW PAPERS; County of Sussex ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE

#### Section 4.1. County of Sussex Draw Papers.

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the County of Sussex Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the County of Sussex Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the County of Sussex Renewable Energy Projects and the County of Sussex Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the County of Sussex Renewable Energy Projects or the County of Sussex Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the County of Sussex Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the County of Sussex Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the County of Sussex Capital Improvement Projects. The Licensor shall promptly review the County of Sussex Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the County of Sussex Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such County of Sussex Draw Papers where indicated, and promptly forward the original of such County of Sussex Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the County of Sussex Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any County of Sussex Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the County of Sussex Construction Manager; provided, however, that any

such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this County of Sussex Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any County of Sussex Draw Papers or (ii) delegate any such action to the County of Sussex Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the County of Sussex Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any County of Sussex Draw Papers to the County of Sussex Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the County of Sussex Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this County of Sussex Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any County of Sussex Draw Papers or (ii) delegate any such action to the County of Sussex Construction Manager.

**Section 4.2. County of Sussex REP Acceptance Certificate Relating to the County of Sussex Renewable Energy Projects.**

(a) When the Company has determined that all of the County of Sussex Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the County of Sussex Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the County of Sussex REP Acceptance Certificate applicable to such County of Sussex Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form County of Sussex REP Acceptance Certificate applicable to the County of Sussex Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the County of Sussex REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the County of Sussex REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such County of Sussex REP Acceptance Certificate where indicated,

and promptly forward the original of such County of Sussex REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the County of Sussex Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the County of Sussex REP Acceptance Certificate to the County of Sussex Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the County of Sussex Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The County of Sussex Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this County of Sussex Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the County of Sussex REP Acceptance Certificate or (ii) delegate any such action to the County of Sussex Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the County of Sussex Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the County of Sussex REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the County of Sussex Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this County of Sussex Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the County of Sussex REP Acceptance Certificate or (ii) delegate any such action to the County of Sussex Construction Manager.

#### **Section 4.3. County of Sussex CIP Acceptance Certificate Relating to the County of Sussex Capital Improvement Projects.**

(a) When the Company has determined that all of the County of Sussex Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the County of Sussex CIP Acceptance Certificate applicable to such County of Sussex Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form County of Sussex CIP Acceptance Certificate applicable to the County of Sussex Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the County of Sussex CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the County of Sussex CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such County of Sussex CIP Acceptance Certificate where indicated, and promptly forward the original of such County of Sussex CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the County of Sussex Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the County of Sussex CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the County of Sussex Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this County of Sussex Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the County of Sussex CIP Acceptance Certificate or (ii) delegate any such action to the County of Sussex Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the County of Sussex Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the County of Sussex CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the County of Sussex Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this County of Sussex Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the County of Sussex CIP Acceptance Certificate or (ii) delegate any such action to the County of Sussex Construction Manager.

#### **Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the

Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the County of Sussex Renewable Energy Projects and restoration of the County of Sussex Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this County of Sussex Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights, duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the applicable Series 2011

Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the County of Sussex Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the County of Sussex Renewable Energy Projects located on, or as applicable, in the County of Sussex Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the County of Sussex Renewable Energy Projects installed on or, as applicable, in the County of Sussex Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the County of Sussex Renewable Energy Projects, such Fair Market Value to be determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all the facts and circumstances of the marketplace for such County of Sussex Renewable Energy Projects at such time, including without limitation, its

continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other County of Sussex Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the County of Sussex Renewable Energy Projects from the County of Sussex Local Unit Facilities at the sole cost and expense and effort of the Company or any such other County of Sussex Licensees, and (ii) restore, within a reasonable period of time, the County of Sussex Local Unit Facilities, as improved by the County of Sussex Capital Improvement Projects, to the condition prior to the installation of the County of Sussex Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the County of Sussex Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term, or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this County of Sussex Local Unit License Agreement shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its County of Sussex Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the County of Sussex Renewable Energy Projects located on, or as applicable, in the County of Sussex Local Unit Facilities from the Authority, as owner of the County of Sussex Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity, or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the County of Sussex Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the

Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the County of Sussex Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the County of Sussex Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this County of Sussex Local Unit License Agreement:

(i) the Authority or any other County of Sussex Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other County of Sussex Licensee to be performed or observed under this County of Sussex Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other County of Sussex Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this County of Sussex Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the County of Sussex Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Licensor to be performed or observed under this County of Sussex Local

Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

## **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this County of Sussex Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the County of Sussex Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by

statute to enforce the specific performance rights of the Authority under this County of Sussex Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this County of Sussex Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this County of Sussex Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the County of Sussex Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such County of Sussex Projects until cured, including without limitation the requirement that the Company complete all Projects, including the County of Sussex Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This County of Sussex Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This County of Sussex Local Unit License Agreement and the County of Sussex Local Unit License granted herein shall terminate against the Authority, after which date all County of Sussex Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the County of Sussex Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the County of Sussex Renewable Energy Projects shall have been removed from the County of Sussex Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the County of Sussex Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the County of Sussex Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate this County of Sussex Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the

Licensee agree in writing to terminate this County of Sussex Local Unit License Agreement].

(c) The "Term" of this County of Sussex Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this County of Sussex Local Unit License Agreement, none of the Licensor, the Authority, nor any other County of Sussex Licensees shall have any further rights, duties or obligations with respect to the County of Sussex Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this County of Sussex Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the County of Sussex Licensees to gain access under the County of Sussex Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority's rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this County of Sussex Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**Section 7.7. Severability.** If any provision of this County of Sussex Local Unit License Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever. To the extent any provision of this County of Sussex Local Unit License Agreement conflicts with the provisions of any other Program Document, the parties and acknowledgment parties hereto expressly acknowledge that the provisions of this County of Sussex Local Unit License Agreement shall control.

**Section 7.8. Counterparts.** This County of Sussex Local Unit License Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

**Section 7.9. Effective Date.** This County of Sussex Local Unit License Agreement shall be effective as of the date hereof and shall terminate in accordance with the provisions hereof, including Section 7.1 hereof.

**Section 7.10. Waiver of Sovereign Immunity.** For the purposes of this County of Sussex Local Unit License Agreement, each of the Authority and the Licensor acknowledge and agree that (a) its execution and delivery of this County of Sussex Local Unit License Agreement and (b) its performance of the actions contemplated by this County of Sussex Local Unit License Agreement, constitute private and commercial acts rather than public or governmental acts. To the extent that, in any jurisdiction, the Authority or the Licensor in respect of itself or its assets, properties or revenues, shall be entitled to any contract immunity from suit, from the jurisdiction of any court, from attachment prior to judgment, from attachment in aid of execution of judgment, from execution, or enforcement of a judgment, or from any other legal or judicial process or remedy, such party hereby, except with respect to tort claims related to this License Agreement, (i) expressly and irrevocably agrees not to claim or assert, and expressly and

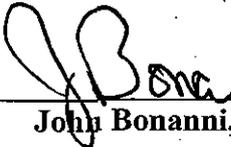

irrevocably waives, any such immunity to the fullest extent permitted by the laws of such jurisdiction solely as to the Company and (ii) consents generally to the giving of any relief or the issue of any process in connection with any proceeding. This waiver does not apply to any Series 2011 Local Units tort immunity as established by law.

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Sussex County Vocational School Board of Education Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among Sussex County Vocational School Board of Education (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and biomass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the “*Capital Improvement Projects*” and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the “*Projects*”), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the “*Municipal Series 2011 Local Units*”); and
- (ii) Byram Township School District, Frankford Township’s Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the “*Board of Education Series 2011 Local Units*”); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the “*County Series 2011 Local Units*”);

(each a “*Series 2011 Local Unit*”, and, collectively, the “*Series 2011 Local Units*”), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, “County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)” dated their date of delivery (the “*Series 2011A Bonds*”) the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the “*Series 2011A Bonds*”), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, “County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)” (the “*Series 2011B Note*”, and together with the Series 2011A Bonds, “*Series 2011 Bonds*”), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*");

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("*SRECs*") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

(c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty;

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “County Documents”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**NOW, THEREFORE,** for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agrees as follows:

(c) The following defined terms shall, for all purposes of this Sussex County Vocational School Board of Education Local Unit License Agreement, have the meanings ascribed to such terms in the following Sections hereof.

(i) Section 3.1(a):

<b>Improvement Projects</b>	<b>Sussex County Vocational School Board of Education Capital</b>
<b>Licensees</b>	<b>Sussex County Vocational School Board of Education Licensee Sussex County Vocational School Board of Education</b>
<b>Unit Facilities</b>	<b>Sussex County Vocational School Board of Education Local</b>

acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, Licensor's acceptance of all of the Sussex County Vocational School Board of Education Capital Improvement Projects, all as set forth in Section 4.3 of the Sussex County Vocational School Board of Education Local Unit License Agreement and Section 510(d)(ii) of the Company Lease Agreement. As there are no Sussex County Vocational School Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Sussex County Vocational School Board of Education Local Unit License Agreement. The Parties acknowledge and agree that no Sussex County Vocational School Board of Education Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

**"Sussex County Vocational School Board of Education Construction Manager"** shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

**"Sussex County Vocational School Board of Education Draw Papers"** shall mean the requisitions, and attachments thereto, applicable to either the (i) Sussex County Vocational School Board of Education Renewable Energy Projects or (ii) Sussex County Vocational School Board of Education Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Sussex County Vocational School Board of Education Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Sussex County Vocational School Board of Education Renewable Energy Projects or the Sussex County Vocational School Board of Education Capital Improvement Projects, all as set forth in Section 4.1 of the Sussex County Vocational School Board of Education Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

**"Sussex County Vocational School Board of Education Interconnection Agreement"** shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Sussex County Vocational School Board of Education Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

**"Sussex County Vocational School Board of Education REP Acceptance Certificate"** shall mean the certificate applicable to the Sussex County Vocational School Board

of Education Renewable Energy Projects in the form attached as **Exhibit E-1** to the Sussex County Vocational School Board of Education Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company's acceptance of all of the Sussex County Vocational School Board of Education Renewable Energy Projects, all as set forth in Section 4.2 of the Sussex County Vocational School Board of Education Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the [E] or such other person designated as an Authorized Officer in the Sussex County Vocational School Board of Education Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### Section 2.1. Representations and Warranties of the Licensor.

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Sussex County Vocational School Board of Education Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Sussex County Vocational School Board of Education Draw Papers, the Sussex County Vocational School Board of Education Acceptance Certificates, and any Sussex County Vocational School Board of Education Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Sussex County Vocational School Board of Education Local Unit Facilities. Licensor holds good, record and marketable title to each of the Sussex County Vocational School Board of Education Local Unit Facilities and the land underlying the Sussex County Vocational School Board of Education Local Unit Facilities. There are no mortgages or other liens against the Sussex County Vocational School Board of Education Local Unit Facilities or the land except as set forth on Exhibit G.

#### Section 2.2. Representations and Warranties of the Licensee.

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Sussex County Vocational School Board of Education Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Sussex County Vocational School Board of Education Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Sussex County Vocational School Board of Education CIP Acceptance Certificate with respect to the Sussex County Vocational School Board of Education Capital Improvement Projects, if any, the Licensor shall own such Sussex County Vocational School Board of Education Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Sussex County Vocational School Board of Education Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Sussex County Vocational School Board of Education Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Sussex County Vocational School Board of Education Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Sussex County Vocational School Board of Education** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Sussex County Vocational School Board of Education Renewable Energy Projects on, or as applicable, in the Sussex County Vocational School Board of Education Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Sussex County Vocational School Board of Education Capital Improvement Projects on or as applicable, in the Sussex County Vocational School Board of Education Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Sussex County Vocational School Board of Education Renewable Energy Projects on or as applicable, in or about the Sussex County Vocational School Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Sussex County Vocational School Board of Education Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Sussex County Vocational School Board of Education Capital Improvement Projects on or as applicable, in or about the Sussex County Vocational School Board of Education Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Sussex County Vocational School Board of Education Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Sussex County Vocational School Board of Education Capital Improvement Projects under the Program Documents and any references herein to Sussex County Vocational School Board of Education Capital Improvement Projects, Sussex County Vocational School Board of Education Capital Improvement Project Fund, Sussex County Vocational School Board of Education CIP Acceptance Certificates or any other term defined by reference to Sussex County Vocational School Board of Education Capital Improvement Projects

(without limiting the application of any such term to the extent not related to Sussex County Vocational School Board of Education Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Sussex County Vocational School Board of Education Local Unit License Agreement (each, an "**Sussex County Vocational School Board of Education Licensee**", and collectively, the "**Sussex County Vocational School Board of Education Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Sussex County Vocational School Board of Education Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Sussex County Vocational School Board of Education Licensee access to the Sussex County Vocational School Board of Education Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Sussex County Vocational School Board of Education Local Unit License Agreement, a license (the "**Sussex County Vocational School Board of Education Local Unit License**") allowing each Sussex County Vocational School Board of Education Licensee to enter the Sussex County Vocational School Board of Education Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Sussex County Vocational School Board of Education Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Sussex County Vocational School Board of Education Capital Improvement Projects**"), and together with the Sussex County Vocational School Board of Education Renewable Energy Projects, the "**Sussex County Vocational School Board of Education Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Sussex County Vocational School Board of Education Project Activities**"), all at the sole cost and expense of the Authority or any other Sussex County Vocational School Board of Education Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Sussex County Vocational School Board of Education Capital Improvement Projects for the Licensor, this definition shall have no effect in this Sussex County Vocational School Board of Education Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Sussex County Vocational School Board of Education Local Unit Facilities.

(b) For all purposes of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Sussex County Vocational School Board of Education Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as Sussex County Vocational School Board of Education Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Sussex County Vocational School Board of Education Activities, which preliminary Sussex County Vocational School Board of Education Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Sussex County Vocational School Board of Education Licensees shall have access to the Sussex County Vocational School Board of Education Local Unit Facilities to conduct Sussex County Vocational School Board of Education Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Sussex County Vocational School Board of Education Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Sussex County Vocational School Board of Education Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Sussex County Vocational School Board of Education Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Sussex County Vocational School Board of Education Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Sussex County Vocational School Board of Education Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Sussex County Vocational School Board of Education Local Unit Facilities.

(d) No other activities beyond the scope of the Sussex County Vocational School Board of Education Project Activities shall be undertaken on the Sussex County Vocational School Board of Education Local Unit Facilities by the Authority or any other Sussex County Vocational School Board of Education Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensor shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensor is obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensor shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Sussex County Vocational School Board of Education Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Sussex County Vocational School Board of Education Licensees.**

The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Sussex County Vocational School Board of Education Licensee shall permit the Sussex County Vocational School Board of Education Licensees to enter upon the Sussex County Vocational School Board of Education Local Unit Facilities to conduct the Sussex County Vocational School Board of Education Project Activities, at which time any such Sussex County Vocational School Board of Education Licensees shall automatically, without any further action, be bound by the provisions of this Sussex County Vocational School Board of Education Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Sussex County Vocational School Board of Education Project Activities, the Authority and/or any other Sussex County Vocational School Board of Education Licensee shall afford the Licensor and/or its representatives, the opportunity to observe all Sussex County Vocational School Board of Education Project Activities; provided, however, that such observation activities shall not interfere with any Sussex County Vocational School Board of Education Project Activities or delay construction of the Projects; and provided, further, that the Licensor hereby releases and agrees to indemnify, defend and hold harmless the Authority and each other Sussex County Vocational School Board of Education Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensor's, or its representatives' or consultant's entry or activities on the Sussex County Vocational School Board of Education Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Sussex County Vocational School Board of Education Licensees, to promptly provide the Licensor with

copies of any final written reports prepared, compiled or generated as part of the Sussex County Vocational School Board of Education Project Activities, if any [list of reports can be added here]. Further, the Licensor shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Sussex County Vocational School Board of Education Local Unit License, to inspect the Sussex County Vocational School Board of Education Local Unit Facilities and/or the Sussex County Vocational School Board of Education Renewable Energy Projects during the Term of this Sussex County Vocational School Board of Education Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Sussex County Vocational School Board of Education Local Unit License under this Sussex County Vocational School Board of Education Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Sussex County Vocational School Board of Education Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Sussex County Vocational School Board of Education Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Sussex County Vocational School Board of Education Project Activities on the Sussex County Vocational School Board of Education Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

### **Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Sussex County Vocational School Board of Education Local Unit License cannot be revoked (including deemed revocation situations where the Sussex County Vocational School Board of Education Local Unit Facilities are unavailable to allow the Company to perform Sussex County Vocational School Board of Education Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Sussex County Vocational School Board of Education Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Sussex County Vocational School Board of Education Local Unit License for the Sussex County Vocational School Board of Education Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Sussex County Vocational School Board of Education Renewable Energy Projects, with as similar physical conditions to the existing Sussex County Vocational School Board of Education Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Sussex County Vocational School Board of Education Renewable Energy Project on the Sussex County Vocational School Board of Education Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Sussex County Vocational School Board of Education Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Sussex County Vocational School Board of Education Renewable Energy Projects located on, or as applicable in, the Sussex County Vocational School Board of Education Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Sussex County Vocational School Board of Education Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed

upon location shall be deemed the new Sussex County Vocational School Board of Education Local Unit Facilities for all purposes of this Sussex County Vocational School Board of Education Local Unit License Agreement and the other Program Documents, and similarly, the new Sussex County Vocational School Board of Education Renewable Energy Projects on, or as applicable in, such new Sussex County Vocational School Board of Education Local Unit Facilities shall be deemed the new Sussex County Vocational School Board of Education Renewable Energy Projects for all purposes of this Sussex County Vocational School Board of Education Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Sussex County Vocational School Board of Education Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Sussex County Vocational School Board of Education Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Sussex County Vocational School Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Sussex County Vocational School Board of Education Renewable Energy Projects been operating at the Sussex County Vocational School Board of Education Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against

its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Sussex County Vocational School Board of Education Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Sussex County Vocational School Board of Education Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Sussex County Vocational School Board of Education Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Sussex County Vocational School Board of Education Local Unit Facility as a result of which such Sussex County Vocational School Board of Education Local Unit Facility is unavailable to allow the Company to perform its Sussex County Vocational School Board of Education Project Activities shall be deemed to be a revocation of the Sussex County Vocational School Board of Education Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

### **Section 3.8. Material Change to Sussex County Vocational School Board of Education Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Sussex County Vocational School Board of Education Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Sussex County Vocational School Board of Education Renewable Energy Projects (the "**Revised Sussex County Vocational School Board of Education Renewable Energy Projects**"), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Sussex County Vocational School Board of Education Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Sussex County Vocational School Board of Education Renewable Energy Projects set forth

on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Sussex County Vocational School Board of Education Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Sussex County Vocational School Board of Education Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Sussex County Vocational School Board of Education Renewable Energy Project, be deemed terminated and discharged.

### **Sussex County Vocational School Board of Education DRAW PAPERS; Sussex County Vocational School Board of Education ACCEPTANCE CERTIFICATES; COSTS OF ISSUANCE**

#### **Section 4.1. Sussex County Vocational School Board of Education Draw Papers.**

(a) The Authority shall cause the Company to (i) design, permit, acquire, construct, install, operate and maintain the Sussex County Vocational School Board of Education Renewable Energy Projects and (ii) design, permit, acquire, construct, renovate, and install the Sussex County Vocational School Board of Education Capital Improvement Projects, all (x) in accordance with the Plans and Specifications therefor that shall be approved by the Licensor in accordance with Section 501 of the Company Lease Agreement, (y) pursuant to Development Contracts entered into by the Company after review by the Licensor in accordance with Section 502 of the Company Lease Agreement, and (z) otherwise as set forth in the Company Documents.

(b) The Authority shall issue the Series 2011 Bonds to finance, among other things, a portion of the Sussex County Vocational School Board of Education Renewable Energy Projects and the Sussex County Vocational School Board of Education Capital Improvement Projects. The Authority may, in its sole discretion, but only upon the prior written consent of the Company provided in its sole discretion, issue any other Series of Bonds to finance any Completion Project relating to the Sussex County Vocational School Board of Education Renewable Energy Projects or the Sussex County Vocational School Board of Education Capital Improvement Projects, if necessary, desirable or convenient, as determined by the Authority in its sole discretion.

(c) The Authority shall cause the Company to submit, from time to time, to the Licensor, with a copy to the Authority, the Sussex County Vocational School Board of Education Draw Papers, in substantially the form attached as Exhibit C to the Company Lease Agreement and **Exhibit D** hereto, executed by the Company, for a portion of the Cost of (i) the design, permitting, acquisition, construction, installation, operation, and maintenance of the Sussex County Vocational School Board of Education Renewable Energy Projects and (ii) the design, permitting, acquisition, construction, renovation, and, installation of the Sussex County Vocational School Board of Education Capital Improvement Projects. The Licensor shall promptly review the Sussex County Vocational School Board of Education Draw Papers to determine that the statements set forth therein are true, accurate and complete. Upon completion of such review, and no later than three (3) Business Days after receipt of the Sussex County Vocational School Board of Education Draw Papers from the Company, the Licensor shall execute the acknowledgment form to such Sussex County Vocational School Board of Education Draw Papers where indicated, and promptly forward the original of such Sussex County Vocational School Board of Education Draw Papers to the Trustee, with copies sent to the Company and the Authority.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Sussex County Vocational School Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver any Sussex County Vocational School Board of Education Draw Papers, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Sussex County Vocational School Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's authorization, execution and delivery of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body (so long as same does not violate state statutes and regulations), in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver any Sussex County Vocational School Board of Education Draw Papers or (ii) delegate any such action to the Sussex County Vocational School Board of Education Construction Manager.

(e) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Sussex County Vocational School Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver any Sussex County Vocational School Board of Education Draw Papers to the Sussex County Vocational School Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Sussex County Vocational School Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver any Sussex County Vocational School Board of Education Draw Papers or (ii) delegate any such action to the Sussex County Vocational School Board of Education Construction Manager.

**Section 4.2. Sussex County Vocational School Board of Education REP Acceptance Certificate Relating to the Sussex County Vocational School Board of Education Renewable Energy Projects.**

(a) When the Company has determined that all of the Sussex County Vocational School Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed in accordance with the Plans and Specification and the Sussex County Vocational School Board of Education Interconnection Agreement has been duly authorized, executed and delivered (by or among such parties that may include the Licensor), the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Sussex

County Vocational School Board of Education REP Acceptance Certificate applicable to such Sussex County Vocational School Board of Education Renewable Energy Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-1 to the Company Lease Agreement and **Exhibit E-1** hereto.

(b) The Licensor shall promptly review the form Sussex County Vocational School Board of Education REP Acceptance Certificate applicable to the Sussex County Vocational School Board of Education Renewable Energy Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Sussex County Vocational School Board of Education REP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Sussex County Vocational School Board of Education REP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Sussex County Vocational School Board of Education REP Acceptance Certificate where indicated, and promptly forward the original of such Sussex County Vocational School Board of Education REP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Sussex County Vocational School Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Sussex County Vocational School Board of Education REP Acceptance Certificate to the Sussex County Vocational School Board of Education Construction Manager, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Sussex County Vocational School Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. The Sussex County Vocational School Board of Education Construction Manager shall use all reasonable efforts to ensure that copies of all Draw Papers and the REP Acceptance Certificate are forwarded to the Licensor in a reasonably timely manner. By the Licensor's authorization, execution and delivery of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Sussex County Vocational School Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Sussex County Vocational School Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Sussex County Vocational School Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Sussex County Vocational School Board of Education REP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Sussex County Vocational School Board of Education

Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Sussex County Vocational School Board of Education REP Acceptance Certificate or (ii) delegate any such action to the Sussex County Vocational School Board of Education Construction Manager.

**Section 4.3. Sussex County Vocational School Board of Education CIP Acceptance Certificate Relating to the Sussex County Vocational School Board of Education Capital Improvement Projects.**

(a) When the Company has determined that all of the Sussex County Vocational School Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed in accordance with the Plans and Specification, the Authority shall cause the Company to submit to the Licensor, with a copy to the Authority, the Sussex County Vocational School Board of Education CIP Acceptance Certificate applicable to such Sussex County Vocational School Board of Education Capital Improvement Projects duly executed by an Authorized Officer of the Company, in substantially the form of Exhibit B-2 to the Company Lease Agreement and **Exhibit E-2** hereto.

(b) The Licensor shall promptly review the form Sussex County Vocational School Board of Education CIP Acceptance Certificate applicable to the Sussex County Vocational School Board of Education Capital Improvement Projects received from the Company to determine that the statements set forth therein are true, accurate and complete. The Licensor shall promptly contact the Company to clarify or otherwise change the Sussex County Vocational School Board of Education CIP Acceptance Certificate to a form acceptable to Licensor. Upon completion of such review and if applicable, clarification process or discussion with the Company, and no later than five (5) Business Days after receipt of the Sussex County Vocational School Board of Education CIP Acceptance Certificate from the Company in a form acceptable to the Licensor, the Licensor shall execute the acknowledgment form to such Sussex County Vocational School Board of Education CIP Acceptance Certificate where indicated, and promptly forward the original of such Sussex County Vocational School Board of Education CIP Acceptance Certificate to the Trustee, with copies sent to the Company and the Authority.

(c) Notwithstanding anything to the contrary herein or in any Program Document, the Licensor may delegate to the Sussex County Vocational School Board of Education Construction Manager the Licensor's rights to review, acknowledge, accept, execute and deliver the Sussex County Vocational School Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Licensor's filing of a Certificate of an Authorized Officer of the Licensor to such effect with the Trustee, with copies to the Authority, the Company, and the Sussex County Vocational School Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Licensor from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Licensor's

authorization, execution and delivery of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Licensor shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Licensor either to (i) review, acknowledge, accept, execute and deliver the Sussex County Vocational School Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Sussex County Vocational School Board of Education Construction Manager.

(d) Notwithstanding anything to the contrary herein or in any Program Document, the Authority may delegate to the Sussex County Vocational School Board of Education Construction Manager the Authority's rights to acknowledge, as to form only, and on such basis, execute and deliver the Sussex County Vocational School Board of Education CIP Acceptance Certificate, which delegation shall be conclusively evidenced by the Authority's filing of a Certificate of an Authorized Officer of the Authority to such effect with the Trustee, with copies to the Company, the Licensor, and the Sussex County Vocational School Board of Education Construction Manager; provided, however, that any such delegation shall not absolve the Authority from any obligations with respect thereto, including the timeliness requirements set forth herein. By the Authority's authorization, execution and delivery of this Sussex County Vocational School Board of Education Local Unit License Agreement, the Authority shall not require any further government approvals, including that of its governing body, in order to cause an Authorized Officer of the Authority either to (i) acknowledge, as to form only, and on such basis, execute and deliver the Sussex County Vocational School Board of Education CIP Acceptance Certificate or (ii) delegate any such action to the Sussex County Vocational School Board of Education Construction Manager.

#### **Section 4.4. Costs of Issuance.**

The Authority shall make available to the Licensor the moneys on deposit in the Costs of Issuance Account of the Administrative Fund held by the Trustee for payment of all Costs of Issuance incurred on behalf of the Licensor, as relayed by the Licensor to the Authority in writing prior to the issuance of the Series 2011 Bonds, in the manner provided herein and in the Bond Resolution. In order to requisition funds for payment or reimbursement of such Costs of Issuance, the Licensor shall submit to the Authority and the Trustee a duly authorized, executed and delivered Certificate of an Authorized Officer of the Licensor, acknowledged as to form only by the Authority, substantially in the form of **Exhibit F** hereto.

## ARTICLE V

### POWER PURCHASE AGREEMENT

#### Section 5.1. Power Purchase Agreement.

(a) The Authority shall enter into the Power Purchase Agreement, if not contemporaneously herewith, on such terms and conditions as shall be approved by the Licensor, which approval shall not be unreasonably withheld or delayed, and which approval shall be dispositively evidenced by the Licensor's acknowledgement of the terms thereof as part of the Power Purchase Agreement, including all amendments or supplements thereto that would have a material affect on the Licensor, it being expressly understood that any such amendment having no material affect other than (x) on the Authority, (y) one or more of the other Series 2011 Local Units, or (z) some other third party shall not require the acknowledgment of the Licensor.

(i) Unless the Licensor specifically acknowledges terms and conditions other than the following, the Power Purchase Agreement shall provide, at a minimum, (A) for the sale of electricity conforming to the parameters set forth in subsection (c)(i) below, and (B) for a minimum fifteen (15) year term, unless extended in accordance with subsection (b) below; and

(ii) Although the following related matters need not be set forth in the Power Purchase Agreement, the Authority shall cause such terms to be provided for in the Company Lease Agreement or other Company Documents, which may, to the extent desirable, include the Power Purchase Agreement: (A) the Licensor's Fair Market Value purchase option set forth in subsection (d) below, and (B) the removal of the Sussex County Vocational School Board of Education Renewable Energy Projects and restoration of the Sussex County Vocational School Board of Education Local Unit Facilities matters set forth in subsection (e) below.

(b) The Power Purchase Agreement shall not be extended beyond its original fifteen (15) year term, regardless of whether permitted by the original terms of the Power Purchase Agreement, or by an amendment thereof or supplement thereto, without the express written consent of the Licensor, which consent shall not be unreasonably withheld, but which consent shall not be forthcoming unless any such extension is allowable under applicable law. To the extent an amendment or supplement of the Power Purchase Agreement is required to effect such an extension, such Licensor consent shall be dispositively evidenced if set forth in the Licensor's acknowledgement of the terms of any such amendment thereto or supplement thereof as part of the Power Purchase Agreement.

(c) The Authority hereby assigns to the Licensor and the Licensor hereby assumes (and to the extent any such Power Purchase Agreement shall be entered into subsequent to the date of authorization, execution and delivery of this Sussex County Vocational School Board of Education Local Unit License Agreement, such assignment shall take effect immediately upon the authorization, execution and delivery of the Power Purchase Agreement) all of its rights,

duties and obligations under the Power Purchase Agreement, insofar as it relates to the Licensor or the applicable Series 2011 Local Unit, subject to the proviso below, including without limitation the rights and obligations to purchase power from the Company thereunder from the Sussex County Vocational School Board of Education Local Unit Facilities, all in accordance with the terms and conditions set forth in the Power Purchase Agreement; provided however that such assignment shall and hereby does specifically exclude (I) any rights specifically reserved under the Power Purchase Agreement to the Authority, if any, and (II) the Local Unit License and the other rights being assigned by the Authority to the other Series 2011 Local Units with respect to their Local Unit Facilities under their respective Local Unit License Agreements.

(i) Specifically, without limitation, upon the Licensor's acknowledgment of the Power Purchase Agreement, as assignee of such Authority interests contemplated by this subsection (c), the Licensor shall and hereby does agree, during the Term for so long as the Power Purchase Agreement shall be in effect, to purchase the electricity generated by the Sussex County Vocational School Board of Education Renewable Energy Projects located on, or as applicable, in the Sussex County Vocational School Board of Education Local Unit Facilities from the Company for the price established under the Power Purchase Agreement (including any escalators set forth therein), and the Licensor shall pay the Trustee directly, on behalf of the Company (unless the Licensor receives a written notice from the Authority to the effect that the Company has prepaid all of the Series 2011 Bonds and that the Lessee has delivered the required Certificate of an Authorized Officer of the Lessee pursuant to Sections 402(a)(iii) and 703(b)(iii) of the Company Lease Agreement, in which case the Licensor shall pay either (i) the Company, or (ii) a third-party at the direction of the Company), for any such electricity, upon the terms set forth in the Power Purchase Agreement. Such terms include, without limitation, the payment by the Licensor of the PPA Price on or before the Commencement Date, (as such terms are defined in the Power Purchase Agreement), all as set forth in Section 3.5 (including any adjustments referenced therein) and Exhibit B of the Power Purchase Agreement. Subject to Force Majeure (as defined in the Power Purchase Agreement), the Licensor shall make such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the Company or the Trustee for any reason, which rights against the Authority, the Company and the Trustee are hereby waived by the Licensor.

(d) Subject to Section 5.2 hereof, the Authority shall cause the Company Documents to include provisions providing for the following, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law): (i) providing the Licensor or the Authority, at the direction of the Licensor, as applicable, an option to purchase the Sussex County Vocational School Board of Education Renewable Energy Projects installed on or, as applicable, in the Sussex County Vocational School Board of Education Local Unit Facilities, which option shall remain outstanding for a period of no fewer than thirty (30) days, (ii) providing for a purchase price equal to the then existing Fair Market Value (as defined in the Power Purchase Agreement) of the Sussex County Vocational School Board of Education Renewable Energy Projects, such Fair Market Value to be

determined in accordance with Section 3.7(b) of the Power Purchase Agreement which determination of Fair Market Value shall take into account all the facts and circumstances of the marketplace for such Sussex County Vocational School Board of Education Renewable Energy Projects at such time, including without limitation, its continued operation and maintenance costs, its technological feasibility, as compared to then existing alternatives, and its continued utility to the Licensor, and (iii) to the effect that upon the exercise of any such Fair Market Value option by the Licensor, the removal and restoration obligations set forth in subsection (e) below shall be of no further effect, unless the Company or their agents have damaged the Licensor's Local Unit Facility from the Company's operation and maintenance of such Renewable Energy Projects, in which case the restoration obligations shall remain in effect. The purchase price for any such Fair Market Value purchase is not contemplated in the sizing of the Bonds, and the Licensor shall be solely obligated to finance and pay (or pay out of available funds) such purchase price to or on behalf of the Company; *provided, however*, that to the extent practicable, the Authority shall determine whether it can assist the Licensor with the funding of any such Fair Market Value purchase through the issuance of bonds, notes or other obligations of the Authority, if so requested by the Licensor at such time, and if practicable, the Authority shall provide such Fair Market Value purchase funds to the Licensor at terms that are consistent with then existing current market conditions.

(e) The Authority shall cause the Power Purchase Agreement to include Force Majeure provisions, and shall further cause the Company Documents to include provisions to the effect that, upon the expiration of the Power Purchase Agreement (without or after one or more extensions to the extent permissible under applicable law), and to the extent the Licensor foregoes its right to exercise its Fair Market Value option set forth in subsection (d) above or, as applicable, its purchase option set forth in Section 5.2 below, the Company, or any other Sussex County Vocational School Board of Education Licensees, as applicable, shall be obligated to (i) remove, within a reasonable period of time (as reasonably determined by the Authority), the Sussex County Vocational School Board of Education Renewable Energy Projects from the Sussex County Vocational School Board of Education Local Unit Facilities at the sole cost and expense and effort of the Company or any such other Sussex County Vocational School Board of Education Licensees, and (ii) restore, within a reasonable period of time, the Sussex County Vocational School Board of Education Local Unit Facilities, as improved by the Sussex County Vocational School Board of Education Capital Improvement Projects, to the condition prior to the installation of the Sussex County Vocational School Board of Education Renewable Energy Projects, reasonable wear and tear excepted, it being expressly understood by the Parties that the Local Unit shall expend no cost in any such removal or restoration, but shall, to the extent practical, provide such assistance as shall be necessary, desirable or convenient to effect such removal and restoration, and the Sussex County Vocational School Board of Education Local Unit License shall not expire until such removal and restoration shall have been completed, and the Licensor issues a written certificate of an Authorized Officer of the Licensor to such effect to the Authority.

#### **Section 5.2. Substitute Power Purchase Price.**

(a) To the extent the Company causes an Event of Default to occur as defined under the Company Lease Agreement prior to the expiration of its original fifteen (15) year term,

or any subsequent period of extension, and the nature of such Event of Default (including, without limitation, the failure of the Company to make all Basic Lease Payments thereunder on time and in full) causes the termination of the Company Lease Agreement and the Power Purchase Agreement, this Sussex County Vocational School Board of Education Local Unit License Agreement shall continue in full force and effect, with the following changes, which shall not require amendment or supplement hereof or hereto, but which changes shall be in place automatically upon the termination of the Company Lease Agreement and the Power Purchase Agreement:

(i) As Section 5.1(c)(i) hereof controls the purchase and payment by the Licensor for electricity generated from its Sussex County Vocational School Board of Education Renewable Energy Projects so long as the Power Purchase Agreement is in effect, upon the early termination of the Power Purchase Agreement for the reasons set forth above in subsection (a), the Licensor shall and hereby does agree, during the remainder of the Term, to purchase the electricity generated by the Sussex County Vocational School Board of Education Renewable Energy Projects located on, or as applicable, in the Sussex County Vocational School Board of Education Local Unit Facilities from the Authority, as owner of the Sussex County Vocational School Board of Education Renewable Energy Projects, for the same price previously established under the prior Power Purchase Agreement (including any escalators set forth therein, the "**Gross Substitute Power Purchase Price**"), and the Licensor shall pay the Authority directly for any such electricity; or alternatively, the Authority may direct the Licensor to pay all or a portion of such Gross Substitute Power Purchase Price, less the amounts set forth in clauses (ii) and (iii) below (after taking into account such payments in clauses (ii) and (iii) below, the "**Net Substitute Power Purchase Price**") (A) to or on behalf of the County Security Provider, as part of the Reimbursement Collateral to the extent a County Security Agreement is then in place and the County Security has fully reimbursed the County for payments under its County Guaranty, or (B) if such conditions are not fulfilled, to the Trustee, on behalf of the County for deposit in the County Security Fund, as the case may be, or (C) as otherwise set forth in a Certificate of an Authorized Officer of the Authority. The Licensor shall make all such payments in full and on time, without regard to set-off or any other rights it might assert against the Authority, the County, the Trustee or any other person or entity for any reason, which rights against such persons or entities, if any, are hereby waived by the Licensor;

(ii) The Licensor acknowledges that a portion of the Gross Substitute Power Purchase Price may be retained by the Authority as payment of its annual Administrative Fee previously payable by the Company as an Additional Lease Payment under the Company Lease Agreement;

(iii) The Licensor acknowledges that upon the termination of the Company Lease Agreement, pursuant to this Section 5.2, the Authority may determine, under the Act, in accordance with all other applicable law, and in its sole discretion, to select an entity to operate and maintain the Sussex County

Vocational School Board of Education Renewable Energy Projects for the balance of the Term to the same extent as previously required in the Company Lease Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement, as the case may be, and the Licensor further acknowledges, that upon the written direction of the Authority and at the Authority's sole discretion, a portion of the Gross Substitute Power Purchase Price shall be paid over or directed to the payment of such firm(s) rendering such services, if so required by the terms of any agreement between the Authority and such entity so rendering such services, the terms of which such agreement shall be automatically acceptable to the Licensor, without any further act, if the terms of any such agreement are in fact so within the parameters of the applicable Company Lease Agreement, the Company Service Agreement, or any performance bond required under the Company RFP and/or the Power Purchase Agreement; and

(iv) Notwithstanding Section 5.1(d) hereof, due to the termination of the Company Lease Agreement, pursuant to this Section 5.2, and the Company's extinguishment of any interest in and to the Sussex County Vocational School Board of Education Renewable Energy Projects, unless a replacement person or entity and agreements are in place immediately prior to the expiration of the Term hereof, at such time the Licensor shall be entitled to acquire all of the Authority's right, title and interest in and to the Sussex County Vocational School Board of Education Renewable Energy Projects for the purchase price of \$1, which shall be full and complete consideration for the acquisition thereof.

## ARTICLE VI

### EVENT OF DEFAULT

#### Section 6.1. Default; Event of Default.

(a) If any of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an "Authority Event of Default" under this Sussex County Vocational School Board of Education Local Unit License Agreement:

(i) the Authority or any other Sussex County Vocational School Board of Education Licensee shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Authority or any other Sussex County Vocational School Board of Education Licensee to be performed or observed under this Sussex County Vocational School Board of Education Local Unit License Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Authority by the Licensor; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute an Authority Event of Default if (A) corrective action is instituted by or on behalf of the Authority or any other Sussex County Vocational School Board of Education Licensee within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Licensor is kept informed of the progress of such corrective action by the Authority no less frequently than once a week.

(b) If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Licensor Event of Default" under this Sussex County Vocational School Board of Education Local Unit License Agreement:

(i) The Licensor shall either fail to make payments pursuant to Section 5.1 or 5.2 hereof, which default shall continue for forty-five (45) days after the date payments are due under an invoice referred to in Section 6.4 of the Power Purchase Agreement, or the Licensor shall revoke (including the deemed revocation situations as described in Section 3.7(c) that are within the Licensor's control) the Sussex County Vocational School Board of Education Local Unit License pursuant to Section 3.7(b) hereof, but shall have failed to provide funds to pay or otherwise caused (or been the beneficiary of some source having caused) the payment of (A) the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds or caused (or been the beneficiary of some source having caused) provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution and (B) the other amounts contemplated by Section 3.7(a)(iv) hereof;

(ii) the Licensor shall default in the performance or observance of any of the duties, covenants, obligations, agreements or conditions on the part of the Licensor to be performed or observed under this Sussex County Vocational School Board of Education Local Unit License Agreement or the Power Purchase Agreement, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Licensor by the Authority or a Licensee; *provided, however*, that if any above default be such that it is correctable, but cannot be so corrected within such thirty (30) day period, it shall not constitute a Licensor Event of Default if (A) corrective action is instituted by or on behalf of the Licensor within such thirty (30) day period, (B) such corrective action is diligently pursued until such default is corrected, and (C) the Authority is kept informed of the progress of such corrective action by the Licensor no less frequently than once a week.

### **Section 6.2. Remedies.**

(a) In the case of an Authority Event of Default, unless liquidated damages are specifically set forth herein, the Licensor may pursue any available remedy at law or in equity or by statute to enforce the rights of the Licensor under this Sussex County Vocational School Board of Education Local Unit License Agreement.

(b) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as liquidated damages for such Licensor Event of Default hereunder, payment from or on behalf of the Licensor in the amount necessary to pay, through the first available redemption date, all of the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Sussex County Vocational School Board of Education Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds), or otherwise cause provision thereof and thereon to be made in accordance with Article XII of the Bond Resolution. Such liquidated damages amount shall be payable by the Licensor to the Authority or at its direction the Trustee, at the times required by the Authority or as applicable the Trustee, and shall be a non-exclusive remedy (see subsection (c) below). It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

Further in the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) hereof, the Authority shall be entitled, as further liquidated damages for such Licensor Event of Default hereunder, to payment from or on behalf of the Licensor in the amount necessary to pay the other (non-Bond) amounts contemplated by Section 3.7(a)(iv) hereof. Such additional amounts shall be promptly paid by the Authority to the Company, but only to the extent the Company has not caused either an Event of Default, or a default, which event after the occurrence of time will become an Event of Default, as defined in and contemplated by any of the Company Documents. It is expressly understood that any such amount owing shall not be subject to set-off or any other defense to non-payment, any of which defenses the Licensor hereby waives.

(c) In the case of a Licensor Event of Default of the type set forth in Section 6.1(b)(i) or (ii) hereof, the Authority may pursue any available remedy at law or in equity or by statute to enforce the specific performance rights of the Authority under this Sussex County Vocational School Board of Education Local Unit License Agreement.

**Section 6.3. Remedies Generally.**

(a) Upon the cure of an Event of Default by or on behalf of the defaulting party, and the acceptance thereof in writing by the non-defaulting party delivered to the defaulting party, this Sussex County Vocational School Board of Education Local Unit License Agreement shall continue for the duration of the Term hereof, as if such Event of Default shall never have occurred.

(b) No right or remedy by the terms of this Sussex County Vocational School Board of Education Local Unit License Agreement conferred upon or reserved to the non-defaulting party is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to such non-defaulting party hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

(c) No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(e) Any delay in completion of the Sussex County Vocational School Board of Education Projects due to a Licensor Event of Default or a Licensor default which after the occurrence of time would become an Event of Default shall extend the time periods relating to such Sussex County Vocational School Board of Education Projects until cured, including without limitation the requirement that the Company complete all Projects, including the Sussex County Vocational School Board of Education Projects, by December 14, 2012, all in accordance with the terms of the Program Documents.

## ARTICLE VII

### MISCELLANEOUS

#### Section 7.1 Term.

(a) This Sussex County Vocational School Board of Education Local Unit License Agreement shall commence on the day of authorization, execution and delivery hereof by both parties.

(b) This Sussex County Vocational School Board of Education Local Unit License Agreement and the Sussex County Vocational School Board of Education Local Unit License granted herein shall terminate against the Authority, after which date all Sussex County Vocational School Board of Education Project Activities shall cease, upon the first to occur of any of the following, none of which shall be considered an Event of Default hereunder:

(i) (A) The revocation of the Sussex County Vocational School Board of Education Local Unit License pursuant to Section 3.7(b) or (c) hereof, (B) as applicable, (I) to the extent Bonds are Outstanding, all of the Bonds shall have been paid in full by or on behalf of the Licensor, or provision for the payment thereof shall have been made by or on behalf of the Licensor in accordance with Article XII of the Bond Resolution, or (II) to the extent Bonds are no longer Outstanding, all of the amounts paid by the County Security Provider under the County Security shall have been reimbursed by or on behalf of the Licensor, and all of the amounts paid by the County under the County Guaranty shall have been reimbursed, if not from a draw on the County Security, from amounts paid by or on behalf of the Licensor and (C) the other amounts contemplated by Section 3.7(a)(iv) hereof shall have been paid;

(ii) The Power Purchase Agreement shall have expired at the end of its stated fifteen (15) year term or any term of renewal under applicable law, as contemplated by Section 5.1(a)(i)(B) hereof, and the Sussex County Vocational School Board of Education Renewable Energy Projects shall have been removed from the Sussex County Vocational School Board of Education Local Unit Facilities by or on behalf of the Company, the Authority or any of their agents, at the sole cost of the Company or otherwise, but not at the cost of the Licensor;

(iii) The Fair Market Value purchase by the Licensor of the Sussex County Vocational School Board of Education Renewable Energy Projects from the Company in accordance with Section 5.1(a)(ii)(A) hereof;

(iv) The nominal consideration purchase by the Licensor of the Sussex County Vocational School Board of Education Renewable Energy Projects from the Authority in accordance with Section 5.2(a)(iv) hereof; or

(v) The Power Purchase Agreement terminates in accordance with Section 11.2 thereof, and [either the Licensor or the Licensee desires to terminate this Sussex County Vocational School Board of Education Local Unit License Agreement, which termination shall occur upon thirty (30) days written notice to the other party] [the Licensor and the Licensee agree in writing to terminate this Sussex County Vocational School Board of Education Local Unit License Agreement].

(c) The “**Term**” of this Sussex County Vocational School Board of Education Local Unit License Agreement shall be from the date of commencement hereof in accordance with subsection (a) above, until the date of termination hereof in accordance with subsection (b) above.

(d) Upon expiration of the Term of this Sussex County Vocational School Board of Education Local Unit License Agreement, none of the Licensor, the Authority, nor any other Sussex County Vocational School Board of Education Licensees shall have any further rights, duties or obligations with respect to the Sussex County Vocational School Board of Education Local Unit License contemplated hereby, which shall thereupon cease and be rendered null and void from such point forward.

**Section 7.2. Assignment.** The Authority shall not assign this Sussex County Vocational School Board of Education Local Unit License Agreement without the express written consent of the other parties hereto and, to the extent not in default under the Company Documents, the Company; provided, however, the other parties expressly acknowledge that the Authority intends to permit the Sussex County Vocational School Board of Education Licensees to gain access under the Sussex County Vocational School Board of Education Local Unit License created hereunder to the Local Unit Facilities in accordance with the terms hereof, through whatever reasonable means acceptable to the Authority, including without limitation an assignment of the Authority’s rights hereunder through the Company Documents, any other Program Document, or any other agreement to which the Authority shall be a party, as applicable.

**Section 7.3. Notices.** Unless otherwise provided in writing, any notices to be given or to be served upon any party hereto, or any other documents to be delivered to any Renewable Energy Program Interested Party, all in connection with this Sussex County Vocational School Board of Education Local Unit License Agreement, must be in writing and may be delivered personally, by telecopy, by e-mail, or by overnight, certified or registered mail. If such notice or document is delivered by certified or registered mail, it shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail. If such notice or document is delivered by telecopy or e-mail, a hard copy of such notice or document shall be sent by certified or registered mail, although such notice or document shall be deemed to have been delivered upon receipt of the telecopy or e-mail by such party or other Renewable Energy Program Interested Party. If such notice is given or document is delivered otherwise, it shall be deemed to have been given or delivered, as applicable, when delivered to and received by the party or other Renewable Energy Program Interested Party to whom it is addressed. Such notice

or document shall be given to the parties or other Renewable Energy Program Interested Party at their following respective addresses or at such other address as any party or other Renewable Energy Program Interested Party may hereafter designate to the other parties hereto in writing:

**Section 7.4. Successors and Assigns.** This Sussex County Vocational School Board of Education Local Unit License Agreement shall inure to the benefit of and be binding upon the parties and acknowledgment parties hereto, and their respective successors and/or assigns.

**Section 7.5. Entire Agreement; Third Party Beneficiaries and Obligors.** This Sussex County Vocational School Board of Education Local Unit License Agreement contains the entire agreement among the parties and may not be modified, amended, altered or cancelled except upon the prior express written consent of the parties hereto. This Sussex County Vocational School Board of Education Local Unit License Agreement and the duties and obligations contained herein shall be solely for the benefit of the parties hereto and, where specifically provided herein, the Company and the other Sussex County Vocational School Board of Education Licensees, which upon commencing any action contemplated hereunder, shall automatically also constitute third-party obligors hereunder.

**Section 7.6. Governing Law.** This Sussex County Vocational School Board of Education Local Unit License Agreement shall be governed by the laws of the State of New Jersey without regard to principles of conflicts of laws thereunder.

**Section 7.7. Severability.** If any provision of this Sussex County Vocational School Board of Education Local Unit License Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever. To the extent any provision of this Sussex County Vocational School Board of Education Local Unit License Agreement conflicts with the provisions of any other Program Document, the parties and acknowledgment parties hereto expressly acknowledge that the provisions of this Sussex County Vocational School Board of Education Local Unit License Agreement shall control.

**Section 7.8. Counterparts.** This Sussex County Vocational School Board of Education Local Unit License Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

**Section 7.9. Effective Date.** This Sussex County Vocational School Board of Education Local Unit License Agreement shall be effective as of the date hereof and shall terminate in accordance with the provisions hereof, including Section 7.1 hereof.

**Section 7.10. Waiver of Sovereign Immunity.** For the purposes of this Sussex County Vocational School Board of Education Local Unit License Agreement, each of the Authority and the Licensor acknowledge and agree that (a) its execution and delivery of this Sussex County Vocational School Board of Education Local Unit License Agreement and (b) its performance of the actions contemplated by this Sussex County Vocational School Board of Education Local Unit License Agreement, constitute private and commercial acts rather than public or governmental acts. To the extent that, in any jurisdiction, the Authority or the Licensor in respect of itself or its assets, properties or revenues, shall be entitled to any contract immunity from suit, from the jurisdiction of any court, from attachment prior to judgment, from attachment in aid of execution of judgment, from execution, or enforcement of a judgment, or from any other legal or judicial process or remedy, such party hereby, except with respect to tort claims related to this License Agreement, (i) expressly and irrevocably agrees not to claim or assert, and expressly and irrevocably waives, any such immunity to the fullest extent permitted by the laws of such jurisdiction solely as to the Company and (ii) consents generally to the giving of any relief or the issue of any process in connection with any proceeding. This waiver does not apply to any Series 2011 Local Units tort immunity as established by law.

[Trustee]

Re: The Morris County Improvement Authority  
County Guaranteed Renewable Energy Program Lease Revenue Bonds,  
Series 2011 (the "Series 2011 Bonds")

Dear Sir or Madam:

Pursuant to (i) Section 510(c) of that certain "Lease Purchase Agreement (Morris County Renewable Energy Program, Series 2011)" dated as of December 1, 2011 (the "**Company Lease Agreement**") by and between The Morris County Improvement Authority (the "**Authority**"), as lessor, and SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the "**Company**"), as lessee, and (ii) Section 5.02(2) of the Authority's bond resolution duly adopted July 20, 2011 and entitled "Resolution Authorizing the Issuance of County of Sussex Guaranteed Renewable Energy Program Lease Revenue Notes and Bonds, Series 2011 and Additional Bonds of The Morris County Improvement Authority", as amended and supplemented, and (iii) with respect to the [Renewable Energy Projects, or as applicable, any Completion Project related thereto (the "**Sussex County Vocational School Board of Education Renewable Energy Projects**") [Capital Improvement Projects, or as applicable, any Completion Project related thereto (the "**Sussex County Vocational School Board of Education Capital Improvement Projects**")]] being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the "**Licensor**") (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), the Company, by its Authorized Officer stated below, **DOES HEREBY CERTIFY** and **REQUISITION** moneys on deposit in the Project Fund and held by U.S. Bank National Association, as trustee (the "**Trustee**") for the holders of the Series 2011 Bonds, as follows:

1. The Trustee is hereby requested to pay \$\_\_\_\_\_ from moneys on deposit in the Project Fund equal to the aggregate Project Costs for which payment or reimbursement is being sought by this requisition.

(a) \$\_\_\_\_\_ of which aggregate amount shall be payable to:

[\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_];

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]; and

(b) \$ \_\_\_\_\_ of which aggregate amount shall be payable to:

[\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection  
with the following Development Contract: \_\_\_\_\_]

[the Company for reimbursement of Costs of the Project previously paid by the Company to  
\_\_\_\_\_ for  
\_\_\_\_\_ services] [incurred in connection with the following Development Contract:  
\_\_\_\_\_]

{Please Note, Include Name and Address of any Contractor and the specific Development Contract pursuant to which this Requisition is submitted}

2. (a) Such funds requested in accordance with Section 1(a) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Sussex County Vocational School Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Sussex County Vocational School Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor:  
\_\_\_\_\_.

(b) Such funds requested in accordance with Section 1(b) of this Requisition were incurred in connection with the [acquisition, construction, or installation of the Sussex County Vocational School Board of Education Renewable Energy Projects listed on **Exhibit A-1**] [acquisition, construction, renovation or installation of the Sussex County Vocational School Board of Education Capital Improvement Projects listed on **Exhibit A-2**] to the Company Lease Agreement, to be financed by a portion of the proceeds of the Series 2011 Bonds, and all with respect to the following Local Unit Facilities of the Licensor:  
\_\_\_\_\_.

3. Such payment obligation, for which funds have been requested in accordance with Section [1(a)] [1(b)] of this Requisition, (i) has been properly incurred in accordance with the Plans and Specifications, (ii) is an item of the Cost of such Project, (iii) is a proper charge against the Project Fund, (iv) has not been the basis of any previous withdrawal, and (v) attached hereto is a bill, invoice, receipt or other evidence that payment on such Project Cost is due and owing or

has been paid by or on behalf of the Company. This Requisition, together with any such attachments contemplated by clause (v) above, shall constitute Draw Papers submitted on a Draw Date for all purposes of the Company Lease Agreement, the Bond Resolution and the Local Unit License Agreement for the Licensor.

4. This requisition may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

### [Attach Sussex County Vocational School Board of Education REP Acceptance Certificate]

I, the undersigned \_\_\_\_\_, a duly authorized officer of SUNLIGHT GENERAL SUSSEX SOLAR, LLC, a New Jersey limited liability company (the “**Company**”), pursuant to the terms of that certain “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated as of December 1, 2011 (the “**Company Lease Agreement**”) between The Morris County Improvement Authority, as lessor (the “**Authority**”), and the Company, as lessee, and with reference to the Renewable Energy Projects, or as applicable, any Completion Project related thereto (the “**Sussex County Vocational School Board of Education Renewable Energy Projects**”) being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the “**Licensor**”) (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_, the Sussex County Vocational School Board of Education Renewable Energy Projects have been designed, acquired, constructed, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use. Attached hereto are the required engineering certifications and / or reports evidencing same.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Sussex County Vocational School Board of Education Renewable Energy Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Sussex County Vocational School Board of Education Renewable Energy Projects, including the design, permitting, acquisition, construction and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction and installation thereof].

3. The Sussex County Vocational School Board of Education Renewable Energy Projects, having been designed, acquired, constructed and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, are hereby accepted for use by the Company, with title thereto as set forth in Section 609(a) of the Company Lease Agreement, to generate renewable energy therefrom to be sold through the Authority to the Licensor, all as set forth in the Program Documents. This Section 3, together with the Licensor’s acknowledgment below by an Authorized Officer thereof, shall constitute the Company’s and the Licensor’s acceptance of the Sussex County Vocational School Board of Education Renewable Energy Projects for all purposes of Section 510(d)(i)(C) of the Company Lease Agreement and Section 5.02(3)(a)(i)(C) of the Bond Resolution.

4. Attached hereto is one or more duly authorized, fully executed and delivered copy or copies of the Sussex County Vocational School Board of Education Interconnection Agreement(s) with the applicable local electric utility distribution provider with respect to all of the Sussex County Vocational School Board of Education Renewable Energy Projects.

5. [Choose one, as applicable]

[This REP Acceptance Certificate is not the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and accordingly, any moneys on deposit in the Project Fund, if any, including interest, earmarked for the Sussex County Vocational School Board of Education Renewable Energy Projects shall remain on deposit in the Project Fund for Costs of other Projects.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall not have caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, nor has the Company acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered REP Acceptance Certificate, any moneys on deposit in the Project Fund, without further authorization, shall first be applied to reimburse the Company for its withheld retainage under the Company Lease Agreement, and the excess after such application shall be transferred by the Trustee to the Debt Service Fund and applied as a credit to the next due Basic Lease Payments owed by the Company, in accordance with the terms of the Bond Resolution and the Company Lease Agreement.]

[This REP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall have either caused an Event of Default under the Company Lease Agreement as of the date of this REP Acceptance Certificate, or the Company has acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered REP Acceptance Certificate, any moneys on deposit in the Project Fund, shall be applied as set forth in a Certificate of an Authorized Officer of the Authority.]

5. This REP Acceptance Certificate may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

I, the undersigned \_\_\_\_\_, a duly authorized officer of [COMPANY], [a Delaware limited liability company] (the “**Company**”), pursuant to the terms of that certain “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated as of December 1, 2011 (the “**Company Lease Agreement**”) between The Morris County Improvement Authority, as lessor (the “**Authority**”), and the Company, as lessee, and with reference to the Capital Improvement Projects, or as applicable, any Completion Project related thereto (the “**Sussex County Vocational School Board of Education Capital Improvement Projects**”) being developed for [\_\_\_\_\_], as the applicable Series 2011 Local Unit (the “**Licensor**”) (capitalized terms not defined in this Certificate shall have the respective meanings ascribed to such terms in the Company Lease Agreement), **DO HEREBY CERTIFY** as follows:

1. As of \_\_\_\_\_, 20\_\_\_\_, the Sussex County Vocational School Board of Education Capital Improvement Projects have been designed, acquired, constructed, renovated, and installed, and therefore have been completed and delivered in good order and in conformance with the Plans and Specifications, and are ready for use.

2. The Company has previously submitted all eligible Draw Papers to the Trustee with respect to the Sussex County Vocational School Board of Education Capital Improvement Projects, against which the Company has received (or has directed receipt to a third party vendor) from the Trustee sufficient funds from the Project Fund to pay all Costs of the Sussex County Vocational School Board of Education Capital Improvement Projects, including the design, permitting, acquisition, construction, renovation, and installation thereof[, or if such funds were insufficient, the Company has provided available funding through the Equity Contribution to complete the design, permitting, acquisition, construction, renovation, and installation thereof].

3. By obtaining the Licensor’s execution of the acknowledgment below, the Company is satisfying the requirement regarding the Licensor’s acceptance of (a) the Sussex County Vocational School Board of Education Capital Improvement Projects for all purposes of Section 510(d)(ii)(C) of the Company Lease Agreement and Section 5.02(3)(a)(ii)(C) of the Bond Resolution, which Sussex County Vocational School Board of Education Capital Improvement Projects, were designed, acquired, constructed, renovated, and installed by or on behalf of the Company on the Local Unit Facilities for the Licensor with a portion of the proceeds of the Bonds, with title thereto as set forth in Section 609 of the Company Lease Agreement and (b) the CIP Acceptance State. This Section 3, together with the Licensor’s acknowledgment below by an Authorized Officer thereof, shall constitute the Licensor’s acceptance of the Sussex County Vocational School Board of Education Capital Improvement Projects for all purposes of Section 510(d)(ii)(C) of the Company Lease Agreement and Section 5.02(3)(a)(ii)(C) of the Bond Resolution.

4. *[Choose one, as applicable]*

[This CIP Acceptance Certificate is not the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and accordingly, any moneys on deposit in the Project Fund, if any, including interest, earmarked for the Sussex County Vocational School Board of Education Capital Improvement Projects shall remain on deposit in the Project Fund for Costs of other Projects.]

[This CIP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall not have caused an Event of Default under the Company Lease Agreement as of the date of this CIP Acceptance Certificate, nor has the Company acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered CIP Acceptance Certificate, any moneys on deposit in the Project Fund, without further authorization, shall first be applied to reimburse the Company for its withheld retainage under the Company Lease Agreement, and the excess after such application shall be transferred by the Trustee to the Debt Service Fund and applied as a credit to the next due Basic Lease Payments owed by the Company, in accordance with the terms of the Bond Resolution and the Company Lease Agreement.]

[This CIP Acceptance Certificate is the final Acceptance Certificate for purposes of Section 510(e) of the Company Lease Agreement and Section 5.02(3)(b) of the Bond Resolution, and the Company shall have either caused an Event of Default under the Company Lease Agreement as of the date of this CIP Acceptance Certificate, or the Company has acted, or failed to act, in such a manner as would, with the passage of time, cause an Event of Default under the Company Lease Agreement. Accordingly, upon the Trustee's receipt of this duly authorized, executed and delivered CIP Acceptance Certificate, any moneys on deposit in the Project Fund, shall be applied as set forth in a Certificate of an Authorized Officer of the Authority.]

5. This CIP Acceptance Certificate may be executed, acknowledged and accepted in any number of counterparts, each of which may be executed by one or more of the respective parties, and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

**LICENSE AND ACCESS AGREEMENT**  
**(Sussex County Renewable Energy Program, Series 2011)**

THIS “**LICENSE AND ACCESS AGREEMENT (Sussex County Renewable Energy Program, Series 2011)**” (including any amendments or supplements hereto from time to time in accordance with the terms hereof, this “*Sussex County Community College Local Unit License Agreement*”), dated as of December 1, 2011, is made by and among **Sussex County Community College** (the “*Licensor*”), a public body corporate and politic organized and existing under the laws of the State of New Jersey, in the County of Sussex (the “*County*”), State of New Jersey (“*State*”) and the **MORRIS COUNTY IMPROVEMENT AUTHORITY** (including any successors and assigns, the “*Authority*” or the “*Licensee*”), duly created by resolution of the Board of Chosen Freeholders (“*Board of Freeholders*”) of Morris County as a public body corporate and politic of the State pursuant to and in accordance with the provisions of the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”) and other applicable law.

---

**WHEREAS**, the County of Sussex, New Jersey, a political subdivision of the State (the “*County*”) desires to undertake the development and implementation of a renewable energy program (the “*Renewable Energy Program*”) for the financing, design, permitting, acquisition, construction, installation, operation and maintenance of renewable energy capital equipment and facilities such as solar panels, wind turbines, and hydro-electric, bio-diesel, geothermal, and bio-mass facilities, including any related electrical modifications, work related to the maintenance of roof warranties, or other work required, desirable or convenient for the installation of such systems (collectively, the renewable energy capital equipment and facilities, the “*Renewable Energy Projects*”) for and on behalf of the County and its affiliates, and the local governmental units within the County, including without limitation municipalities, boards of education for school districts, local authorities and any other local government instrumentalities, public bodies or other local government entities (collectively, including the County, the “*Local Units*”);

**WHEREAS**, the Morris County Improvement Authority (the “*Authority*”) has been duly created by resolution no. 42 entitled “Resolution of the Board of Chosen Freeholders of Morris County, New Jersey creating the Morris County Improvement Authority” duly adopted by the Board of Chosen Freeholders (the “*Morris County Board of Freeholders*”) of the County of Morris (the “*Morris County*”) in the State of New Jersey (the “*State*”) on April 10, 2002 as a public body corporate and politic of the State pursuant to and in accordance with the county improvement authorities law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40:37A-44 *et seq.*, the “*Act*”), and other applicable law;

**WHEREAS**, as of the date hereof, the County has not created its own county improvement authority, and therefore pursuant to the Act, the County may determine to utilize the services of another county improvement authority, including without limitation the

Authority, with the consent of both the County, a beneficiary county under the Act, and the Morris County Board of Freeholders, for any purpose for which an improvement authority shall exist, including those set forth in Section 11 of the Act (N.J.S.A. 40:37A-54, "*Section 11*"), which purposes include the development and implementation of the Renewable Energy Program;

**WHEREAS**, the County desires to implement the Renewable Energy Program through the Authority pursuant to the Act, the Uniform Shared Services and Consolidation Act, constituting Chapter 63 of the Pamphlet Laws of 2007 of the State, and the acts amendatory thereof and supplemental thereto (as codified at N.J.S.A. 40A:65-1 *et seq.*, the "*Shared Services Act*"), and all other applicable law, the terms of which agreement has been set forth in that certain "Service Agreement (Sussex County Renewable Energy Program)" dated as of March 1, 2011 (as amended and supplemented from time to time in accordance with its terms, the "*Service Agreement*") between the County and the Authority, and consented to by Morris County;

**WHEREAS**, the County has determined to enter into the Service Agreement and utilize the services of the Authority and the Authority Consultants (as hereinafter defined) for the following primary reasons: (i) the County does not have a county improvement authority, which type of entity possesses legal authority to enter into the kind of transactions that make a successful regional Renewable Energy Program more likely to succeed, (ii) Morris County has developed and implemented its own renewable energy program through the Authority, which Authority has retained (in accordance with all applicable law) experienced legal, engineering, energy consulting, and financial advisory consultants, consisting of the Authority's energy engineering and energy service consulting firms, Birsdall Services Group and Gabel Associates, its energy counsel and bond counsel, Inglesino, Pearlman, Wyciskala & Taylor, LLC, and its financial advisor, NW Financial Group, LLC, (collectively, the "*Authority Consultants*") and (iii) accordingly, it is more administratively efficient for the County to utilize the services of the Authority and the Authority Consultants to implement the Renewable Energy Program, with such changes as desired by the County, rather than incur the time and expense of the County establishing a new program;

**WHEREAS**, in addition, Sussex County may determine, but shall not be required, to seek the assistance of its auditor, financial advisor, if any, bond counsel, energy consultant, engineer or any other professional advisors deemed necessary, desirable and convenient by Sussex County (the "*Sussex County Consultants*", if any, and together with the Authority Consultants, the "*Consultants*"; to the extent Sussex County determines not to hire any Sussex County Consultants, references to the term Consultants herein shall be deemed to mean the Authority Consultants) to assist the Authority, the County and the Authority Consultants in connection with the Renewable Energy Program;

**WHEREAS**, the Renewable Energy Projects procured under the Renewable Energy Program, limited initially to Renewable Energy Projects involving solar panels, are to be installed on, in, affixed or adjacent to and/or for any other Local Unit controlled buildings, other structures, lands or other properties of the Local Units (collectively, the "*Local Unit Facilities*");

**WHEREAS**, it may be necessary, desirable or convenient, in connection with the financing, design, permitting, acquisition, construction, installation, operation and maintenance

of the Renewable Energy Projects, to finance, design, permit, acquire, construct, renovate and install certain capital improvements to the Local Unit Facilities, including without limitation, improvements to or replacement of, roofing systems, if any (the "*Capital Improvement Projects*") and together with the Renewable Energy Projects and any Completion Project as defined in the hereinafter defined Bond Resolution, the "*Projects*"), and to the extent no Capital Improvement Projects are so financed, references herein shall have no meaning;

**WHEREAS**, the primary goal of the Renewable Energy Program is to expand the use of renewable energy sources available and utilized by the Local Units for their Local Unit Facilities, with the attendant environmental and financial benefits associated thereby, and to reduce the energy related operating costs to the Local Units for their Local Unit Facilities, all intended to be offered at no net cost to the Local Units;

**WHEREAS**, in order to implement the Renewable Energy Program, the Authority has determined to finance the respective Renewable Energy Projects and Capital Improvement Projects, if any, on, in or about the respective Local Unit Facilities, all as set forth on Exhibits B, C, and A to the hereinafter defined Local Unit License Agreement for each of the following participating Local Units:

- (i) Fredon Township, and Town of Newton (collectively, the "*Municipal Series 2011 Local Units*"); and
- (ii) Byram Township School District, Frankford Township's Consolidated Schools, Franklin Borough Board of Education, Green Township Board of Education, Hardyston Board of Education, High Point Regional School District, Kittatinny Regional School District, Newton Board of Education (collectively, the "*Board of Education Series 2011 Local Units*"); and
- (iii) County, Sussex County Community College and Sussex County Technical School (the "*County Series 2011 Local Units*");

(each a "*Series 2011 Local Unit*", and, collectively, the "*Series 2011 Local Units*"), through the issuance by the Authority of the hereinafter defined Series 2011 Bonds;

**WHEREAS**, in order to finance the Renewable Energy Projects for the Series 2011 Local Units on, in or about their Local Unit Facilities, the Authority shall sell the following series of Series 2011 Bonds, (i) one series of bonds in the aggregate principal amount of \$26,715,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Bonds, Series 2011A (Federally Taxable)" dated their date of delivery (the "*Series 2011A Bonds*") the terms of which sale shall be as set forth in that certain Bond Purchase Agreement between the Underwriter and the Authority (the "*Series 2011A Bonds*"), and (ii) one series of notes in the aggregate principal amount of \$985,000 and entitled, "County of Sussex Guaranteed Renewable Energy Program Lease Revenue Note, Series 2011B (Federally Taxable)" (the "*Series 2011B Note*", and together with the Series 2011A Bonds, "*Series 2011 Bonds*"), by the same sale method as the Series 2011A Bonds;

**WHEREAS**, after taking into account the hereinafter defined Equity Contribution, the Series 2011 Bonds shall also finance all other costs associated with the Renewable Energy Program that the Authority determines to be necessary, convenient or desirable for the successful implementation of the Renewable Energy Program, including without limitation (i) all or a portion of the Preliminary Program Costs, Administrative Expenses and Company Development Fees and Expenses (as such terms are defined in the hereinafter defined Bond Resolution), (ii) costs incurred in connection with the issuance of the Series 2011 Bonds, (iii) costs incurred or to be incurred in connection with the design, permitting, acquisition, construction, installation, operation and maintenance of the Renewable Energy Projects for the Series 2011 Local Units, (iv) one year's worth of Series 2011A Bonds capitalized interest and (v) such other amounts as shall be set forth in the Bond Resolution (collectively, the *Series 2011 Project*);

**WHEREAS**, the Series 2011 Bonds, and any Additional Bonds defined under the Bond Resolution (collectively, the "*Bonds*") shall be issued pursuant to the terms of that certain "RESOLUTION AUTHORIZING THE ISSUANCE OF COUNTY OF SUSSEX GUARANTEED RENEWABLE ENERGY PROGRAM LEASE REVENUE NOTES AND BONDS SERIES 2011 AND ADDITIONAL BONDS OF THE MORRIS COUNTY IMPROVEMENT AUTHORITY" adopted by the governing body of the Authority on September 28, 2011, as amended and supplemented from time to time in accordance with its terms, including by one or more Certificates of an Authorized Officer of the Authority, each dated the date of issuance of the respective series of Series 2011 Bonds (the "*Bond Resolution*"), all in accordance with Sections 17-19 of the Act (N.J.S.A. 40:37A-60, 61 and 62) and all other applicable law;

**WHEREAS**, pursuant to N.J.S.A. 40:37A-77 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act and other applicable law, upon or prior to the issuance of the Series 2011 Bonds, the Authority shall have entered into a "License and Access Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, each agreement shall constitute a "*Local Unit License Agreement*", and collectively, the "*Local Unit License Agreements*") with each Series 2011 Local Unit that would, among other things, provide the Authority and/or its assignees the right and obligation to (i) access the Local Unit Facilities of each such Series 2011 Local Unit, most particularly their roofs, parking area and/or grounds and electrical systems (the "*Local Unit License*"), (ii) finance, design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects on, in, affixed or adjacent to, or for the benefit of such Local Unit Facilities, (iii) receive the right to the renewable energy produced from the Renewable Energy Projects financed by the Series 2011 Bonds, and (iv) sell all or a portion of the renewable energy produced from such Renewable Energy Projects through the Authority to the respective Series 2011 Local Units, pursuant to an assignment (under each Local Unit License Agreement) from the Authority to the Series 2011 Local Units of the Power Purchase Agreement (as hereinafter defined), the terms of which Power Purchase Agreement could be entered into directly by the Series 2011 Local Units under N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (for the Municipal and County Series 2011 Local Units), under N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (for the Board of Education Series 2011 Local Units) and under N.J.S.A. 18A:64A-25.1 et seq. of the County College Contracts Law for the College Series 2011 Local Unit;

**WHEREAS**, upon or prior to the issuance of the Series 2011 Bonds, and in accordance with (i) N.J.S.A. 40A:11-4.1(k) of the Local Public Contracts Law and N.J.S.A. 18A:18A-4.1(k) of the Public Schools Contracts Law, (ii) Local Finance Board Notice 2008-20, December 3, 2008, *Contracting for Renewable Energy Services*, (iii) the State Board of Public Utilities (“BPU”) protocol for measuring energy savings in PPA agreements dated February 20, 2009 (*Public Entity Energy Efficiency and Renewable Energy Cost Savings Guidelines*), (iv) Local Finance Board Notice 2009-10 dated June 12, 2009, *Contracting for Renewable Energy Services: Update on Power Purchase Agreements*, and (v) all other applicable law, and pursuant to a competitive contracting process governed thereby, which included a request for solar developer proposals issued by the Authority dated September 8, 2011, as amended (the “*Company RFP*”) and the receipt of proposals from prospective solar developers, including that proposal dated October 13, 2011 (the “*Company Proposal*”) submitted with respect to Sunlight General Sussex Solar, LLC (the “*Company*”), the Authority selected the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects for the designated Local Unit Facilities of such Series 2011 Local Units, with such Program terms as are set forth in the following Company Documents to be entered into between the Company and, at a minimum, the Authority, or acknowledged by the Company, as applicable:

- (a) Pursuant to N.J.S.A. 40:37A-78 of the Act, a “Lease Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Company Lease Agreement*”) between the Authority, as owner and lessor, and the Company, as lessee, (I) conveying to the Company a leasehold interest in and to the Renewable Energy Projects, (II) assigning to the Company a license of the necessary portion of each Series 2011 Local Units’ Local Unit Facilities (obtained by the Authority through the Local Unit License Agreements) in order for the Company to design, permit, acquire, construct, install, operate and maintain the Renewable Energy Projects, for such Series 2011 Local Units, and (III) obligating the Company to operate and maintain, or cause the operation and maintenance of, the Renewable Energy Projects for the Series 2011 Local Units;
- (b) That certain “Power Purchase Agreement (Sussex County Renewable Energy Program, Series 2011)” dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the “*Power Purchase Agreement*”) authorized pursuant to N.J.S.A. 40:37A-77 and -78 of the Act, N.J.S.A. 40A:65-4 of the Shared Services Act, N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law (regarding that portion to be assigned to the Municipal Series 2011 Local Units and the County Series 2011 Local Unit under the applicable Local Unit License Agreement), N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law (regarding that portion to be assigned to the Board of Education Series 2011 Local Units under the applicable Local Unit License Agreements) and N.J.S.A. 18A:64A-25.1 et seq. of the County

College Contracts Law (regarding that portion to be assigned to the College Series 2011 Local Unit under the applicable License Agreement) and the guidelines applicable to such contracts promulgated by the BPU whereby, among other things,

(I) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement to issue the Series 2011 Bonds to finance the Renewable Energy Projects, and if applicable, the Capital Improvement Projects, for the Series 2011 Local Units, and the Company shall be entitled to draw a dedicated portion of the net proceeds of the Series 2011 Bonds for the design, permitting, acquisition construction, renovation, and installation of such Projects on a requisition basis,

(II) The Company established a power purchase price based, in part, on the Authority's covenant in the Company Lease Agreement, as nominal owner of the Renewable Energy Projects for State law purposes, to assign to the Company all or a portion of the Authority's rights to the Solar Renewable Energy Certificates ("SRECs") generated by the Renewable Energy Projects for the Series 2011 Local Units, and

(III) The Company shall sell to the Authority for the benefit of the Series 2011 Local Units, for a term of fifteen (15) years, plus extensions if applicable, for a fixed power purchase price per kilowatt hour, as escalated under the terms thereof (such terms to be established pursuant to the Company Proposal), the renewable energy generated by the Renewable Energy Projects, which Authority obligation to purchase shall be assigned to the Series 2011 Local Units as part of the Local Unit License Agreements; and

- (c) The Company Lease Agreement, the Power Purchase Agreement and the hereinafter defined Company Disclosure Agreement, Company Pledge Agreement, EPC Contract, and County Security Agreement, if any, may be collectively defined as the "*Company Documents*";

**WHEREAS**, payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 2011 Bonds, shall be secured by the Trust Estate as defined under and in accordance with the terms of the Bond Resolution, which shall include, among other things, (i) Basic Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, (ii) certain Additional Lease Payments to be made by the Company under, and as defined in, the Company Lease Agreement, which Additional Lease Payments

shall be attributable to (a) the Purchase Option Price payable in accordance with Section 701 of the Company Lease Agreement upon any optional redemption of the Series 2011 Bonds or (b) the Mandatory Purchase Price payable in accordance with Section 702 of the Company Lease Agreement upon any acceleration of the Series 2011 Bonds, and (iii) payments by the County under the hereinafter defined County Guaranty to the extent other funds (including the Basic Lease Payments) are not available to make the Series 2011 Bond debt service payments on time and in full, all in accordance with the terms of the Bond Resolution;

**WHEREAS**, the payment of the principal (including mandatory sinking fund installments, if any) of, and interest (at interest rates not to exceed the maximum rates set forth in the Local Finance Board Application) on the Series 2011 Bonds, but not any redemption premium, shall be fully, unconditionally and irrevocably guaranteed in accordance with (i) the terms of a guaranty ordinance of the County finally adopted by the Board of Freeholders on August 17, 2011, (ii) by a guaranty certificate to be executed by an authorized officer of the County within each Series 2011 Bond and (iii) that certain "County Guaranty Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Guaranty Agreement*") by and between the County and the Authority, as acknowledged by the Company setting forth, among other things, the County's obligation to make any such guaranty payments in accordance with and within the parameters set forth in the guaranty ordinance and the Bond Resolution (collectively, the "*County Guaranty*"), all pursuant to Section 37 ("*Section 37*") of the Act (N.J.S.A. 40:37A-80);

**WHEREAS**, the holders of any Additional Bonds issued under the terms of the Bond Resolution, the Act and all other applicable law shall also be entitled to the pledge of the Trust Estate under the Bond Resolution on a pro-rata basis with the holders of any Outstanding Bonds as defined therein, including the Series 2011 Bonds, although the guaranty of the County shall only extend to any such Series of Additional Bonds to the extent (i) the aggregate principal amount of all such Series of Additional Bonds, when taken together with the aggregate principal amount of the Series 2011 Bonds, shall not exceed \$50,000,000, or (ii) the County adopts and executes similar official action and documents constituting the County Guaranty;

**WHEREAS**, under the Company RFP, the Authority shall be obligated to obtain an equity contribution, a letter of credit, cash, a covenant to provide same, a reserve or other form of security acceptable to and, if necessary, issued for the benefit of the County (the "*County Security*") to be issued by a sufficiently rated banking or other financial institution, or if the County Security is provided by or on behalf of the Company, then the Company (in any such case, the "*County Security Provider*"), all to secure, in part, the County's payment obligations under the County Guaranty (but not to secure the payment of debt service on the Series 2011 Bonds, as any such County Security shall be deposited in the County Security Fund created and defined under the Bond Resolution, which Fund shall not be a part of the Trust Estate pledged for the payment of the Series 2011 Bonds), the terms of which County Security may be set forth in a letter of credit and reimbursement or other agreement to be dated the first day of the month of issuance of the applicable series of Bonds (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Security Agreement*") among, at a

minimum, the Company, the County Security Provider, and the Authority, and acknowledged by the County;

**WHEREAS**, to the extent the need for a County Security Agreement has been eliminated due to the type of County Security found acceptable to the County and the Authority, then the provisions regarding the County Security shall not be set forth in any County Security Agreement, but rather shall be set forth in the Bond Resolution, the County Guaranty Agreement, the Company Lease Agreement, and as required, the other Program Documents (as hereinafter defined);

**WHEREAS**, under the Company Proposal, the Company is providing County Security acceptable to the County and the Authority in the form of the sum of (i) an equity contribution to be made by or on behalf of the Company, in the form of a combination of (a) the in kind acceptance by Power Partners MasTec LLC, of Charlotte, North Carolina and authorized to transact business in the State (including affiliates, the "*EPC Contractor*"), to delay receipt of payment for services performed by the EPC Contractor in connection with the construction of the Renewable Energy Projects for the Series 2011 Local Units, under that certain Turnkey Design, Engineering, Procurement and Construction Contract dated December 12, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*EPC Contract*") between the Company and the EPC Contractor with respect to such Renewable Energy Projects) by and between the Company and the EPC Contractor, in the estimated amount of \$7,818,860 (the "*In-Kind Equity Contribution*") until the earlier of (x) receipt of the Company of Section 1603 Grant proceeds for all the Renewable Energy Projects or (y) the Initial Basic Lease Payment Date and (b) a cash contribution in the amount currently anticipated to be \$1,500,000 but subject to increase or decrease, as applicable, so as to be equal to the excess of (x) the actual costs for which the Company is responsible in connection with the Renewable Energy Projects (including the initial funding of the County Reserve described below) over (y) the amount of the Series 2011 Bond proceeds, the Section 1603 Grant (as defined in the Company Lease Agreement) proceeds available to fund such costs through the Initial Basic Lease Payment Date (the "*Cash Equity Contribution*") which will be funded by or on behalf of the Company no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013 (the In-Kind Equity Contribution, together with the Cash Equity Contribution shall be known as the "*Equity Contribution*"), (ii) a cash reserve in the amount of \$1,500,000 (the "*County Reserve*") to be deposited in the County Security Fund for the benefit of the County, then as Reimbursement Collateral (as defined in the Bond Resolution), which amount shall be funded no later than the earlier of (i) ninety (90) days after completion of the Renewable Energy Projects or (ii) March 15, 2013, and (iii) in the event of a Company default under the Company Documents, the SRECs and payments made by the Series 2011 Local Units under the Local Unit License Agreements, all of which would be available to repay the County once the County has made payment under the County Guaranty:

**WHEREAS**, the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above, has been deemed acceptable by the County and the Authority, in lieu of the amount of funds contemplated by the Company RFP to be deposited in the County Security Fund because the Company Proposal, including the Equity Contribution and the funding of the County Reserve described above(i) reduce the amount of the Series 2011

Bonds required to be issued by the County and (ii), shall eliminate the need to fund any County Deficiency Amount (as defined in the Company RFP);

**WHEREAS**, should the County otherwise have insufficient sources of funds to make its Basic Lease Payments on time and in full, the Company shall have the ability to draw funds from the County Reserve in order to enable the Company to make its Basic Lease Payments;

**WHEREAS**, should the Company fail to make its Basic Lease Payments on time and in full, thereby causing the County to make payments to the Series 2011 Bondholders under the County Guaranty, which in turn causes the County Security to be drawn upon to reimburse the County for all or a portion of any such County Guaranty repayments, (i) the County Security Agreement, if any, may provide that the Authority assign and pledge the Reimbursement Collateral to the County Security Provider, as reimbursement security for any such draw on the County Security, or (ii) to the extent no County Security Agreement shall exist, then the Company, as County Security Provider in such instance, shall only be entitled to such excess County Security, as Reimbursement Collateral, if any shall remain available, after and to the extent the County has been fully paid under its County Guaranty but only to the extent of any County Security provided by or on behalf of the Company;

**WHEREAS**, in the event the Company provides the County Security Fund requirement, in part, through such a covenant to provide immediately available funds, if applicable, but in any event to secure other Company obligations under the Company Documents, the Authority shall require the Company to further secure such obligations by pledging certain property interests of the Company and its member's interest in and to the Company to the Trustee, all as shall be set forth in the Company Lease Agreement and that certain "Pledge and Security Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended or supplemented from time to time in accordance with its terms, the "*Company Pledge Agreement*"), and issued by the sole member of the Company, in favor of the Trustee, and acknowledged and accepted by the Company;

**WHEREAS**, the Company as a potential "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12 ("*Rule 15c-12*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, shall be required to enter into that certain "Company Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*Company Continuing Disclosure Agreement*") with the Authority and the Trustee, as dissemination agent (the "*Dissemination Agent*") in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution, as a "materially obligated person" within the meaning and for the purposes set forth in Rule 15c2-12, the County will be required to enter into that certain "County Continuing Disclosure Agreement (Sussex County Renewable Energy Program, Series 2011)" dated December 1, 2011 (as the same may be amended and supplemented from time to time in accordance with its terms, the "*County Continuing Disclosure Agreement*" and together with the Company Continuing Disclosure

Agreement, the “*Continuing Disclosure Agreements*”; the County Continuing Disclosure Agreement, along with the County Guaranty and the County Security Agreement, if any, shall be collectively known as the “County Documents”) with the Dissemination Agent in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, pursuant to the terms of the Bond Resolution and/or the Continuing Disclosure Agreements, the Authority shall (i) not be considered a “materially obligated person” within the meaning and for the purposes set forth in Rule 15c2-12, and (ii) be required to provide certain material events notices in accordance with Rule 15c2-12, and accordingly, the Authority shall be required to provide such material events notices under the terms of the Company Continuing Disclosure Agreement and the County Continuing Disclosure Agreement, all in order to satisfy the secondary market disclosure requirements of Rule 15c2-12;

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with N.J.S.A. 40A:5A-6, 7 and 8 of the Local Authorities Fiscal Control Law, the Authority shall have made an application dated July 19, 2011 (the “*Local Finance Board Application*”) to, and seek, obtain, and officially recognize the findings from, the Local Finance Board (the “*Local Finance Board*”) in the Department of Local Government Services of the State Department of Community Affairs;

**WHEREAS**, in order to market and sell the Series 2011 Bonds, the Authority shall by negotiated sale publicly offer the Series 2011 Bonds, in which public offering case the Authority shall have authorized (i): the distribution of a preliminary official statement “deemed final” within the meaning and for the purposes of Rule 15c2-12 describing the terms of the Series 2011 Bonds, the Series 2011 Project and the other transactions contemplated hereby (the “*Preliminary Official Statement*”); and (ii) the execution and delivery of a bond purchase agreement (the “*Bond Purchase Agreement*”) with an underwriter to be selected by the Authority through a fair and open process (alternatively, the “*Underwriter*”) to purchase all of the Series 2011 Bonds, and (iii) delivery of a final Official Statement incorporating the terms of the sale of the Series 2011 Bonds and certain other information into the Preliminary Official Statement (the “*Official Statement*”, and together with the Preliminary Official Statement, and the Bond Purchase Agreement, and any of the same or other offering or sale documents that may be required by the County “*Sale Documents*”);

**WHEREAS**, prior to the issuance of the Series 2011 Bonds and in accordance with Section 13 (“*Section 13*”) of the Act (N.J.S.A. 40:37A-56), the Authority shall have made a detailed report regarding the Renewable Energy Program to Board of Chosen Freeholders of the County of Sussex (the “*Sussex County Board of Freeholders*”) and the Morris County Board of Freeholders, which report shall include, without limitation, descriptions of the Series 2011 Bonds, the Bond Resolution, the Company Documents, the County Documents, the Local Unit License Agreements, and if and as applicable, the Sale Documents (collectively, the “*Program Documents*”), and which report and amended report shall be accepted by both the County and Morris County by resolution adopted by the Sussex County Board of Freeholders and the Morris County Board of Freeholders pursuant to Section 13.

**NOW, THEREFORE,** for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agrees as follows:

(c) The following defined terms shall, for all purposes of this Sussex County Community College Local Unit License Agreement, have the meanings ascribed to such terms in the following Sections hereof.

(i) Section 3.1(a):

**Sussex County Community College Capital Improvement**  
**Projects**  
**Sussex County Community College Licensee**  
**Sussex County Community College Licensees**  
**Sussex County Community College Local Unit Facilities**  
**Sussex County Community College Local Unit License**  
**Sussex County Community College Project Activities**  
**Sussex County Community College Projects**

County Community College Capital Improvement Projects will be undertaken by the Company hereunder and that, accordingly, all provisions in this Agreement regarding the Capital Improvement Projects are not applicable and of no force and effect.

“**Sussex County Community College Construction Manager**” shall mean, individually or collectively, as the case may be, the person or firm hired, employed or otherwise engaged by either of the Authority or the Licensor, that shall be responsible for the oversight of the implementation of one or more segments of the design, permitting, acquisition, construction, and installation, and as applicable, the operation and maintenance of the Renewable Energy Projects by the Company for the Licensor, or the design, permitting, acquisition, construction, renovation, and installation of the Capital Improvement Projects by the Company for the Licensor.

“**Sussex County Community College Draw Papers**” shall mean the requisitions, and attachments thereto, applicable to either the (i) Sussex County Community College Renewable Energy Projects or (ii) Sussex County Community College Capital Improvement Projects, in either case in the form attached as **Exhibit D** to the Sussex County Community College Local Unit License Agreement and Exhibit C to the Company Lease Agreement, each executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the requisitioning of funds from the Project Fund for either or both of the Sussex County Community College Renewable Energy Projects or the Sussex County Community College Capital Improvement Projects, all as set forth in Section 4.1 of the Sussex County Community College Local Unit License Agreement and Section 510(a), (b) and (c) of the Company Lease Agreement.

“**Sussex County Community College Interconnection Agreement**” shall mean, individually or collectively, as the case may be, one or more agreements between or among, the existing local electric utility distribution provider and one or more of the Company, the Licensor and/or the Authority, with respect to the interconnection of the completed Sussex County Community College Renewable Energy Projects for the Licensor to the electric utility distribution system of such provider, which may take the form of an application and acceptance by at least two of such parties.

“**Sussex County Community College REP Acceptance Certificate**” shall mean the certificate applicable to the Sussex County Community College Renewable Energy Projects in the form attached as **Exhibit E-1** to the Sussex County Community College Local Unit License Agreement and Exhibit B-1 to the Company Lease Agreement, executed by an Authorized Officer of the Company, and acknowledged by an Authorized Officer of the Licensor, and acknowledged as to form only by an Authorized Officer of the Authority, setting forth, among other things, the Company’s acceptance of all of the Sussex County Community College Renewable Energy Projects, all as set forth in Section 4.2 of the Sussex County Community College Local Unit License Agreement and Section 510(d)(i) of the Company Lease Agreement.

**“Authorized Officer”** or **“Authorized Representative”** shall mean, (i) with respect to the Authority: the Chairperson, the Vice Chairperson, the Treasurer, or the Secretary of the Authority and, when used with reference to an act or document, also means any other person who shall be authorized by resolution or the by-laws of the Authority to perform such act or to execute such document or any other person or persons who shall be authorized by resolution of the Authority to act on behalf of the Authority or by a written certificate duly executed on behalf of the Authority by the Chairperson or by the Vice Chairperson of the Authority, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person; (ii) with respect to the Licensor: the Vice President of Finance and Operations or such other person designated as an Authorized Officer in the Sussex County Community College Local Unit License Agreement or any other person or persons who shall be authorized to act on behalf of such Licensor by virtue of a resolution of the governing body of the Licensor, which resolution shall set forth such authorization; (iii) with respect to the Trustee: any officer of the Trustee authorized by the Trustee to act or execute documents on behalf of the Trustee; (iv) with respect to Company: any officer or any authorized signatory of the Company authorized by the Company to act or execute documents on behalf of the Company; (v) with respect to the County Security Provider, if any: any officer of the County Security Provider authorized by the County Security Provider to act or execute documents on behalf of the County Security Provider; (vi) with respect to the County in any capacity other than clause (ii) above, the County Administrator of the County and, when used with reference to an act or document, also means any other person who shall be authorized by State statute, ordinance, resolution, by-laws or Administrative Code of the County to perform such act or to execute such document or any other person or persons who shall be authorized by resolution or ordinance of the Board of Freeholders to act on behalf of the County or by a written certificate duly executed on behalf of the County by the County Administrator of the County, which certificate shall set forth such authorization and shall contain the specimen signatures of each such person.

**“Event of Default”** shall mean, individually or collectively, as the case may be, an Authority Event of Default or a Licensor Event of Default.

## ARTICLE II

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

#### **Section 2.1. Representations and Warranties of the Licensor.**

(a) The Licensor has the full right, power and authority under all applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensor. The Licensor has received any and all approvals and has taken all official action necessary to authorize an Authorized Officer of the Licensor to execute and deliver this Sussex County Community College Local Unit License Agreement (and any documents contemplated hereby, including without limitation the Sussex County Community College Draw Papers, the Sussex County Community College Acceptance Certificates, and any Sussex County Community College Interconnection Agreement) to the Licensee, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensor is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensor or its property, including the Sussex County Community College Local Unit Facilities. Licensor holds good, record and marketable title to each of the Sussex County Community College Local Unit Facilities and the land underlying the Sussex County Community College Local Unit Facilities. There are no mortgages or other liens against the Sussex County Community College Local Unit Facilities or the land except as set forth on Exhibit G.

#### **Section 2.2. Representations and Warranties of the Licensee.**

(a) The Licensee has the full right, power and authority under the Act and all other applicable law to discharge its duties and obligations hereunder, and enjoy its rights and benefits hereunder, all in accordance with the terms hereof, each of which, together with all other terms hereof, shall be and are valid and binding terms enforceable against the Licensee. The Licensee has taken all official action necessary to authorize an Authorized Officer of the Licensee to execute and deliver this Sussex County Community College Local Unit License Agreement to the Licensor, and none of the provisions hereof, in any material way, conflict with the provisions of any other agreement to which the Licensee is a party or an acknowledgement party, including without limitation any other Program Document or any other agreement regarding liens or encumbrances applicable to the Licensee or its property.

#### **Section 2.3. Mutual Representations, Warranties and Acknowledgments of the Licensor and the Licensee.**

(a) The Licensor shall constitute a Series 2011 Local Unit for all purposes of the Renewable Energy Program pursuant to the provisions of all of the Program Documents, entitled to the rights, duties and obligations of a Series 2011 Local Unit.

(b) To the extent the circumstances set forth in Section 5.2 hereof arise, whereby an Event of Default under the Company Lease Agreement has occurred due to the late or insufficient payment of Basic Lease Payments by the Company thereunder, this Sussex County Community College Local Unit License Agreement shall be deemed to be a power purchase agreement for purposes of (i) N.J.S.A. 40A:11-15(45) of the Local Public Contracts Law, to the extent the Licensor is a Series 2011 Municipal Local Unit or a Series 2011 County Local Unit, or (ii) N.J.S.A. 18A:18A-42(o) of the Public Schools Contracts Law, to the extent the Licensor is a Series 2011 Board of Education Local Unit, as applicable.

#### **Section 2.4. Covenants of the Licensor.**

(a) Upon the delivery of the Sussex County Community College CIP Acceptance Certificate with respect to the Sussex County Community College Capital Improvement Projects, if any, the Licensor shall own such Sussex County Community College Capital Improvement Projects, and further, the Licensor shall be obligated to maintain, and as necessary, operate the Sussex County Community College Capital Improvement Projects, it being expressly understood and acknowledged by the parties hereto that neither the Authority nor any other Renewable Energy Program Interested Party shall, after such time, have any obligations in connection therewith.

(b) To the extent the Licensor determines to exercise the fair market value purchase option with respect to the Sussex County Community College Renewable Energy Projects set forth in Section 5.1(d) hereof, the Licensor shall pay for and conclude such purchase in an expeditious manner from the Company (which Company shall have taken fee ownership of the Sussex County Community College Renewable Energy Projects pursuant to Section 609(b) of the Company Lease Agreement) or from or through the Authority, as applicable, which purchase price may be funded by the Licensee if so agreed to by the parties in writing.

(c) Although the Company shall be responsible for the payment of Administrative Expenses caused by the action or inaction of the Company, to the extent Licensor's action or inaction pursuant to the terms of this **Sussex County Community College** Local Unit License Agreement results in the Authority incurring Administrative Expenses, Licensor shall be responsible for the prompt payment of same.

#### **Section 2.5. Covenants of the Licensee.**

(a) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Project Account of the Project Fund, together with the Equity Contribution, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Renewable Energy Projects of all the other Series 2011 Local Units, to fund the Cost of the Sussex County Community College Renewable Energy Projects on, or as applicable, in the Sussex County Community College Local Unit Facilities.

(b) The Authority shall issue the Bonds pursuant to the Bond Resolution, the Act, and all other applicable law, such that the amounts on deposit with the Trustee in the Capital

Improvement Project Account of the Project Fund, shall be sufficient, after taking into account all such other amounts on deposit therein earmarked for the funding of the Capital Improvement Projects of all the other Series 2011 Local Units, to fund the Cost of the Sussex County Community College Capital Improvement Projects on or as applicable, in the Sussex County Community College Local Unit Facilities.

(c) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, install, operate and maintain the Sussex County Community College Renewable Energy Projects on or as applicable, in or about the Sussex County Community College Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that such Sussex County Community College Renewable Energy Projects, and any products derived therefrom including the electricity generated as renewable energy thereby, shall be owned in fee by the Licensee, subject to the terms of the Company Documents, including without limitation the conveyance of the ownership thereof, for Federal income tax purposes, to the Company pursuant to the terms thereof.

(d) No later than the issuance of the Bonds, the Authority shall have authorized, delivered and executed, and shall have caused the Company to have authorized, delivered and executed, or otherwise be bound by the terms and provisions of, the Company Documents, which by their terms shall require the Company to design, permit, acquire, construct, renovate, and install the Sussex County Community College Capital Improvement Projects on or as applicable, in or about the Sussex County Community College Local Unit Facilities, it also being expressly understood and acknowledged by the parties hereto that that such Sussex County Community College Capital Improvement Projects shall be owned in fee by the Licensor.

(e) The Authority shall exercise the Fair Market Value purchase option under the Company Documents, and take, any action consistent therewith, to the extent the Authority is so directed by the Licensor, all in accordance with Section 5.1(d) hereof.

#### **Section 2.6. Inapplicable Terms.**

Notwithstanding anything to the contrary contained in this Local Unit License Agreement, the parties hereto acknowledge and agree that (a) the Company is not responsible for the construction of any Sussex County Community College Capital Improvement Projects under the Program Documents and any references herein to Sussex County Community College Capital Improvement Projects, Sussex County Community College Capital Improvement Project Fund, Sussex County Community College CIP Acceptance Certificates or any other term defined by reference to Sussex County Community College Capital Improvement Projects (without limiting the application of any such term to the extent not related to Sussex County Community College Capital Improvement Projects) shall be of no further force and effect, and (b) as recited in the preambles hereof, there shall be no need for a County Security Agreement or a third-party County Security Provider, which due to the funding of the County Reserve upon issuance of the Series 2011A Bonds, shall be the Company for purposes of the Program Documents.

## ARTICLE III

### LICENSE

#### Section 3.1. License.

(a) For the Term of this Sussex County Community College Local Unit License Agreement, the Licensor does hereby grant to the Authority and its designees set forth in writing and delivered to the Licensor, which the Licensor hereby acknowledges shall include the Company pursuant to the Company Documents, and any of the Authority's or the Company's subcontractors, consultants, agents, and any other person or entity the Authority or the Company deems necessary, desirable or convenient in order to discharge their respective obligations or exercise their respective rights under this Sussex County Community College Local Unit License Agreement (each, an "**Sussex County Community College Licensee**", and collectively, the "**Sussex County Community College Licensees**"), the non-exclusive right and obligation to access the Local Unit Facilities of the Licensor as described on **Exhibit A** hereto (the "**Sussex County Community College Local Unit Facilities**"), including without limitation the roofs and electrical systems thereof, and all lands and properties of the Licensor that are reasonably necessary, desirable or convenient in order to give the Authority, the Company, or any other Sussex County Community College Licensee access to the Sussex County Community College Local Unit Facilities, and the Authority hereby accepts, subject to all of the terms and provisions of this Sussex County Community College Local Unit License Agreement, a license (the "**Sussex County Community College Local Unit License**") allowing each Sussex County Community College Licensee to enter the Sussex County Community College Local Unit Facilities for the purpose of (i) designing, permitting, acquiring, constructing, installing, financing, operating and maintaining the Renewable Energy Projects for the Licensor described on **Exhibit B** hereto (the "**Sussex County Community College Renewable Energy Projects**"), and (ii) designing, permitting, acquiring, constructing, renovating, installing, and financing the Capital Improvement Projects for the Licensor described on **Exhibit C** hereto (the "**Sussex County Community College Capital Improvement Projects**", and together with the Sussex County Community College Renewable Energy Projects, the "**Sussex County Community College Projects**") and to take all such other reasonable actions in connection therewith (collectively, and as additionally described in subsection (c) below, the "**Sussex County Community College Project Activities**"), all at the sole cost and expense of the Authority or any other Sussex County Community College Licensee, but not the Licensor[, unless expressly set forth elsewhere herein]. As there are no Sussex County Community College Capital Improvement Projects for the Licensor, this definition shall have no effect in this Sussex County Community College Local Unit License Agreement. Notwithstanding the foregoing, the Licensor shall be responsible for all operating, maintenance and repair costs incurred from the Point of Delivery (as defined in the Power Purchase Agreement) to Licensor's operating site (solely the site and not including the solar improvements) at or in each of its Sussex County Community College Local Unit Facilities.

(b) For all purposes of this Sussex County Community College Local Unit License Agreement, the Sussex County Community College Local Unit License shall be deemed to include a preliminary license granted by the Licensor to the Authority and shall include, as

Sussex County Community College Licensees, any entities involved in the procurement process directed by the Authority to select the Company, so long as the Authority submits a list of such entities to the Licensor, for the sole purpose of allowing any such entities to accumulate sufficient information to submit a response to the Authority pursuant to such procurement process, thereby allowing such information gathering to constitute permissive Sussex County Community College Activities, which preliminary Sussex County Community College Local Unit License shall automatically cease upon the establishment of the Company pursuant to such procurement process (to be automatically replaced, for the Authority and, among such entities, for the Company only, by subsection (a) above).

(c) The Sussex County Community College Licensees shall have access to the Sussex County Community College Local Unit Facilities to conduct Sussex County Community College Project Activities, a portion of which are expressly set forth in subsection (a) above, and shall include the following:

(i) The investigation of the Sussex County Community College Local Unit Facilities necessary to issue or cause the issuance of the opinion (structural condition of roof) and analysis (wind analysis) contemplated by Section 4.6(a) of the Power Purchase Agreement;

(ii) The construction, installation and operation and maintenance of any equipment for the Sussex County Community College Renewable Energy Projects, including but not limited to photovoltaic solar modules, photovoltaic solar mounting systems, roofing modifications as approved by the Authority and Licensor, electrical power, and control wiring, controls, protective relays, connections, fixtures, machinery, equipment, and other personal property that are required, desirable or convenient to construct, operate, and maintain the Sussex County Community College Renewable Energy Projects, subject to the Authority and Licensor's rights to notice, and Licensor's right to approve the Plans and Specifications therefore in accordance with Section 501 of the Company Lease Agreement;

(iii) All activities in connection with the removal of the Sussex County Community College Renewable Energy Projects as contemplated by Section 3.7(b)(i) of the Power Purchase Agreement; and

(iv) The monitoring of the Sussex County Community College Renewable Energy Projects' system performance and metering from remote locations through access to the Licensor's data management network at the Sussex County Community College Local Unit Facilities.

(d) No other activities beyond the scope of the Sussex County Community College Project Activities shall be undertaken on the Sussex County Community College Local Unit Facilities by the Authority or any other Sussex County Community College Licensee, unless expressly agreed to in writing by all the other parties hereto.

(e) Licensors shall use commercially reasonable efforts to obtain, or cause to be obtained (in form and substance reasonably satisfactory to the Company) non-disturbance agreements or, if applicable, waivers and/or consents from any of its mortgagees, landlords, or similar parties in interest with respect to all access and other rights which Licensors are obligated to provide or cause to be provided to the Company pursuant to this Section 3.1 and the Power Purchase Agreement. Licensors shall use commercially reasonable efforts to avoid interfering with the Company's performance of its obligations under this Sussex County Community College Local Unit License Agreement, the Company Lease Agreement or the Power Purchase Agreement.

**Section 3.2. Sussex County Community College Licensees.** The parties hereto expressly acknowledge and agree that in addition to the Authority, for the duration of the Term of this Sussex County Community College Local Unit License Agreement, the Sussex County Community College License shall permit the Sussex County Community College Licensees to enter upon the Sussex County Community College Local Unit Facilities to conduct the Sussex County Community College Project Activities, at which time any such Sussex County Community College Licensees shall automatically, without any further action, be bound by the provisions of this Sussex County Community College Local Unit License Agreement during the Term hereof. The Licensee must require the EPC Contractor to provide the names of all employees, agents, and workers of the EPC Contractor and subcontractors who will be present at the site, and the Licensee acknowledges that the same will be used for purposes of checking all identities against the Megans law registry.

**Section 3.3. Observation.** In connection with all Sussex County Community College Project Activities, the Authority and/or any other Sussex County Community College Licensee shall afford the Licensors and/or its representatives, the opportunity to observe all Sussex County Community College Project Activities; provided, however, that such observation activities shall not interfere with any Sussex County Community College Project Activities or delay construction of the Projects; and provided, further, that the Licensors hereby release and agree to indemnify, defend and hold harmless the Authority and each other Sussex County Community College Licensee from and against any and all loss, cost, damage, injury or expense arising out of the Licensors', or its representatives' or consultant's entry or activities on the Sussex County Community College Local Unit Facilities for purposes of observing Project Activities not in compliance with this Section.

**Section 3.4. Reports; Inspection.** The Authority shall, and shall cause all Sussex County Community College Licensees, to promptly provide the Licensors with copies of any final written reports prepared, compiled or generated as part of the Sussex County Community College Project Activities, if any [list of reports can be added here]. Further, the Licensors shall have the right, upon the provision of reasonable advance written notice to the Authority and so long as the following action shall not, to the greatest extent practicable, interfere with the Sussex County Community College Local Unit License, to inspect the Sussex County Community College Local Unit Facilities and/or the Sussex County Community College Renewable Energy Projects during the Term of this Sussex County Community College Local Unit License Agreement to ensure the Authority is complying with the terms hereof.

**Section 3.5. Restoration.** In the event the Sussex County Community College Local Unit License under this Sussex County Community College Local Unit License Agreement is revoked for any reason against the Authority, the Authority shall itself, or cause any other Sussex County Community College Licensee or other entity to promptly restore the Local Unit Facilities to exactly (or better, as newer) the condition of such Local Unit Facilities immediately prior to the granting of the Sussex County Community College Local Unit License hereunder, or to such other condition as shall be mutually agreeable to the Licensor and the Authority, provided that the costs of restoration where the revocation shall have been caused by the Licensor shall be paid for by the Licensor.

**Section 3.6. Insurance.** Prior to accessing the Local Unit Facilities, the Authority shall deliver, or cause the Company performing Sussex County Community College Project Activities on the Sussex County Community College Local Unit Facilities to deliver, evidence of insurance of the Company in the coverage and amounts required under Article VII, Section 7.3 of the Company RFP, which is attached as a portion of Exhibit A-1 to the Company Lease Agreement, as may be modified by the Program Documents, and as required by Sections 601 through 607 inclusive of the Company Lease Agreement, all such policies to be satisfactory to the Authority and the Licensor. All certificates of insurance required hereunder shall name as additional insureds the Authority and the Licensor. All such policies shall contain a provision whereby the same cannot be canceled or modified unless the Authority and the Licensor is given at least thirty (30) days prior written notice of such cancellation or modification. Notwithstanding anything else contained herein or in the Power Purchase Agreement, to the extent the insurance is in accordance with Acord 25 (2010/05) should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

**Section 3.7. Revocation.**

(a) The parties expressly acknowledge that the Sussex County Community College Local Unit License cannot be revoked (including deemed revocation situations where the Sussex County Community College Local Unit Facilities are unavailable to allow the Company to perform Sussex County Community College Project Activities due to damage, condemnation or otherwise, which are governed by clauses (ii), (iii) and to the extent the circumstances giving rise to the deemed revocation are within the Licensor's control, (iv) below, inclusive, and where time periods shall commence from the onset of the unavailability of the Sussex County Community College Local Unit Facilities) once Bonds have been issued and are Outstanding, unless the Licensor satisfies clause (iv) below after complying with clause (i), and seeking to relocate pursuant to clauses (ii) and (iii) below:

(i) The Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company that the Licensor intends to revoke its Sussex County Community College Local Unit License for the Sussex County Community College Local Unit Facilities, at least one (1) year prior to any such revocation; and

(ii) The Licensor, working cooperatively with the Authority, shall seek to provide the Licensee, within such one (1) year period, with a substitute location for the Sussex County Community College Renewable Energy Projects, with as similar physical conditions to the existing Sussex County Community College Local Unit Facilities as is practicable, it being expressly understood that (A) the substitution shall not occur until the substitute Sussex County Community College Renewable Energy Project on the Sussex County Community College Local Unit Facilities is up and running so that none of the Authority, the Licensor, or the Company shall lose any electricity or SREC production during any transition period, and (B) the Licensor shall continue to pay all amounts due under this Sussex County Community College Local Unit License Agreement during such period (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) as if such attempted revocation were not occurring, regardless of whether Licensor continues to receive and utilize the electricity from the Sussex County Community College Renewable Energy Projects located on, or as applicable in, the Sussex County Community College Local Unit Facilities, all as contemplated hereby, during such period; and

(iii) To the extent the Authority and the Company agree to such relocation within such period, as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then (A) the Licensor shall pay for all costs of relocating the Sussex County Community College Renewable Energy Projects on, or as applicable in, such new location (thereupon such new agreed upon location shall be deemed the new Sussex County Community College Local Unit Facilities for all purposes of this Sussex County Community College Local Unit License Agreement and the other Program Documents, and similarly, the new Sussex County Community College Renewable Energy Projects on, or as applicable in, such new Sussex County Community College Local Unit Facilities shall be deemed the new Sussex County Community College Renewable Energy Projects for all purposes of this Sussex County Community College Local Unit License Agreement and the other Program Document), including without limitation any relocation costs, re-installation costs, costs improving the condition of the new location to accept the Sussex County Community College Renewable Energy Projects, and the fees and expenses of all Renewable Energy Program Interested Parties involved with any such relocation, and as applicable, their consultants, and (B) prospectively, after such relocation, the Licensor shall continue to pay all amounts due under this Sussex County Community College Local Unit License Agreement for the remainder of the Term hereof (including without limitation the amounts set forth in Section 5.1(c)(i) hereof) and the parties shall be entitled to and obligated to perform, as applicable, the rights, duties, and obligations hereunder, as if such relocation never occurred, in which case clause (iv) of this Section 3.7(a) shall have no effect.

(iv) To the extent the Authority and the Company do not agree to such relocation within such period (or alternatively, the Licensor has been unable to

secure an acceptable alternative site within such period), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, then Licensor shall pay (A) the Trustee an amount sufficient to pay the principal of, redemption premium, if any, and interest on all of the Outstanding Bonds allocable to the Sussex County Community College Renewable Energy Projects (as determined by the Authority, in its sole discretion, based on the Projects funded by the proceeds of Bonds and the pro-rata share of all other Bond proceeds) or provision for payment thereof and thereon shall have been made in accordance with Article XII of the Bond Resolution, together with the fees and expenses of all Renewable Energy Program Interested Parties involved in effecting such prepayment, redemption, and/or defeasance, and as applicable, their consultants, and (B) the Company an amount that reimburses the Company, on a net present value basis, for (I) the value of all SRECs that would have been obtained and accrued to the benefit of the Company during the remainder of the then existing Term hereof, such value to be based on an objective standard of valuation acceptable to the Company and available at such time, as approved by the Authority, (II) any other revenues the Company would have received under the Program Documents through the remainder of the then existing Term had the Sussex County Community College Renewable Energy Projects been operating at the Sussex County Community College Local Unit Facilities for the remainder of such then existing Term, if any (other than the credit against its Basic Lease Payments for payments that would have been made by the Licensor under Section 5.1(c)(i) hereof, as the Company is already receiving that benefit through the payment to the Trustee contemplated by sub-clause (A) above, which payments shall be credited against the Company's Basic Lease Payment obligations under the terms of the Program Documents) and (III) any penalties, recapture amounts or other payments required to be made by or on behalf of the Company or its investors under the Code or the American Recovery and Reinvestment Act of 2009 caused by an early revocation within any recapture period for any grants or tax benefits claimed by the Company relating to the Sussex County Community College Renewable Energy Projects.

(b) The Licensor shall not, except in respect of a deemed revocation pursuant to Section 3.7(c), revoke the Sussex County Community College Local Unit License prior to the expiration of the Term hereof, in accordance with Section 7.1 hereof, unless any such revocation notice in writing shall be delivered to the Authority and the other Renewable Energy Program Interested Parties to the effect that (i) the provisions of Section 3.7(a) hereof have been complied with, (ii) that no suitable site for relocating the Sussex County Community College Renewable Energy Projects was found and/or approved in accordance with the terms of Section 3.7(a) hereof, and (iii) such notice is accompanied by immediately available funds in the amounts set forth in Section 3.7(a)(iv) hereof.

(c) Any damage, taking, condemnation or otherwise of any Sussex County Community College Local Unit Facility as a result of which such Sussex County Community College Local Unit Facility is unavailable to allow the Company to perform its Sussex County

Community College Project Activities shall be deemed to be a revocation of the Sussex County Community College Local Unit License by Licensor pursuant to Section 3.7(a) hereof.

**Section 3.8. Material Change to Sussex County Community College Renewable Energy Projects Prior to Issuance of the Acceptance Certificates.**

To the extent the Licensor requests a material change to the Sussex County Community College Renewable Energy Projects prior to the issuance of the Acceptance Certificates, the Licensor shall notify, in writing, the Licensee, the County, the Trustee and the Company of any requests for such material changes. To the extent the Authority and the Company agree to such material changes to the Sussex County Community College Renewable Energy Projects (the “**Revised Sussex County Community College Renewable Energy Projects**”), as evidenced by a Certificate of an Authorized Officer of each of the Authority and the Company delivered to the Licensor, the Trustee, and the County, the Licensor shall, prior to the Company undertaking the Revised Sussex County Community College Renewable Energy Project, advance funds to or, if already incurred, reimburse the Company for all costs incurred by the Company upon reliance of the Sussex County Community College Renewable Energy Projects set forth on Exhibit B hereto, and to the extent deemed appropriate by the Company, the relevant documentation relating thereto will be amended, as applicable.

**Section 3.9. Abandonment.**

If any Sussex County Community College Renewable Energy Project is abandoned by the Company pursuant to Section 4.6(e) of the Power Purchase Agreement, the obligations under this Sussex County Community College Local Unit License Agreement assumed by the Company shall, as between the Company on the one hand and the Licensor and the Authority on the other hand, with respect to such Sussex County Community College Renewable Energy Project, be deemed terminated and discharged.
